Subject: Amendment to the Agreement with Pyramid Alternatives

RECOMMENDATION:

Adopt a Resolution authorizing an amendment to the agreement with Pyramid Alternatives to provide substance abuse treatment services to clients in the Bridges Program, extending the term of the agreement through June 30, 2015, and increasing the amount by \$61,745.82 to an amount not to exceed \$123,491.64.

BACKGROUND:

The Probation Department contracts with Pyramid Alternatives to provide counseling services and program delivery of abuse counseling, education, anger management, life skills training, and supportive supervision to clients in the Bridges Program. The Bridges Program is an intensive outpatient day treatment program focused on helping individuals with drug offenses to end the cycle of drug abuse and crime. The program serves approximately 150 individuals annually and saves the County approximately \$400,000 in jail costs.

On May 22, 2014, the County's Contract Compliance Committee granted a 3-year waiver request as a temporary extension of the Probation Department's contract with Pyramid Alternatives through June 30, 2015 until an RFP can be completed.

On August 25, 2014, in the interest of timely delivery of services to the clients of the Bridges Program, the Probation Department executed a department level contract with Pyramid Alternatives for the term July 1, 2014 to December 31, 2014 in the amount of \$61,745.82.

The Probation Department has concluded its Request for Proposals (RFP) process and is currently reviewing submitted applications to provide services to the Bridges Program. It is anticipated that the Probation Department will recommend to the Board a Bridges contractor for FY 2014-15 at the April 28, 2015 meeting.
