In the event that County provides notice of an alleged breach pursuant to this section, County may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. **b. Intellectual Property Indemnification**

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

#### **9. Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability.....	\$1,000,000
(b) Motor Vehicle Liability Insurance.....	\$1,000,000

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

## Exhibit A – Services

1. Description of Services to be Performed by the Contractor:

Contractor shall provide on-call engineering professional services that may include but not be limited to topographic and bathymetric surveys, hydraulic and hydrologic studies, geotechnical studies, landfill management and monitoring, civil engineering design, utilities undergrounding design, environmental permitting, biological monitoring, project management, construction management and other various professional services.

2. Task Order Negotiation, Authorization, and Amount and Method of Payment:

A. Negotiation: Contractor shall be entitled to payments in consideration for work performed per above, and based on those professional fees set forth in Exhibit B. Separate and individual “not-to-exceed” (NTE) cost proposals may be requested from Contractor during the term of the Agreement. The Department shall review the proposal as to scope, cost and delivery schedule.

A. Task Order Authorization: Each task order shall include specific work requirements, time frames for completion and NTE cost amount, which shall be mutually agreed upon by Contractor and County in writing prior to commencement of each task order. Once a proposal is found to be acceptable, a task order authorization shall be issued, as needed and at the Department’s sole discretion for each individual project or scope of work as defined in the task order. Contractor shall commence work upon receipt of task order authorization. Contractor agrees to complete the approved project or task order work for an amount equal to or less than the approved project or task order NTE amount and within the time limits set forth in the approved project or task order timetable.

B. Amount and Method of Payment: The Contractor may have several task orders assigned by the County as part of this on-call agreement. Payment shall not be made for any work unless approved and authorized in advance by the County. Total compensation paid to the Contractor for all task orders assigned will not be greater than the NTE amount of the agreement and may be less than the NTE amount of the agreement. Since this is an on-call agreement, the number of task orders issued is indeterminate, the resulting total compensation paid to the Contractor may be significantly less than the NTE amount of the agreement. The Contractor’s fee schedule rates shall not be adjusted unless approved through a contract amendment by the Contractor and the County. Invoice(s) may be submitted by Contractor according to progress achieved and recognized by the Department, for payment by the County thirty (30) working days from date of receipt, provided that the invoices are complete and absent errors and/or corrections as may be found upon review of invoice(s).

3. Reimbursable Expenses:

Reasonable and necessary expenses related to the services performed and actually incurred shall be reimbursed at cost, or as stipulated in Exhibit “B”, Payments, upon submission of an expense report with backup documentation and County approval.

Reimbursable expenses shall be included in the “not-to-exceed” cost proposals. Reimbursable expenses are defined as job-related expenses directly incurred by the Contractor in the performance of services provided under the Agreement. These include mail and overnight delivery services, reproduction of reports, drawings, specifications, photographs, and similar, and travel expenses within a 50 mile radius from Contractor’s office to the job site. Reimbursement for all other travel in connection with the project or task order shall be at the same rate granted to employees of the County and must be approved in advance and in writing by the County.

4. Changes in Work:

Upon agreement by both County and Contractor, any substantive changes to the timeline, “not-to-exceed” amount, or scope of work of a task order must be approved in writing and will result in an amendment to the task order. All other terms and conditions of the Agreement shall remain in full force and effect.

## **Exhibit B – Payments and Rates**

In consideration of the services provided by Contractor described in Exhibit A and subject to the terms of the Agreement, County shall pay Contractor based on the following fee schedule and terms:

1. County shall pay Contractor upon receipt in Accounting Section of the Department of Public Works of a written itemized invoice identifying the task order, County project number (if applicable), specific work completed, number of hours involved and breakdown of charges. The Approved Project total not-to-exceed amount will be stipulated in each task order. Costs for services deemed necessary by the County for completion of each task order shall be authorized in writing prior to proceeding with the work. Billing rates for services provided under this Agreement shall be based upon the Contractor's most recent fee schedule and by reference made a part of this Agreement. The County reserves the right to withhold payment if the County determines that the quantity or quality of the work performed is unacceptable.
2. County shall pay Contractor reimbursable expenses. The Contractor shall be entitled to mileage, meals and lodging at the same rate granted to employees of the County whenever the Contractor is required to travel outside of San Mateo County in the performance of his duties under this Agreement. Such travel must first be approved in writing by the County. The Contractor shall also be reimbursed for expenses associated with reproduction (drawings, project manuals, reports, etc.); telephone or fax outside 650, 415, 408, 510, 707, and 925 area codes; fees paid for securing necessary permits and approvals of authorities having jurisdiction over the project; and special delivery service.
3. The County's total fiscal obligation under this Agreement shall not exceed \$1,000,000 unless said amount is authorized to be increased by the County Board of Supervisors by written amendment to this agreement. Specific projects that may be assigned to the Contractor shall have individual not-to-exceed amounts as stated in the specific task orders. The sum of individual task order not to-exceed fees for multiple projects that may be assigned to the Contractor shall not exceed the total \$1,000,000 not-to-exceed amount for this Agreement without prior written approval by the County Board of Supervisors.

Invoices are to be submitted to:           Accounting Unit  
  Department of Public Works  
  555 County Center -5th Floor
