Further, notwithstanding the hours designated for operating room coverage above, if all scheduled and add on cases for the room have been completed so that no further procedures are scheduled for that room for that day, the assigned Physician shall be permitted to leave the hospital but shall be required to return within thirty (30) minutes of being notified that a case has been added to the room provided such additional case is expected to be completed prior the scheduled closing time for such room.

5. **EXHIBIT B** (entitled **PAYMENTS**), Section I. of the Agreement is amended to read as follows:

Total payment for services under this Agreement will not exceed SIX MILLION SEVEN HUNDRED ONE THOUSAND EIGHT HUNDRED NINETY DOLLARS (\$6,701,890.00).

6. **EXHIBIT B** (entitled **PAYMENTS**), Section II., subsection c. (entitled “**Endoscopy Coverage**”) is added to the Agreement as follows:

- c. **Endoscopy Coverage**: For all endoscopy coverage described in Exhibit A, Section II., subsection c., above, Contractor shall be paid TWO HUNDRED FIFTY-SEVEN DOLLARS AND FIFTEEN CENTS (\$257.15) per hour for each hour Contractor’s physician provides anesthesia services in support of scheduled endoscopy cases. For purposes of the forgoing, hours shall start fifteen (15) minutes before the scheduled start time of the first endoscopy case and shall end fifteen (15) minutes after the anesthesia end time of the last endoscopy case. Notwithstanding the foregoing, the minimum compensation for any day of endoscopy staffing shall be two thousand fifty-seven and 20/100 dollars (\$2,057.20). 7. **EXHIBIT B** (entitled **PAYMENTS**), Section III., is amended to read as follows:

Contractor’s failure to perform the listed scheduled services constitutes a material breach of this Agreement, and in such circumstances, in addition to exercising its right to offset as set forth in Section 5.7 of the Agreement, herein, the County, at its option, may withhold payment for any portion of services not rendered, terminate the Agreement pursuant to the termination provisions above, work with the Contractor to reach a schedule for returning the Contractor to performance under this Agreement, revise this Agreement pursuant to the terms of this Agreement, pursue any remedy available at law, or any combination of these options. Notwithstanding the foregoing, where Contractor communicates with SMMC in advance of the schedule and notifies SMMC that a physician or physicians will not be available prior to the scheduling of patient procedure(s) that require Contractor’s physician services; the failure to provide services after such communication occurs is not a material breach of the Agreement. The Contractor is not, however, entitled to payment for services where coverage is not scheduled, and to the extent that Contractor is paid in advance with the assumption that such unperformed services would be scheduled; County may offset against Contractor’s future invoices funds in the amount of TWO HUNDRED FIFTY SEVEN DOLLARS

AND FIFTEEN CENTS (\$257.15) for each hour of previously scheduled services that were paid to Contractor in advance.

8. **All other terms and conditions of the Agreement shall remain in full force and effect.**

In witness of and in agreement with this Agreement's terms, the parties, by their duly authorized representatives, affix their respective signatures:
