

REAL ESTATE PURCHASE AND SALE AGREEMENT

AND ESCROW INSTRUCTIONS

THIS REAL ESTATE PURCHASE AND SALE AGREEMENT AND ESCROW INSTRUCTIONS (“Agreement”) is made and entered into as of the 10th day of June, 2025 (the “Effective Date”), by and between PREMIA 601, LLC, A Delaware limited liability company (“Seller”), and the County of San Mateo, a political subdivision of the State of California (“Buyer” or “County”).

WITNESSETH:

In consideration of the mutual covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. AGREEMENT TO PURCHASE AND SELL: Seller hereby agrees to sell to Buyer and Buyer hereby agrees to purchase from Seller the following described property in accordance with the terms and conditions of this Agreement:

- (a) The real property and improvements described as 601 Allerton Street, Redwood City, identified as San Mateo County Assessor’s Parcel Number 052-331-120, all as more particularly described on **Exhibit A**, attached hereto and incorporated herein by this reference (the “Property”); and
- (b) All of Seller’s right, title and interest in and to the fixtures, equipment, if any, existing on the Property, not owned by tenants, and used exclusively in the operation of the Property, shall be delivered by Seller concurrently with the Grant Deed transferring title to the Property.

2. SALE AND PURCHASE PRICE: Subject to the terms and conditions contained in this Agreement, Buyer agrees to purchase from Seller, and Seller agrees to sell to Buyer, fee ownership of the Property, subject to the following:

- (a) The total purchase price for the Property shall be SIX MILLION THREE HUNDRED THOUSAND DOLLARS (\$6,300,000).
- (b) Upon Seller’s Execution of Agreement, County to publish the Notice of Intent to Purchase and obtain County Board of Supervisors approval of sale and ratification of said Agreement (Full Execution). Upon Full Execution by Buyer, Buyer shall return a duplicate original of this Agreement to Seller, and shall open escrow pursuant to Section 3 hereof, and shall deliver to the Escrow Holder a copy of this Agreement.
- (c) Within sixty (60) days of Full Execution, or such other later date as the parties may agree in writing, Buyer to complete its investigation of the Property and to satisfy all conditions described herein (the “Due Diligence Period”).

(d) During the Due Diligence Period, Buyer may, in its sole and absolute discretion, elect to terminate this Agreement based upon any of the following:

- i. **Review of Title Matters.** County's review and approval of a final title report of the condition of title to the Property, including copies of all documents referred to therein and any and all other documents relating to title. County shall identify in writing any exceptions to title that must be removed; or
- ii. **Review of Physical Condition.** Review and investigation of the condition of the Property, which may include but shall not be limited to an Environmental Site Assessment and review of any potential environmental hazards, and a Property Condition Assessment, or any other studies related to the condition of the Property or title to the Property. County and its agents shall have reasonable access to the Property to conduct tests and perform due diligence investigations; or
- iii. **Review of Seller's Diligence Documents.** Within fifteen (15) days of Seller's Execution, Seller shall deliver to County for County's review, copies of all material building and Property information in its possession, including but not limited to final environmental reports and notices, final seismic/structural studies, permits and approvals, surveys, floor plans, notices of violation, or any other documents that are of significance to the Property, and that the County may reasonably request; or
- iv. **Review of Contracts and Other Matters.** Within fifteen (15) days of Seller's Execution, and subject to Buyer's review, Seller shall deliver to Buyer copies of all contracts, third-party leases, service or maintenance contracts or other matters relating to the Property and its intended use; or
- v. **CEQA/Environmental Report(s).** The content of, or inability to timely obtain when required, a report of the conformity of County's acquisition of the Property with the applicable general plan pursuant to California Government Code Section 65402 or a California Environmental Quality Act (CEQA) analysis, as may be required; or
- vi. **Appraisal.** Receipt of a written appraisal of the Property, which County will cause to be completed, by a licensed or certified appraiser at no less than the purchase price in Paragraph 2a; or
- vii. **Review of Tenant Disclosures.** Within fifteen (15) days of Seller's Execution, Seller shall deliver to Buyer all complete current lease agreements; or

- viii. **Review of Tenant Estoppels.** Within thirty (30) days of Full Execution, Seller shall deliver to Buyer all completed Tenant Estoppel Certificates; or
 - ix. **Approval of County's Board of Supervisors.** This transaction is contingent upon approval by County's Board of Supervisors in its sole and absolute discretion; or
 - x. **Delivery of Vacant Building Upon Close of Escrow.** Within forty-five (45) days of Full Execution, Seller to provide written confirmation notice to Buyer as to whether or not the building will be delivered to Buyer as vacant upon close of escrow. Said forty-five days may be extended upon mutual agreement by both parties. Purchase of the Property is contingent upon Seller's ability to deliver the building vacant upon close of escrow; or
 - xi. Buyer's inability to timely complete any of the studies or actions set forth above.
- (e) If Buyer fails to deliver notice of its election to terminate on or before 5:00 p.m. (PT) on the last day of the Due Diligence Period, then Buyer shall be deemed to have waived this condition. If the last day of the Due Diligence Period falls on a weekend or holiday, the Due Diligence Period shall be extended until 5:00 p.m. (PT) of the following business day.
 - (f) At least 10 (ten) days before closing, Seller will deliver to the Escrow Holder the Grant Deed which has been duly executed and acknowledged by Seller.
 - (g) At least one (1) business day prior to the close of escrow, Buyer shall deposit with the Escrow Holder a Certificate of Acceptance for the Property which has been executed by Buyer, in substantially the same form shown on Exhibit B, attached hereto and incorporated herein by reference, and the purchase price plus costs of pro-rations, fees, and expenses pursuant to this Agreement.
 - (h) Satisfaction of any CEQA requirements for this transaction as determined by Buyer, and final approval of consummation of the purchase and appropriation of funding by the County Board of Supervisors are express conditions precedent to Buyer's duty to purchase. Notwithstanding any other provision in this Agreement, Buyer, at Buyer's option, may extend escrow up to ten (10) days to permit the funding approval and appropriation by County Board of Supervisors. In the event Buyer opts to extend the escrow period pursuant to this section, Buyer shall provide written notice to Seller no later than 5:00 p.m. (PT) on the last day of the Due Diligence Period.

3. ESCROW AND OTHER FEES: Within three (3) days following the Full Execution of this Agreement by Seller and Buyer, Buyer shall open escrow at Old Republic Title Company, in Los Altos, California, or at such other escrow company as may be agreed to by Seller

and Buyer ("Title Company" or "Escrow Holder"); with escrow instructions to be based upon the terms and conditions set forth herein, and Buyer shall deliver a copy of this Agreement to the Escrow Holder. On behalf of Buyer, the San Mateo County Executive, or designee, shall execute the necessary escrow instructions and/or additional documents which may be required to complete the closing of this real property transaction. This Agreement shall become part of the escrow and shall constitute the basic instructions and documents as are reasonably required to complete the closing of the transaction contemplated herein, in accordance with the terms and conditions of this Agreement. In case of conflict between this Agreement and any related escrow documents, the terms of this Agreement shall control.

The Closing shall occur within seventy (70) days of Full Execution, (the "Closing Date"), or such other date as the parties hereto shall mutually agree in writing. The "Closing" is defined as the satisfaction of all conditions herein stated, except those conditions that may be, and in fact are waived by an express written waiver duly executed by the waiving party; and the recordation of a Grant Deed and Certificate of Acceptance which shall vest title to the Property in Buyer, and the deposit of the Purchase Price by Buyer into escrow.

Escrow, title and other fees shall be paid as follows:

- (a) A Standard California Land Title Association owner's policy of title insurance covering the Property shall be paid for by Buyer, in favor of Buyer in the amount of the Purchase Price subject to all of the title exceptions that may be permitted by Buyer.
- (b) Buyer shall pay for any additional title insurance coverage that may be required by Buyer, including any extended or ALTA coverage or endorsements to such policy requested by Buyer (to the extent available) together with the cost of any survey obtained by Buyer.
- (c) All existing insurance policies (if any) shall be canceled at time of Closing and Buyer acknowledges and agrees that Seller cannot endorse any such existing insurance policies to Buyer.
- (d) Seller and Buyer shall each pay their own Escrow Holder's fees at the close of escrow.
- (e) Seller shall pay all general and special real property taxes and special assessments through date of Closing.
- (f) Amounts payable under the approved contracts shall be prorated on an accrual basis.

Escrow Holder shall be obligated as follows:

- (a) To provide current preliminary title reports covering the Property, at Buyer's expense if any.

- (b) To record concurrently with Closing, the Grant Deed and the Certificate of Acceptance to be recorded concurrently, vesting title to the Property in Buyer.
- (c) To issue or have issued to Buyer the California Land Title Association policy of title insurance required herein, and any alternative or extended coverage desired by Buyer.
- (d) To provide Buyer and Seller a final closing statement with certification by the Title Company. At least three (3) business days prior to the Closing Date, the parties shall agree upon all of the prorations to be made and submit a statement to Escrow Holder setting forth the same.

4. COMMISSION: County shall not be responsible for the payment of any real estate commissions or fees resulting from this transaction. County is being represented by Hernan Santos of SF Peninsula Realty Advisors (“Buyer’s Broker”) regarding this transaction and Seller shall be solely responsible for any fees due Buyer’s Broker. Seller is being represented by Newmark (“Seller’s Broker”, and collectively with Buyer’s Broker, “Broker”) regarding this transaction and Seller shall be solely responsible for any fees due Seller’s Broker in accordance with Seller’s separate agreement with Seller’s Broker. Seller shall indemnify, defend, reimburse, and hold County harmless from and against any and all claims, demands, liabilities, losses, costs and expenses (including, without limitation, attorney’s fees and costs) arising from any broker’s commission or finder’s fees for any brokers or finders. County shall indemnify, defend and hold Seller harmless from any and all claims, liabilities, costs and expenses arising from any broker’s commission or finder’s fees for any brokers or finders who claim to have represented the County in connection with this transaction, other than Buyer’s Broker.

5. GOOD FAITH DISCLOSURE BY SELLER: Seller shall make a good faith disclosure to Buyer of any and all material facts, findings, or information on the Property known to Seller (without investigation) and not readily discoverable by Buyer, including without limitation those relating to: historical uses; prior permitted uses; current uses including, but not limited to, express or implied contracts, leases and/or permits; geological conditions; biological conditions; archaeological sites; flood hazard area(s); special studies zones; zoning reports; environmentally hazardous material such as dioxins, oils, solvents, waste disposal, gasoline tank leakage, pesticide use and spills, herbicide use or spills or any other substances and/or products of environmental contamination. Any and all facts or information known by Seller concerning the condition of the Property shall be delivered in writing to Buyer within fifteen (15) days of Seller’s Execution.

If such facts or information provided by Seller disclose conditions that adversely affect the continued or contemplated use of the Property, and that Buyer reasonably deems unacceptable, or if Buyer otherwise discovers such facts or information through its investigations, tests and/or surveys (including without limitation its review of title) which disclose such conditions, and Seller is unwilling or unable to correct such conditions to the reasonable satisfaction of Buyer or any governmental body having jurisdiction, then Buyer may, at its sole option, terminate this Agreement. Within fifteen (15) business days of actual receipt of said disclosure information, Buyer shall notify Seller of the conditions it deems unacceptable and the corrections desired and request Seller, at Seller’s expense, to correct the condition(s) affected

thereby to the reasonable satisfaction of Buyer. Failure to so correct shall be grounds for termination of this Agreement.

Seller shall provide Buyer, within fifteen (15) days of Seller's Execution, copies of all as-built drawings, diagrams, specifications, property, fixture and equipment inspections, and equipment warranties in Seller's possession or control (the "Diligence Documents"). Notwithstanding anything to the contrary herein, Seller shall not be required to provide, copy or make available to Buyer (and the Diligence Documents do not include) any internal memoranda, appraisals and valuation reports and similar information or information covered by the attorney-client privilege. Buyer acknowledges that the materials relating to the Property to be furnished by Seller to Buyer contain confidential and proprietary information. No representation or warranty in respect of any documents, reports, studies, information or other materials (including the accuracy or completeness thereof) are or shall be deemed to be made or provided by Seller relating thereto or to the Property or otherwise, and Buyer hereby acknowledges that no representations or warranties, either express or implied, were made by Seller with respect to any of the foregoing. To the extent any person or entity other than Seller, including any surveyors, appraisers, title agents, tenants, escrow agent, attorneys, engineering consultants or environmental consultants, made any representations or warranties or any other statements (verbal or written) to Buyer, or provided any documents, reports, studies, information or other materials, Buyer acknowledges it shall have no claim or right of action against Seller arising therefrom, nor any right to rescind or revoke this Agreement on account thereof. Nothing in this paragraph shall prevent Buyer from introducing into evidence in any action or proceeding any documents, reports, studies, information or other materials relating to Seller's duty of disclosure.

6. INSPECTION BY BUYER: Buyer, upon not less than one (1) business day notice to the Seller, shall have the right of entry onto the Property to conduct such non-invasive and non-intrusive inspections and testing thereon as are, in Buyer's sole discretion, necessary to reasonably determine the condition of the Property. The scope of any such testing or inspection which requires physical sampling of all or any part of the Property shall be subject to:

- (a) The prior written approval of Seller, which Seller may withhold in its sole and absolute discretion.
- (b) Seller's receipt of a certificate of insurance evidencing any insurance coverage reasonably required by Seller.
- (c) The requirement that Buyer conduct all such inspections and testing, including the disposal of samples taken, in accordance with applicable law and at no cost or liability to Seller, and with no substantial disturbance of or interference with the businesses being conducted on the Property. Buyer shall complete such inspections and testing within the Due Diligence Period and shall restore all areas of the Property to its pre-test and pre-inspection condition as near as is practicable.

If any toxins or contaminants are discovered on the Property, Buyer shall notify Seller immediately, and Seller shall have the right, but not the responsibility to take any actions in response to such notifications that it deems necessary in its sole and absolute discretion. If Seller elects not to take actions in response to such notifications, then, notwithstanding other provisions

contained herein, Seller and/or Buyer shall have the right (prior to the expiration of the Due Diligence Period) to terminate this Agreement with no further liability.

Buyer shall give Seller written notice prior to the commencement of any testing or inspections in, on or about the Property, and Seller shall have the right to post Notices of Testing, and/or Notices of Non-responsibility as provided by law. All testing on the Property shall keep the Property free and clear of claims, charges and/or liens for labor and materials, and Buyer shall defend, indemnify and save harmless Seller, its agents and employees from and against any and all claims, demands, damages, costs, losses, expenses (including attorney's fees), judgments or liabilities arising out of, related to, or in connection with any such testing, inspection or entry by Buyer, its partners, officers, directors, members, shareholders, independent contractors, agents or employees (collectively, "Buyer's Agents"). The foregoing indemnification covenant shall survive the Closing and any termination of this Agreement.

Should Buyer decide, for whatever reason, to terminate this Agreement prior to Closing, at Seller's request, any and all reports, including title documents and surveys, inspection reports and government entity responses acquired by the County during its Due Diligence Period shall be passed on to the Seller.

7. TITLE AND DEED: Title to the Property is to be free of all exceptions to title except those expressly approved by Buyer.

Buyer shall have the right to review the preliminary title report and disapprove in writing any items disclosed in said report prior to the close of escrow. Seller shall have fifteen (15) days from receipt of Buyer's notice of disapproval to correct the condition(s) that adversely affect the Property. Failure to correct shall be grounds for termination of this Agreement by Buyer.

Seller may request escrow to be extended for ten (10) days where there is a need for Seller to correct an adverse condition unless Seller refuses to correct such condition or unless correction requires more than ten (10) days in which case escrow shall be extended to the date of refusal or date of correction respectively.

8. REPRESENTATIONS AND WARRANTIES OF BUYER: Buyer represents and warrants to Seller that the following statements are true and correct and shall be true and correct as if originally made on and as of the Closing:

- (a) Buyer has full power and authority to enter into and perform this Agreement and all documents and instruments to be executed by Buyer pursuant to this Agreement (collectively, "Buyer's Documents"); and
- (b) This Agreement has been, and Buyer's Documents will be, duly executed and delivered by Buyer, or by duly authorized officers or representatives of Buyer; and
- (c) No consent, authorization, order or approval of, or filing or registration with, any governmental authority or other person is required for the execution and delivery by Buyer of this Agreement and Buyer's Documents or the consummation by Buyer of the transactions contemplated by this Agreement and Buyer's Documents.

9. REPRESENTATIONS AND WARRANTIES OF SELLER: Seller has offered the Property in an “As-Is, Where Is” condition. Seller represents and warrants to Buyer that the following statements are true and correct and shall be true and correct as if originally made on and as of the Closing:

- (a) Seller has full power and authority to enter into and perform this Agreement and all documents and instruments to be executed by Seller pursuant to this Agreement (collectively “Seller’s Documents”); and
- (b) This Agreement has been, and Seller’s Documents will be, duly executed and delivered by duly authorized officers or representatives of Seller; and
- (c) No consent, authorization, order or approval of, or filing or registration with, any governmental authority or other person is required for the execution and delivery by Seller of this Agreement and Seller’s Documents, or the consummation by Seller of the transactions contemplated by this Agreement and Seller’s Documents; and
- (d) To Seller’s actual knowledge, there is no litigation pending against Seller which, if determined adversely, would have a material adverse effect on the Property or Seller’s right to transfer title to the Property; and
- (e) Seller has not granted any option or right of first refusal or first opportunity to any party other than Buyer to acquire fee interest in the Property.

Seller’s representations and warranties set forth in this Section 9 shall survive the Closing.

From and after the Effective Date, Buyer and Seller shall each immediately advise the other in writing of any information it receives which indicates that a representation or warranty made by Seller in this Section 9 is, or has become, untrue in any material respect. Seller shall have five (5) days from receipt of Buyer’s written notice or from delivery of Seller’s written notice to attempt to remedy the breach or inaccuracy in such representation or warranty. In the event Seller is unwilling or unable to remedy such inaccuracy within such period, Buyer shall have the right, as its sole and exclusive remedy, exercisable by giving written notice to Seller and Escrow Holder within five (5) days after the expiration of Seller’s five (5) day cure period, either (i) to terminate this Agreement, or (ii) to consummate the transaction contemplated by this Agreement. If the Closing is scheduled to occur prior to said notice and curing periods, the Closing shall be delayed to provide for the expiration of both periods at least 5 days prior to the Closing. If Buyer elects to proceed with the Closing after Buyer has received Seller’s written notice of any actual or alleged inaccuracy or breach of Seller’s representations and warranties or after Buyer has discovered any such change in circumstances, then (a) Seller’s representations and warranties shall be deemed revised in accordance with the change in circumstances as disclosed or discovered, (b) Buyer shall have waived any right or remedy concerning such change in circumstances, and (c) Seller shall be fully and forever released and discharged from any liability or obligation with respect to such change in circumstances.

As of closing, Buyer shall have had the opportunity to conduct testing and inspections to confirm independently all information that Buyer considers material to its purchase of the Property or the transaction contemplated by this agreement.

After closing, as between Buyer and Seller, the risk of liability or expense for environmental liabilities, even if arising from events before closing, will be the sole responsibility of Buyer, regardless of whether the environmental liabilities were known or unknown at closing. Once closing has occurred, Buyer indemnifies, holds harmless and releases Seller from liability for any latent defects with respect to the Property and from any liability for environmental liabilities affecting the Property, including liability under the Comprehensive Environmental Response, Compensation, and Liability Act, the Resource Conservation and Recovery Act, and any other Environmental Laws. Buyer holds harmless and releases Seller from any liability for environmental liabilities affecting the Property arising as the result of theories of products liability and strict liability, or under new laws or changes to existing laws enacted after the date of the Agreement that would otherwise impose on sellers in this type of transaction new liabilities for environmental liabilities affecting the Property.

Notwithstanding anything to the contrary herein, Buyer is not waiving any rights that are not waivable under applicable California law.

This paragraph 9 shall survive the close of escrow.

10. TIME OF ESSENCE: Time is of the essence in the performance by the parties in respect to this Agreement.

11. NOTICES: All notices, documents, correspondence, and communications concerning this transaction shall be addressed as set forth below or as either party may hereafter designate by written notice and shall be sent through the United States mail duly registered or certified with postage prepaid. Notwithstanding the above, Buyer may also provide notices, documents, correspondence or such other communications to Seller by personal delivery or by first class mail postage prepaid and any such notices, documents, correspondence and communications so given shall be deemed to have been given upon actual receipt.

If such prevailing party recovers a judgment in any such action, proceeding or appeal, such costs, expenses and attorneys' fees and expenses shall be included in and as a part of such judgment.
