RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, it is sometimes necessary to send County inmates to medical care providers at non-County facilities that do not contract with San Mateo County when the services or procedures they require are not available at a County site; and

WHEREAS, California Assembly Bill 658, enacted July 16, 2015, authorizes hospitals that do not contract for health care services with the county sheriff, police chief, or other public agency to provide health care services to local law enforcement patients and to be reimbursed for such services at a rate equal to 110 percent of the hospital's actual costs; and
