#### RESOLUTION ESTABLISHING SALARIES AND BENEFITS OF UNREPRESENTED MANAGEMENT EMPLOYEES OF THE HOUSING AUTHORITY OF THE COUNTY OF SAN MATEO FOR THE TERM OF OCTOBER 1, 2024, THROUGH SEPTEMBER 30, 2025

---

**RESOLVED**, by the Board of Supervisors, County of San Mateo, State of California, acting as the Governing Board of Commissioners of the Housing Authority of the County of San Mateo ("HACSM"), that

**WHEREAS**, this Governing Board of Commissioners of HACSM desires to establish certain salaries and benefits for unrepresented Management personnel not covered by a Memorandum of Understanding; and

**BE IT RESOLVED** that this Resolution establishes the following benefits for unrepresented Management personnel not covered by a Memorandum of Understanding:

#### **Section 1: Salary and Benefits**

##### 1. Definitions

"Management" shall mean employees in positions so designated by the HACSM Executive Director consistent with HACSM policy. All provisions regarding salary, special compensation during employment and paid leave do not apply to elective officers unless otherwise specified. This Resolution does not apply to Extra Help employees.

##### 2. Retirement

Employees are covered under two defined contribution plans:

- A mandatory participation 401(a) plan which receives contributions from both the employer and employees. For Management employees in the 401(a) plan, the employer contributes 14% of salary per pay period. This

amount represents the total payment due to the plan on behalf of the employees.

- A 457 plan in which employees participate on a voluntary basis. Employee contributions are governed by the 457 Plan description.

### 3. Health, Dental and Vision Insurance

HACSM shall provide health, dental, and vision insurance to Management employees. Employee contributions for health insurance will be 12% of Kaiser premium and 14% of United HealthCare premium.

Family members eligible for coverage shall include spouse, children, children of domestic partner and any other dependent deemed eligible by the health, dental and vision plan provider(s).

### 4. Life Insurance

HACSM shall provide \$75,000 life insurance for employees. The coverage includes an additional \$75,000 for accidental death or dismemberment.

### 5. Long Term Disability Insurance

After 90 days of service, Management employees are eligible for long-term disability benefits. The benefit is two-thirds of the salary after a waiting period of 120 days, with the maximum benefit being \$3,000 per month.

Benefits for psychiatric disabilities that result from stress, depression or other life events are restricted to two years. However, a disability resulting from certain chronic psychotic disorders or a disorder with demonstrable organic brain deficits can qualify for benefits payable up to the age of 65.

### 6. Health, Dental and Vision Insurance After Retirement from HACSM Service

1. Management employees commencing employment **before** October 1, 2014:

The employer will pay to Management employees who retire concurrently with separation from HACSM service one month's premium for the employee and eligible dependents for each eight (8) hours of unused sick leave.

2. Management employees commencing employment **after** October 1, 2014:

The employer will pay to management employees who retire concurrently with separation from HACSM service \$400 toward the premium for one month of the retiree health plan.

Employees who separate from HACSM service without retiring are not eligible for this benefit. On the death of an employee (active or retired) coverage for the spouse, domestic partner, and dependents will continue until the sick leave credits have expired. Retirees or surviving spouses/domestic partner may continue the

insurance, at their own expense, by premium deductions from their retirement warrants after sick leave credits have expired, in accordance with the rules of the respective carriers. When employee or spouse/domestic partner reaches age 65 they must, if eligible, enroll in Medicare which also will be reimbursed by HACSM if sick leave credits are available. In the event the employee has fewer than ninety-six (96) hours of unused sick leave at the time of retirement, the employer will supplement the accruals up to a maximum of ninety-six (96) hours.

#### 7. Administrative Leave Time

Management employees shall receive five (5) hours of administrative leave each pay period. No more than 260 hours of such administrative leave may be accumulated at any one time. Except as provided in the next section, time accruals may only be compensated by being allowed time off.

The annual opportunity to convert administrative leave hours into a cash payment shall be governed by IRS guidance and HACSM policy. The terms of the administrative leave cash out are subject to change at any time at the discretion of the Executive Director or the Housing Board of Commissioners. Any time balance not taken as time off prior to retirement or termination will be cashed out at that time.

#### 8. Leave for Management Employees

The HACSM Executive Director shall have the authority to credit an employee with up to 40 hours of vacation and 48 hours of sick leave in addition to normal vacation and sick leave accrual, provided such credit must be made within 180 days of employment. The HACSM Executive Director shall have the authority to provide to an employee advanced levels of vacation accrual as if the employee had otherwise been working for HACSM the required number of years for the higher accrual rate, provided such credit must be made within 180 days of employment.

#### 9. Bereavement Leave

Management employees will be provided three (3) days with pay at their regular rate for the purpose of arranging for and/or attending the funeral in the event of a death in the immediate family of such employee. It is understood that "immediate family" shall mean spouse, domestic partner, parents, parents-in-law, child, child of domestic partner, son-in-law, daughter-in-law, sibling, siblings-in-law, grandparents, grandparents-in-law, step parents or step children or any relative or dependent residing in the home of the employee at the time of death. HACSM may require that said employee provide proof of death and/or relationship of the deceased. For the purposes of this section, one day is defined as eight (8) hours.

Additional days of bereavement leave will be charged to the management employee's accumulated sick leave or vacation balance or approved leave without pay at the employee's choice.

#### 10. Holidays

Regular full-time employees in established management positions shall be entitled to take all authorized holidays at full pay, not to exceed eight (8) hours for any one (1)

day, provided they are in a full pay status on both their regularly scheduled workdays immediately preceding and following the holiday. Part-time employees shall be entitled to holiday pay in proportion to the average percentage of full-time hours worked during the two (2) pay periods immediately preceding the pay period which includes the holiday. If two or more holidays fall on succeeding or alternate pay periods, then the average full-time hours worked in the two (2) pay periods immediately preceding the first holiday shall be used in determining the holiday pay entitlement for the subsequent holiday.
