CONNECTION TO PUBLIC TRANSIT

An aerial photograph showing a large, multi-level parking lot with numerous parking spaces. The lot is situated next to a modern building with a distinctive, angular, and striped facade. The parking lot is partially filled with cars. To the left of the parking lot is a multi-lane road with a green-painted bike lane. The surrounding area includes some landscaping with trees and shrubs. A blue banner with white text is overlaid on the top right of the image.
