**Supplemental Nutrition Assistance Program Education (SNAP-Ed)
Funding Application Package FFY 2020-2022**

I. INTRODUCTION

Overall Purpose of Funding Application

The Nutrition Education and Obesity Prevention Branch (NEOPB) of the California Department of Public Health (CDPH) is soliciting applications from all Local Health Departments (LHDs) to provide SNAP-Ed allowable nutrition education and obesity prevention activities and interventions for low-income Californians. The negative health effects of obesity and resulting chronic diseases, such as heart disease, high blood pressure, diabetes, arthritis, and some forms of cancer are well-documented. Obesity rates continue to grow and remain high among children, adolescents, and adults. The focus of SNAP-Ed is health promotion to help the SNAP-Ed target audience establish healthy eating habits and a physically active lifestyle and for primary prevention of disease. SNAP-Ed in California through CDPH-NEOPB offers a comprehensive public health approach that enables partners to work together to prevent obesity and serve California's low-income families. The target audience for SNAP-Ed is SNAP-Ed eligible Californians. SNAP-Ed eligible individuals is a label that refers to the SNAP-Ed target audience, specifically SNAP participants and other low-income individuals who qualify to receive SNAP benefits or other means-tested Federal assistance programs. It also includes individuals residing in communities with a significant (50 percent or greater) low-income population. The term "means-tested Federal assistance programs" for the purposes of this Guidance is defined as Federal programs that require the income and/or assets of an individual or family to be at or below 185 percent of the Federal Poverty Guidelines in order to qualify for benefits. There may be additional eligibility requirements to receive these programs, which provide cash and noncash assistance to eligible individuals and families.

California SNAP-Ed is administered by the California Department of Social Services (CDSS) as the oversight agency. CDSS oversees its State Implementing Agencies that consist of the California Department of Public Health (CDPH), University of California CalFresh Nutrition Education Program (UC CalFresh), California Department of Aging (CDA), and Catholic Charities of California, Inc. (CCC). Collectively, these state-level agencies represent the California's five SNAP-Ed State Implementing Agencies (SIAs). SIAs oversee the implementation of local SNAP-Ed programs and services by providing directives, support, and guidance to their respective Local Implementing Agencies (LIAs). As a result of California's state and local structure for SNAP-Ed, services are provided in all but one county in the state (57 of 58 counties).

This application begins the process by which CDPH-NEOPB will prepare a three-year State Plan for SNAP-Ed in collaboration with CDSS and partnering SIAs. The CDPH-NEOPB authority for these grant agreements is vested in the Federal-Healthy Hunger-Free Kids Act of 2010 which established the Nutrition Education and Obesity Prevention Grant Program for eligible low-income individuals. The services in these grant agreements are classified as direct services based on the funding authority. The services have been identified as 100% local assistance funding in our agency's budget

and meet the conditions of State Contracting Manual 3.17. The Grantee will provide nutrition education and conduct obesity prevention activities for SNAP-Ed eligible families. The SNAP-Ed programmatic focus is outlined in the current United States Department of Agriculture (USDA) SNAP-Ed Guidance. The California SNAP-Ed program administered through CDSS is 100 percent federally-funded through the USDA.

II. GENERAL INFORMATION

A. Funding Application Purpose and Objective

CDPH-NEOPB is issuing a funding application request to LHDs or their designated non-profit (classified as 501(c) (3) tax exempt under the Internal Revenue Code) for a three-year grant period from October 1, 2019 to September 30, 2022. CDPH-NEOPB employs a Local Health Department funding model for SNAP-Ed service delivery, and the promotion and protection of health among California's diverse communities. LHDs are sought for their leadership in the practice of public health and policy development. The LHD model of CDPH-NEOPB is endorsed by the United States Department of Agriculture, Western Regional Office (USDAWRO). Funding for each county is based on the county's portion of Californian's total SNAP-Ed eligible population. Approximately \$51 million is available annually, pending annual funding allocations from USDA and CDSS, and final approval from the USDAWRO.

The overall objective is to award funding for work with SNAP-Ed eligible participants to provide evidenced based nutrition education interventions and activities related to improving the nutrition related environment. The target population of the interventions is SNAP-Ed eligible Californians with annual household incomes at or below 185 percent of the Federal Poverty Level (FPL). LHDs are expected to target low-income (i.e. $\geq 50\%$ of persons with household incomes of $\leq 185\%$ of the Federal Poverty Guidelines) and populations who are disproportionately impacted by obesity and chronic diseases related to diet and physical activity. LHDs in counties with ethnic minorities that meet SNAP-Ed qualifications should target interventions for that population in a culturally appropriate manner. In addition, USDA SNAP-Ed has strongly encouraged focusing on women and children in low-income households, to increase the greatest potential impact. Additional audience segments may be the focus of interventions and activities based on a needs assessment.

The priorities for this funding are to: 1) increase access to and consumption of healthy foods and beverages, with an emphasis on increasing consumption of water; 2) decrease access to and consumption of less healthy foods and beverages, with an emphasis on decreasing consumption of Sugar Sweetened Beverages (SSBs); 3) and increase physical activity. All interventions and activities funded through this application must conform to the guidelines set forth in the USDA SNAP-Ed Plan Guidance requirements.

Besides individual and group nutrition education, allowable uses of the funding include comprehensive, multi-level interventions at multiple complementary organizational and institutional levels and community and public health approaches to improve nutrition. All messaging must be consistent with the Dietary Guidelines for Americans (DGA)/MyPlate and cannot include any disparaging language about specific foods, brands or commodities.

B. Funding Amount Timeframe

Approximately \$51M is available each year to fund all Local Health Departments or their designee. Projected funding amounts can be viewed in Attachment 17: FFY2020-2022 SNAP-Ed LHD Funding Projections. Final funding allocation per Local Health Department or their designee will be provided after all Letters of Intent are submitted. The grant period begins on October 1, 2019. Funding for the grants is contingent on the continued availability of annual funds through the California State SNAP-Ed Plan, and subject to USDA SNAP-Ed Plan Guidance requirements.

Successful applicants awarded a grant agreement as a result of this Funding Application Package will be eligible for a three-year grant agreement, beginning on October 1, 2019 and ending September 30, 2022.

Applicants shall submit a three-year Integrated Work Plan (IWP) for Federal Fiscal Year (FFY) 2020 (October 1, 2019-September 30, 2020), FFY 2021 (October 1, 2020-September 30, 2021), and FFY 2022 (October 1, 2021-September 30, 2022) as a part of the California SNAP-Ed IWP submittal process led by CDSS. Applicants shall submit one budget worksheet for FFY 2020. Detailed budgets for FFY 2021 and 2022 will be collected annually through the annual State Plan process. The three-year grant agreement will be for the total cumulative amount projected for LHD funding for FFY 2020-2022 (reference Attachment 17: FFY2020-2022 SNAP-Ed LHD Funding Projections).

C. Reporting Income Targeting Data

All CDPH-NEOPB-funded programs must provide income targeting data for the populations that are served with USDA SNAP-Ed funding. The income targeting data source will verify that the target audience meets the USDA SNAP-Ed funding guidelines, which is at or below 185% Federal Poverty Level (FPL). The CDPH-NEOPB Geographic Information System (GIS) mapping tool is available to assist in identifying qualifying census tract data. Submit targeting information on the SNAP-Ed FFY 2020-2022 Site List (Form 4).

D. Who May Apply

Applicants must be California Local Health Departments or a Local Health Department's designated agency; that meet all of the following criteria:

- Operate within the county they authorize to serve;
- Provide proof of non-profit status as part of the response to the Funding Application Request (for example, a copy of your signed 501(c) (3) IRS form);
- Address nutrition education and obesity prevention strategies through policy, systems, and environmental strategies, when and where applicable; including promoting access to healthyfood;
- Demonstrate experience or capacity to provide SNAP-Ed services to identified eligible individuals and families;

F. Mandatory, Non-Binding Letter of Intent

CDPH-NEOPB must receive a mandatory, non-binding Letter of Intent from all applicants by 4:00 pm (PST) on June 29, 2018. See Section III. Application Instructions, A. Mandatory, Non-Binding Letter of Intent for more information.

G. Submission of Application

CDPH-NEOPB reserves the right to reject any or all applications and/or cancel the grant agreement made under this funding application request. Acceptance of an application is subject to negotiations of an agreement between CDPH-NEOPB and the applicant organization.

All materials submitted in response to this Funding Application Package will become the property of CDPH-NEOPB at the time the application is received.

All applicants agree that in submitting an application they authorize CDPH-NEOPB to verify any or all claimed information.

All applications must be complete when submitted. CDPH-NEOPB reserves the right to contact applicants during any application evaluation phase to clarify the content of the application and negotiate changes.

If any clarifications or modifications to this Funding Application Package are necessary, all questions and answers, addenda, or changes will be posted on the **CDPH-NEOPB Website**.

It is the responsibility of applicants to check the website frequently to keep updated regarding clarifications or changes to the Funding Application Package.

I. Grant Agreement Award Process

Awarded Grant Agreements will be executed by September 30, 2019 for work to begin on October 1, 2019. CDPH-NEOPB reserves the right to fund any or none of the applications submitted.

Awards will be made to Local Health Departments, or their designee whose applications are determined to be technically complete, whose professional qualifications and experience meet the terms of the Funding Application Package. The selection process may include a request for additional information to support the application. In addition, telephone interviews and/or site visits may take place between the selection processes, grant agreement negotiations, and grant agreement award dates.

III. APPLICATION INSTRUCTIONS

A. Mandatory, Non-binding Letter of Intent

Prospective applicants who intend to submit an application are required to indicate their intention to submit an application. Failure to submit the mandatory, non-binding Letter of Intent will result in application rejection. The mandatory Letter of Intent is non-binding and prospective applicants are not required to submit an application merely because a Letter of Intent is submitted. Use the Letter of Intent form found in section V. Forms and Attachments.

Submitting a Mandatory, Non-Binding Letter of Intent

The mandatory, non-binding Letter of Intent must be received by 4:00pm (PST) on June 29, 2018. See Section V. Forms and Attachments for letter template.

B. Application Content

The Funding Application Package is available on the [CDPH-NEOPB Website](#).

Any application that does not comply with these requirements will be considered non-responsive and will not be reviewed. A checklist, found in Section V. Forms and Attachments, SNAP-Ed FFY 2020-2022 Application Checklist, is provided to assist with submitting a complete application in a coordinated order.

LHDs should reference Attachment 18: Local Health Department Deliverables when submitting application materials to ensure all deliverables can be met.

C. Description of Each Section of the Application

1. Programmatic Projections Form – NEW THIS YEAR!

To support local and state level planning and programming, all LHDs are required to complete the Programmatic Projections Form to accompany application by April 2, 2019, ~~March 15, 2019~~. The form will provide a high-level snapshot of individual LHD work inclusive of work planned for projected numbers of Domains, Settings, and Policy, Systems, and Environmental Change (PSE) Strategies. Use the Programmatic Projections Form located in Section V: Forms and Attachments.

2. Programmatic Priorities

LHDs will use the FFY 2020-2022 California SNAP-Ed Programmatic Priorities to guide the development of LHD specific activities. The minimum work expected per LHD is dependent upon the projected base funding amounts for FFY 2020, and the enactment of the Healthy Hunger-Free Kids Act of 2010. In addition, the depth, complexity, number of activities and interventions that LHDs propose from the Programmatic Priorities, as well as the number of Domains and Settings in which the LHD works, should be appropriate for and align with each LHD’s funding level. The following table details the work LHDs must complete based on Funding Tier:

Table 1: LHD components of the local Integrated Work Plan Funding Tier

<u>Tier 1</u>	<u>Tier 2</u>	<u>Tier 3</u>	<u>Tier 4</u>	<u>Tier 5</u>

Refer to Section V. Forms and Attachments, Attachments 16-17 for additional information regarding FFY 2020-2022 SNAP-Ed Local Health Department Programmatic Priorities and FFY 2020-2022 SNAP-Ed LHD Funding Projections.

3. Site List

CDPH-NEOPB SNAP-Ed funded programs must provide income targeting data for the populations that are served with USDA SNAP-Ed funding. The incometargeting data source will verify that proposed SNAP-Ed services are being provided in approved settings and communities and the primary audience members have annual household incomes at or below 185 percent of the Federal Poverty Level (FPL). CDPH-NEOPB requires LHDs to submit a completed SNAP-Ed FFY 2020-2022 Site List (Site List) as part of the FFY 2020-2022 Funding Application Package to indicate the sites/locations where applicants plan to conduct SNAP-Ed activities as part of their CDPH-NEOPB grant agreements. The Site List should be comprehensive and include only the sites in which applicants plan to conduct SNAP-Ed activities over the three-year term of the grant agreement as noted in their FFY 2020-2022 Integrated Work Plans(IWP).

The Site List is a snapshot of the sites in which SNAP-Ed activities are occurring and provides information about each CDPH-NEOPB SNAP-Ed-funded program for the California State SNAP-Ed Plan, facilitates collaboration among LHDs and other partners, and is used to respond to inquiries and questions asked by other State agencies and partners. The Site List will be submitted annually as part of the annual State Plan and will include site changes made by LHDs during each designated fiscal year.

The Site List provides a place for applicants to enter information to verify sites have been qualified by an Approved Targeting Methodology. USDA/WRO has verified the following Approved Traditional Targeting Methodologies:

- **Census Tract/Census Block Group Data:** Census tract areas or Census Block Groups and other defined areas where at least 50 percent of persons have gross incomes that are equal to or less than 185 percent of the Federal Poverty Level (FPL). CDPH-NEOPB has provided the most current American Communities Survey (ACS) datasets in a modified, user-friendly format in Attachments ~~7-10b: ACS 2011-2016~~ ~~4-10: ACS 2010-2016~~ **Census Tracts and Census Block Groups and ACS 2013-2017 Census Tracts and Census Block Groups as they become available.**
 - Applicants are required to use the most current ACS data to qualify eligible census tracts at or below 185 of the FPL. Intervention sites may qualify by census tract or census blocks. If the intervention site does not qualify by census tract, census block data may be used.
 - For the purpose of completing the Site List as part of the FFY 2020-2022 Funding Application Package, the following three most current ACS datasets are available for use in qualifying and adding new sites to the Site List: ~~ACS 2010-2014~~, ~~ACS 2011-2015~~, and ~~ACS 2012-2016~~, **ACS 2013-2017**. New qualifying ACS datasets may become available each fiscal year and a list of the most current datasets can be

found on the [CDSS SNAP-Ed SharePoint](#).

- When adding sites to the Site List, applicants are encouraged to use the most current datasets first for qualifying sites, then moving to the next listed datasets only if sites do not qualify under the more current data.
 - If the SNAP-Ed activity is targeting a specific race/ethnicity, then a specific race/ethnicity may be used to qualify the site. The ACS datasets noted above may be used in those instances. To use this data, the site must have at least 50 percent of the identified audience fall within the selected race/ethnicity category and this race/ethnicity category must be checked off in Section A: Overview, 3b. Target Audience, Ethnicity and Race in the agency's FFY 2020-2022 IWP.
 - The [CDPH-NEOPB Geographic Information System \(GIS\)](#) mapping tool. GIS mapping system may be used to identify eligible census tracts for intervention sites as well.
- **Free and Reduced Price Meal (FRPM) Percentage Data:** Schools where at least 50 percent of children in the school receive free and reduced priced meals are considered eligible. All school sites qualified by FRPM or Child and Adult Care Food Program (CACFP) data must be entered on the FRPM Percentage Data Sheet. CDPH-NEOPB has provided the most current FRPM Data from the California Department of Education (CDE) in a modified, user-friendly format in Attachment 3: FRPM 2017-2018.
 - If a school site cannot be qualified using the FRPM data provided and more current FRPM data for the school site would qualify the school, the Food Service Director of the site may be contacted to obtain the most current FRPM data. If the more recent Food Service data qualifies the school site, this information must be included on the Site List. The backup documentation from the Food Service Director (email, letter) verifying the more recent data must be kept on file by the LHD and be made available upon request.
 - If a school cannot be qualified by FRPM or CACFP data, another option is to qualify the school location by census tract using the Census Tract Data methodology as noted above.
 - **Means-Tested Settings:** Means-Tested Settings are qualified by the population they serve and not by their physical location. These sites offer a high likelihood of reaching individuals eligible for SNAP-Ed. No additional income targeting data is needed for these delivery sites unless otherwise noted. A list of Means-Tested Settings can be found within Attachment 12: USDA WRO Targeting Methodologies Summary.

If a site cannot be qualified by the Approved Traditional Targeting Methodologies referenced above, alternative methods may be considered. A list of proposed Alternative Methods for qualifying sites is compiled on an annual basis and submitted to USDA/WRO as part of the SNAP-Ed State Plan process. If an Alternative Method is used to qualify a site, additional supporting documentation is required to justify the methodology and to show it will yield superior results to Traditional Methodologies in terms of serving the low-income

FFY2020-2022 Funding Application Package Page 10

population. Alternative Methodologies require approval from USDA/WRO before SNAP-Ed interventions can occur in these sites. Once approved, all documentation must be kept on file by the LHD and made available upon request. Complete instructions on qualifying a site using an Alternative Targeting Methodology are available on the [CDSS SNAP-Ed SharePoint](#) site within the SNAP-Ed Site Change Notification Process Instructions for Alternative Methodologies document.

The qualified Alternative Targeting Methodologies are compiled each fiscal year into the USDA/WRO Targeting Methodologies Summary and posted on the CDSS SNAP-Ed SharePoint site for reference. A list of current USDA/WRO Targeting Methodologies can be found in Attachment 12: USDA WRO Targeting Methodologies Summary.

Per USDA and CDSS guidance, more than one Local Implementing Agency (LIA) (e.g., CDPH, CDA, UC CalFresh, CCC, and CDSS) may deliver Direct Education (DE) interventions at the same site provided they are working with a different target audience and with the understanding that only one LIA is reporting the reach for the DE audience. A qualified site can have multiple DE interventions with separate and distinct audiences, implemented by the same or different LIA(s), as long as each LIA serves a different target audience and there is only one DE intervention for each target audience. With regards to the DE intervention strategies, State Implementing Agencies (SIAs) are required to track and report unduplicated participants and contacts in the Education and Administrative Reporting System (EARS) form.

A qualified site can have a mix of strategies and work plan activities conducted at the same site and potentially at the same time. However, the mix of strategies and activities can include only one DE activity bundle per target audience per site as noted above. It is possible to include one or more additional PSE strategies and activities regardless of the target audience. For example, a mix of PSE change activities could be implemented by more than one LIA across multiple IWP activity categories and target audiences at the same site to ensure a collaborative and comprehensive approach is received at the site. LIAs are expected to collaborate and coordinate during the development of their IWPs to ensure there are no duplicative activities at the same site. It is important to stress that all SNAP-Ed activities should be complementary, collaborative, and comprehensive in approach and should be conducted to strengthen the overall SNAP-Ed work within the jurisdiction. For more information, refer to [CDSS SNAP-Ed Program Directive 17-03: California's SNAP-Ed Site Utilization Policy and Procedure](#).

Complete instructions for the Site List will be provided along with the final Site List template as posted on the Resources Page on the [CDSS SNAP-Ed SharePoint](#) Site.

4. Budget

A budget workbook for FFY 2020 outlining the projected cost of the LHD component of the local SNAP-Ed IWP must be submitted by **April 22, 2019** ~~March 15, 2019~~. A budget template will be provided for applicant use (FFY 2020 Budget will be posted on CDSS SNAP-Ed SharePoint site).

Detailed instructions for completing the budget workbook will be available on the CDSS SNAP-Ed SharePoint site. Additional information and resources are available within the CDPH-NEOPB Administrative Guidelines Manual (AGM).

Grantees must adhere to USDA, CDSS, and CDPH-NEOPB deadlines in order to meet required timely submission of the California SNAP-Ed State Plan and supporting grant and deliverables. Failure to comply with the timeline will cause lengthy delays in the contracting process or loss of the opportunity to receive an agreement with CDPH-NEOPB.

In addition, Grantees will be required to adhere to the CDPH-NEOPB AGM and any Program Letters throughout the year.

5. Subgranting

Subgranting is an expectation and CDPH-NEOPB expects LHDs receiving over \$400,000 annually to subgrant at least 30% of their total budget to adequately and appropriately reach each county's diverse population. Subgrantees should be chosen based on their ability to complete the LHD components of the local Integrated Work Plan working with school-based organizations (SBOs), community based organizations (CBOs), and local cities with a high proportion of low-income Californians

6. Staffing

The size and expertise of the LHD staff will depend in large part on the funding level. Language-specific and cultural competencies are needed for reaching California's diverse population, along with skills in marketing, health promotion, community engagement, business, organizational-level and community-level public health approaches. It is recommended that LHD staff reference the tier-based Core Competencies for Public Health Professionals when staffing appropriate SNAP-Ed funded positions. Funded LHDs are expected to meet the following staffing positions and/or expertise:

- One full-time Project Director. The Project Director is expected to have a Masters in Public Health (MPH), an equivalent degree, or three years' experience as a Public Health Project Director.
- Nutrition expertise (Registered Dietitian, R.D.) is expected to be part of the staffing of this grant or the LHD should have access to a R.D., should the Project Director not have this expertise. A minimum of one 0.5 full time equivalent (FTE) is strongly recommended.
- Access to evaluation expertise to ensure ongoing and as needed competence for evaluating program effectiveness.
- Adequate fiscal and administrative support.

7. Grantee Information

Applicants must ensure that the information provided is up to date on the Grantee Information Form (GIF). An updated GIF is to be provided to the assigned Contract Manager if any changes occur throughout the grant term.

8. Letter of Agreement or Memorandum of Understanding (when applicable)

If SNAP-Ed activities are provided in conjunction with other federally funded nutrition education programs, then a letter of agreement is required to delineate the responsibilities of each program in order to demonstrate collaboration and prevent supplantation. In addition, all SNAP-Ed activities that address the topic of breastfeeding must be planned and implemented in collaboration with the State Women, Infant, and Children (WIC) agency and State Breastfeeding Coordinator. The WIC Program should have the lead and primary role in all breastfeeding activities with SNAP-Ed supplementing existing WIC activities. A written agreement such as an Inter-Agency Agreement or Memorandum of Understanding stating the degree of collaboration and the specific responsibilities of WIC (i.e., staff, duties, and time) and SNAP-Ed shall be signed by all collaborating agencies and maintained for inspection. SNAP-Ed can advance breastfeeding in its programming through such activities as working on lactation policies and promotion at low-wage work sites, child care facilities, or other community venues.

IV. OTHER APPLICANT INFORMATION

A. Project Reporting

Funded projects will be required to submit a Biannual Progress Report consisting of a Mid-Year Report due April 15 and Year End Report at the end of each Federal Fiscal Year due October 15 for each year of the three-year grant period. These reports are due to the CDPH-NEOPB Project Officer assigned to the Grantee.

A detailed description of reporting requirements for evaluation are listed below:

□ **PEARS:**

LHDs must use the online Program Evaluation and Reporting System (PEARS) to provide information necessary to complete the federally required Education and Administrative Reporting System (EARS) reporting, as well as to report additional program and evaluation activities and outcomes of interest to California SNAP-Ed. PEARS is designed to link data with local, state, and national objectives, allowing CDPH-NEOPB and LHDs to more effectively measure and report program impact. LHDs will report their activities in the following PEARS modules:

- **Program Activities**

LHDs must report all direct education activities in the Program Activities module. Direct education takes place when a participant is actively engaged in the learning process with an educator and/or interactive media within an evidence-based intervention. Program Activities entries require session dates and length, participant demographics, and information about program objectives.

- **Indirect Activities**

LHDs must report all distribution of information and resources, including any mass communications, community events, interviews, advertisements, and materials distributions that are not considered direct education or social marketing in the Indirect Activities module.

- **PSE**

LHDs must use the PSE module to track efforts to make policy, system, and environment (PSE) changes at all stages from planning to maintenance. This module should be completed for all sites and organizations that are involved in SNAP-ED supported PSE efforts.

- **Success Stories**

LHDs must submit at least one PSE-related success story annually. The story should relate to PSE efforts that happened during the Federal Fiscal Year in which it took place and follow the Success Story Instructions provided by CDPH-NEOPB.

- **Partnerships**

LHDs must use this module to report any site level (e.g., elementary school), organization (e.g., school district), or complementary site partnerships activity during a reporting year. Active partnerships may include two or more individuals or organizations who regularly meet, exchange information, identify and implement mutually reinforcing activities that will contribute to organizational changes or policies.

- **Coalitions**

LHDs must use this module to report any multi-sector coalition activities during a

reporting year. This may include County Nutrition Action Partnerships (CNAPs) or other relevant collective impact initiatives.

All PEARS reporting must be completed during the Federal Fiscal Year (October 1 – September 30) to which it relates.

□ **Assessment Tool Data**

Site level assessment tools are intended to assist with program planning and can be useful to assess changes in institutional policies and practices over time. Assessment tools for priority settings are being developed, including tools for schools, early childhood education sites (ECE), and out-of-school programs.

All LHDs must complete an annual assessment of all sites where they are doing site-level PSE SNAP-Ed work in all settings for which standardized assessment tools are made available. LHDs with a larger number of site-level PSE sites within a setting may work with a state-level evaluation liaison to develop a sampling methodology. LHDs will start using the assessment tools in spring of 2020 and annually thereafter each spring. Assessments do not need to be conducted at sites that only host education and do not plan to make any other changes in support of SNAP-Ed goals. CDPH-NEOPB will provide the tools on an annual basis.

□ **Impact and Outcome Evaluation (IOE)**

All LHDs at Tier 3 or above, must evaluate at least one intervention in a LEARN Setting. LHDs must collect pre and post behavioral outcome data on both intervention and comparison groups using common tools (alternative designs can be considered upon request). LHDs must use standard assessment tools in intervention and comparison sites prior to intervention implementation, and document intervention efforts in PEARS and any other reporting form determined by CDPH-NEOPB. LHDs are encouraged to evaluate their most potentially impactful intervention that should include both education and PSE components. Technical assistance will be available throughout the year to ensure the guidelines are applied to produce valid evaluation results as well as to fit unique situations.

Additional Provisions

- 2) An instance where the Grantee's or any subgrant's employees, officers, or directors use their positions for purposes that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as those with whom they have family, business or other ties.
- C. If CDPH is or becomes aware of a known or suspected conflict of interest, the Grantee will be given an opportunity to submit additional information or to resolve the conflict. A Grantee with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by CDPH to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by CDPH and cannot be resolved to the satisfaction of CDPH, the conflict will be grounds for terminating the grant. CDPH may, at its discretion upon receipt of a written request from the Grantee, authorize an extension of the timeline indicated herein.

4. Dispute Resolution Process

- A. A Grantee grievance exists whenever there is a dispute arising from CDPH's action in the administration of an agreement. If there is a dispute or grievance between the Grantee and CDPH, the Grantee must seek resolution using the procedure outlined below.
- 1) The Grantee should first informally discuss the problem with the CDPH Program Grant Manager. If the problem cannot be resolved informally, the Grantee shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Grantee's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Grantee. The Branch Chief shall respond in writing to the Grantee indicating the decision and reasons therefore. If the Grantee disagrees with the Branch Chief's decision, the Grantee may appeal to the second level.
 - 2) When appealing to the second level, the Grantee must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. The Grantee shall include with the appeal a copy of the Grantee's original statement of dispute along with any supporting evidence and a copy of the Branch Chief's decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief's decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Grantee to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Grantee within twenty (20) working days of receipt of the Grantee's second level appeal.
- B. If the Grantee wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Grantee shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Division 2, Chapter 2, Article 3 (commencing with Section 1140) of the California Code of Regulations).

In addition, this Grant is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms or funding of this Grant in any manner.

- a. The Grantee will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. The Grantee will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The Grantee agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or CDPH, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state the Grantee's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

- c. The Grantee will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Grantee's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- f. In the event of the Grantee's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Grantee may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Grantee will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or CDPH may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Grantee becomes involved in, or is threatened with litigation by a subGrantee or vendor as a result of such direction by CDPH, the Grantee may request in writing to CDPH, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

(6) Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

- c. If the Grantee is unable to certify to any of the statements in this certification, the Grantee shall submit an explanation to the CDPH Program Contract Manager.
- d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.

For breach or violation of this warranty, CDPH shall have the right to annul this Grant without liability or in its discretion to deduct from the Grant price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

- (2) Each recipient shall file a disclosure (in the form set forth in Attachment 2, entitled "Standard Form-LLL 'disclosure of Lobbying Activities'") if such recipient has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered federal action) in connection with a grant or any extension or amendment of that grant, which would be prohibited under Paragraph b of this provision if paid for with appropriated funds.
- (3) Each recipient shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affect the accuracy of the information contained in any disclosure form previously filed by such person under Paragraph a(2) herein. - (5) All disclosure forms (but not certifications) shall be forwarded from tier to tier until received by the person referred to in Paragraph a(1) of this provision. That person shall forward all disclosure forms to CDPH Program Contract Manager.

b. Prohibition

Section 1352 of Title 31, U.S.C., provides in part that no appropriated funds may be expended by the recipient of a federal contract or agreement, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered federal actions: the awarding of any federal contract or agreement, the making of any federal grant, the making of any federal loan, entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract or agreement, grant, loan, or cooperative agreement.

7. Additional Restrictions

Grantee shall comply with the restrictions under Division F, Title V, Section 503 of the Consolidated Appropriations Act, 2012 (H.R. 2055), which provides that:

“SEC. 503.(a) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body, except in presentation to the Congress or any State or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government, except in presentation to the executive branch of any State or local government itself.

(b) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

(c) The prohibitions in subsections (a) and (b) shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control.”

8. Human Subjects Use Requirements

(Applicable only to federally funded agreements in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this Agreement, Contractor agrees that if any performance under this Agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

9. Financial and Compliance Audit Requirements

By signing this Agreement, the Contractor/Subcontractor agrees to abide by all requirements specified in 2 CFR 200, *et seq.*, 2 CFR 400, *et seq.*, and 45 CFR, 75, *et seq.*, as applicable, including but not limited to obtaining an annual audit, and any subsequent federal regulatory additions or revisions.

- a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.
- b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code section 38030).
- c. The Contractor, as indicated below, agrees to obtain one of the following audits:
 - (1) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives \$25,000 or more from any State agency under a direct service contract or agreement; the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (2) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement, the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, **and/or**
 - (3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined in 2CFR Part 200) and expends \$750,000 or more in Federal awards, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in 2CFR Part 200. An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
 - (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or
 - (b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.
 - (4) If the Contractor submits to CDPH a report of an audit other than a single audit, the Contractor must also submit a certification indicating the Contractor has not expended \$750,000 or more in federal funds for the year covered by the audit report.
- d. Two copies of the audit report shall be delivered to the CDPH program funding this Agreement. The audit report must identify the Contractor's legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the CDPH Program Contract Manager shall forward the audit report to CDPH's Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.

- e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor's total revenue. The CDPH program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

10. Audit and Record Retention

(Applicable to agreements in excess of \$10,000.)

- a. The Contractor shall maintain books, records, documents, and other evidence, accounting procedures and practices, sufficient to properly reflect all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement, including any matching costs and expenses. The foregoing constitutes "records" for the purpose of this provision.
- b. The Contractor's facility or office or such part thereof as may be engaged in the performance of this Agreement and his/her records shall be subject at all reasonable times to inspection, audit, and reproduction.
- c. Contractor agrees that CDPH, the Department of General Services, the Bureau of State Audits, or their designated representatives including the Comptroller General of the United States shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (GC 8546.7, CCR Title 2, Section 1896).
- d. The Contractor shall preserve and make available his/her records (1) for a period of three years from the date of final payment under this Agreement, and (2) for such longer period, if any, as is required by applicable statute, by any other provision of this Agreement, or by subparagraphs (1) or (2) below.

- (1) If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of three years from the date of any resulting final settlement.
 - (2) If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later.
- e. The Contractor shall comply with the above requirements and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in Public Contract Code § 10115.10, if applicable.
 - f. The Contractor may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, or other data storage medium. Upon request by an authorized representative to inspect, audit or obtain copies of said records, the Contractor and/or Subcontractor must supply or make available applicable devices, hardware, and/or software necessary to view, copy and/or print said records. Applicable devices may include, but are not limited to, microfilm readers and microfilm printers, etc.
 - g. The Contractor shall, if applicable, comply with the Single Audit Act and the audit reporting requirements set forth in Title 2 of the Code of Federal Regulations, Part 200 (2CFR Part 200).

11. Federal Requirements

Grantor agrees to comply with and shall require all subgrantees, if any, to comply with all applicable Federal requirements including but not limited to the United States Code, the Code of Federal Regulations, the Funding Opportunity Announcement, the Notice of Award, the funding agreement, and any memoranda or letter regarding the applicable Federal requirements.
