# Proposal for a Mini-NOFA before AHF 13.0

- **SOURCE: Recover funds from AHF 12.0 awards** in which project did not meet award conditions for applying for and receiving tax credits in July and August 2024.
- **TIMING:** Instead of waiting until Spring 2025 for AHF 13.0, make any such recovered AHF 12.0 funds available in a **“mini-NOFA” in December 2024/January 2025.**
- **BENEFIT:** Target the Mini-NOFA to projects that, with County funding, would be **ready to apply for first round of 2025 housing tax credit funding** (expected February and March 2025—before the AHF 13.0 expected schedule).
