## San Mateo County Immigrant Relief Fund

Immigrants are working on the front lines of the COVID-19 crisis, risking their health and well-being every day to keep our society going. And yet, many immigrants were left out of the CARES Act relief. The San Mateo County Immigrant Relief Fund - initially funded by a generous contribution from John A. and Susan Sobrato - is providing financial support to immigrant families left out of the federal government's relief efforts. Immigrant families may be eligible to receive a \$1,000 grant to help in this time of crisis.
