

RESOLUTION NO. 080707

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA ACTING AS THE GOVERNING BOARD OF THE FAIR OAKS SEWER MAINTENANCE DISTRICT

* * * * *

RESOLUTION CERTIFYING THE INITIAL STUDY/MITIGATED NEGATIVE DECLARATION, DATED AUGUST 2024, FOR THE FAIR OAKS SEWER MAINTENANCE DISTRICT SANITARY SEWER TRUNK LINE REPLACEMENT PROJECT

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, acting as the Governing Board of the Fair Oaks Sewer Maintenance District (District), that

WHEREAS, on August 5, 2014, this Board adopted Resolution No. 073304, re-certifying the Sewer System Management Plan (SSMP) for the ten County Sewer Maintenance and Sanitation Districts; and

WHEREAS, this Board also directed the Director of Public Works to implement and periodically update the revised SSMP as necessary to comply with current regulatory requirements and best practices; and

WHEREAS, periodic visual and closed-circuit television inspections of manholes and sewer pipes in the District are included in the SSMP as part of a system for ranking the condition of sewer pipes and scheduling rehabilitation work; and

WHEREAS, on February 9, 2016, this Board adopted Resolution No. 074349 authorizing the President of this Board to execute an agreement with Coastline Water Resources, Inc. for the completion of the Fair Oaks Sewer Maintenance District Closed Circuit Television Pipeline and Manhole Inspection Project (Inspection Project); and

WHEREAS, through the Inspection Project and analysis of the information, it was determined that based on the pipe conditions, age, debris and flow capabilities six segments of the District's 33-inch concrete trunk sewer line near Hwy 101 and Woodside Road should be replaced; and

WHEREAS, the Department of Public Works retained Michael Baker International, Inc. to develop plans and specifications and prepare the necessary environmental clearance documents to replace the above-mentioned segments of the trunk sewer line identified as the Fair Oaks Sewer Maintenance District Sanitary Sewer Trunk Line Replacement Project (Project); and

WHEREAS, an Initial Study/Mitigated Negative Declaration (IS/MND) for the Project was prepared in August 2024; and

WHEREAS, in compliance with Section 21081.6 of the California Public Resources Code, a Mitigation Monitoring and Reporting Program (MMRP) has been prepared pursuant to the IS/MND having identified potential adverse effects that will be reduced to less-than-significant levels through the implementation of mitigation measures during construction; and

WHEREAS, a 30-day public review of the IS/MND was conducted in compliance with the provisions of the California Environmental Quality Act (CEQA); and

WHEREAS, responses to all comments received have been prepared and this Board has reviewed and considered said responses; and

WHEREAS, certification of the IS/MND completes the CEQA process for the Project.

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED as follows:

1. This Board of Supervisors has reviewed and considered the IS/MND, and on the basis of the record as a whole, confirms that the IS/MND is adequate for its use by this Board, and on the basis of this review and consideration, there is no substantial evidence that the Project will have a significant effect on the environment if mitigated as set forth in the MMRP and this Board hereby confirms its certification of the IS/MND.
2. The Board of Supervisors hereby adopts the Response to the IS/MND Comments and the MMRP attached hereto as Exhibit A and Exhibit B, respectively, and incorporated by reference in this resolution and commits to all mitigation measures identified in the IS/MND and contained in the Response to IS/MND Comments and MMRP.
3. The Board of Supervisors of the County of San Mateo hereby certifies this IS/MND and approves this Project.
