C. Modifications to the allocations in Paragraph A of this Exhibit B may be approved by the Chief of San Mateo County Health or designee, subject to the maximum amount set forth in Paragraph 3 of this Agreement.

D. In the event that funds provided under this Agreement are expended prior to the end of the contract period, Contractor shall provide ongoing services under the terms of this Agreement through the end of the contract period without further payment from County.

E. In the event this Agreement is terminated prior to June 30, 2024, Contractor shall be paid on a prorated basis for only that portion of the contract term during which Contractor provided services pursuant to this Agreement. Such billing shall be subject to the approval of the Chief of San Mateo County Health or designee.

F. Disallowances that are attributable to an error or omission on the part of County shall be the responsibility of County. This shall include but not be limited to quality assurance (QA) audit disallowances as a result of QA Plan error or format problems with County-designed service documents.

G. Monthly Invoice and Payment

1. Contractor shall bill County on or before the tenth (10th) working day of each month following the provision of services for the prior month. The invoice shall clearly summarize direct and indirect services (if applicable) for which claim is made.

a. Direct Services/Claims

Completed Service Reporting Forms or an electronic services file will accompany the invoice and provide back-up detail for the invoiced services. The Service Reporting Forms will be provided by County, or be in a County approved format, and will be completed by Contractor according to the instructions accompanying the Service Reporting Forms. County reserves the right to change the Service Report Forms, instructions, and/or require the Contractor to modify their description of services as the County deems necessary. The electronic services file shall be in the County approved Avatar record format.

b. Indirect Services/Claims (if applicable)

Indirect services (services that are not claimable on the Service Reporting Form or electronically) shall be claimed on the invoice and shall be billed according to the guidelines specified in the contract.

2. Payment by County to Contractor shall be monthly. Claims that are received after the tenth (10th) working day of the month are considered to be late submissions and may be subject to a delay in payment. Claims that are received 180 days or more after the date of service are considered to be late claims. County reserves the right to deny invoices with late claims or claims for which completed service reporting forms or electronic service files are not received. Claims may be sent to:

County of San Mateo
Behavioral Health and Recovery Services
Attn: Contract Unit
2000 Alameda de las Pulgas, Suite 280
San Mateo, CA 94403

- H. County anticipates revenues from various sources to be used to fund services provided by Contractor through this Agreement. Should actual revenues be less than the amounts anticipated for any period of this Agreement, the maximum payment obligation and/or payment obligations for specific services may be reduced at the discretion of the Chief of San Mateo County Health or designee.
- I. In the event Contractor claims or receives payment from County for a service, reimbursement for which is later disallowed by County or the State of California or the United States Government, then Contractor shall promptly refund the disallowed amount to County upon request, or, at its

option, County may offset the amount disallowed from any payment due or become due to Contractor under this Agreement or any other agreement.

J. County May Withhold Payment

Contractor shall maintain all pertinent documentation required for audit purposes. Documentation will demonstrate that clients were present in the program for a minimum of 50% of the program day. Contractor shall meet quarterly with County contract monitor, as designated by the BHRS, to review documentation and billing reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. County may withhold payment when pertinent documentation is not provided at the time Contractor submits an invoice for payment.

K. Inadequate Performance

If County or Contractor finds that performance is inadequate, at the County's discretion, a meeting may be called to discuss the causes for the performance problem, to review documentation, billing and/or other reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. This Agreement may be renegotiated, allowed to continue to end of term, or terminated pursuant to Paragraph 5 of this Agreement. Any unspent monies due to performance failure may reduce the following year's agreement, if any.

L. Election of Third-Party Billing Process

Contractor shall select an option for participating in serial billing of third-party payors for services provided through this Agreement through the completion of Attachment C – Election of Third Party Billing Process. The completed Attachment C shall be returned to the County with the signed Agreement. Based upon the option selected by the Contractor the appropriate following language shall be in effect for this Agreement.

1. Option One

- a. Contractor shall bill all eligible third-party payors financially responsible for a beneficiary's health care services that Contractor provides through this Agreement. Within ten (10) days of the end of each month, Contractor shall provide to County copies of the Explanation of Benefits or other remittance advice for every third-party payment and/or denial of such third-party payments for services provided by Contractor during such month. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph O of this Exhibit B.

County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third-party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement, through the Cost Report reconciliation.

- b. Contractor shall provide a copy of each completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this Agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

2. Option Two

- a. Contractor shall provide information to County so that County may bill applicable other third-parties before billing Medi-Cal for services provided by Contractor through this Agreement. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.
- b. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

M. Beneficiary Billing

Contractor shall not submit a claim to, demand or otherwise collect reimbursement from, the beneficiary or persons acting on behalf of the beneficiary for any specialty mental health or related administrative services provided under this contract except to collect other health insurance coverage, share of cost and co-payments. The Contractor shall not hold beneficiaries liable for debts in the event that the County becomes insolvent, for costs of covered services for which the State does not pay the County, for costs of covered services for which the State or the County does not pay the Contractor, for costs of covered services provided under this or other contracts, referral or other arrangement rather than from the County, or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a beneficiary with an emergency psychiatric condition.

N. Claims Certification and Program Integrity

1. Contractor shall comply with all state and federal statutory and regulatory requirements for certification of claims, including Title 42, Code of Federal Regulations (CFR) Part 438, Sections 438.604, 438.606, and, as effective August 13, 2003, Section 438.608, as published in the June 14, 2002 Federal Register (Vol. 67, No. 115, Page 41112), which are hereby incorporated by reference.
2. Anytime Contractor submits a claim to the County for reimbursement for services provided under Exhibit A of this Agreement, Contractor shall certify by signature that the claim is true and accurate by stating the claim is submitted under the penalty of perjury under the laws of the State of California.

The claim must include the following language and signature line at the bottom of the form(s) and/or cover letter used to report the claim.

“Under the penalty of perjury under the laws of the State of California, I hereby certify that this claim for services complies with all terms and conditions referenced in the Agreement with San Mateo County.

O. Cost Report/Unspent Funds

1. Contractor shall submit to County a year-end cost report no later than ninety (90) days after the end of the fiscal year. Cost reports shall include accounting for all services provided through the Agreement for each applicable period, and separate accountings for 1) FSP services, 2) one-time expenditures, and 3) flexible funds, as applicable. Cost reports shall be in accordance with the principles and format outlined in the Cost Reporting/Data Collection (CR/DC) Manual. Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report shall be submitted along with the Cost Report.

As applicable, Contractor shall also submit to County a year-end Single Audit report with the Cost Report.

2. If the annual Cost Report provided to County shows that total payment to Contractor exceeds the total actual costs for all of the services rendered by Contractor to eligible patients during the reporting period, a single payment in the amount of the contract savings shall be made to County by Contractor, unless otherwise authorized by the BHRS Director or designee. By mutual agreement of County and Contractor, contract savings or “unspent funds” may be retained by Contractor and expended the following year, provided that these funds are expended for SUD services approved by County and are retained in accordance with the following procedures.
 - a. Contractor shall submit a summary calculation of any savings ninety (90) days after end of the fiscal year. The summary calculation will be a separate report from the year-end cost report. With the summary calculation Contractor shall return the amount of the savings.
 - b. At the time of the submission of the summary calculation Contractor may request to rollover some or all of any savings. The request must be made in writing to the BHRS Director or designee. The request shall identify specifically how the rollover funds will be spent, including a detailed budget. Savings shall not be spent until Contractor receives a written approval of the request. Approved rollover funds shall be spent only for the succeeding fiscal year and only for the specific purpose(s) requested and approved.
 - c. Contractor shall submit an accounting report of the rollover savings. This report shall include copies of the detailed expenses. The report is due ninety (90) days after the specific purpose has been completed, or ninety (90) days after the end

of the fiscal year, whichever comes first. Any unspent rollover funds shall be returned to the County with the accounting report.

- d. If the specific purpose is not yet complete as of the end of the succeeding fiscal year, contractor may request to rollover the unspent funds to the succeeding second fiscal year by submitting a written request with the accounting report. The unspent rollover funds shall not be spent until the request is approved by the BHRS Director or designee.
- e. A final accounting of the rollover funds shall be submitted ninety (90) days after the specific purpose has been completed, or ninety (90) days after the end of the second fiscal year, whichever comes first. Any unspent rollover funds shall be returned to the County with the accounting report.
