five consecutive years immediately preceding the proposed vacation.

WHEREAS, County staff has contacted and confirmed with the local public utility agencies and companies operating in the vicinity of the Property that there are no in-place public utility facilities that are in use within the Public Service Easement and that such agencies and companies have no objection to the County's proposed vacation of the Public Service Easement.

WHEREAS, the Board of Supervisors' execution of the accompanying Quitclaim Deed and Agreement, as executed by the owners of the Property, and recordation thereof, shall have the effect of permanently extinguishing the County's proprietary interest in the Public Service Easement and remove the Public Service Easement from title to the Property.
