COUNTY FOR RAPID RESPONSE LEGAL SERVICES**

This Agreement ("Agreement") is entered into as of the Effective Date (defined herein) by and between the County of San Mateo, a political subdivision of the state of California (the "County"), and the Legal Aid Society of San Mateo County ("Contractor") (County and Contractor may be collectively referred to herein as "Parties" and individually as "Party").

\* \* \*

WHEREAS, the County by resolution of its Board of Supervisors in 2018 entered into an agreement with Contractor to provide rapid response legal services under the Removal Defense Legal Services agreement, through which Contractor provides legal assistance to San Mateo County residents facing imminent threats such as detention and deportation ("Project"); and

WHEREAS, the Parties entered into a Fourth Amendment to the contract with the Legal Aid Society of San Mateo County to provide such removal defense services, including rapid response legal services, for a two-year term of July 1, 2023, through June 30, 2025; and

WHEREAS, the Project continues to serve a public purpose and its continuation is in the public interest, and County wishes to utilize funds generated by the County's ½ cent sales tax ("Measure K Funds") to fund specified services relating to the Project; and

WHEREAS, subject to the terms and condition of this Agreement, the Parties desire to enter into this new, restructured Agreement by which Contractor will continue to provide rapid response services in connection with the Project, separate from the removal defense services, for a one-year term commencing July 1, 2025, in the amount set forth herein for use exclusively for eligible expenses incurred in connection with the Project.

NOW, THEREFORE, it is agreed by the Parties to this Agreement as follows:

These funds shall not be used for any other purpose without the prior written consent of the County.
- b. Contractor agrees that at no time will any Measure K Funds be used: (i) to attempt to influence the outcome of any specific public election, or to participate in, or intervene in (including the

publishing or distributing of statements) any political campaign on behalf of (or in opposition to) any candidate for public office; (ii) to attempt to influence the selection, nomination, election or appointment of any individual to any public office or office in a political organization within the meaning of Internal Revenue Code Section 527(e)(2); and/or (iii) for any activity that is in violation of federal, state, or local law or any effort to induce or encourage violations of law or public policy.

#### **4. Payment.**

In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, County shall make payment to Contractor in the manner specified in Exhibit B. County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. In no event shall County's total fiscal obligation under this Agreement exceed Five Hundred Thirty-three Thousand Nine Hundred Sixty-Four Dollars and Zero Cents (\$533,964.00). Contractor shall only use the funds for the purposes set forth above in Section 3. In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this Agreement.

#### **5. Contractor's Representations and Warranties**

Contractor represents and warrants the following:

- a. Contractor shall ensure that the Project during the term of this Agreement serves eligible residents. Contractor shall provide services for the Project in compliance with applicable law and regulations.
- b. Any services provided under this Agreement involving the practice of law shall only be provided by attorneys currently authorized to practice law in the State of California, and Contractor shall be exclusively responsible for managing any attorney-client relationship established in providing such services under this Agreement, and shall comply with all applicable rules and regulations, including the California Rules of Professional Conduct.
- c. Contractor has full power, authority, and legal right to execute and deliver this Agreement and all other agreements, documents, and instruments contemplated hereby or thereby and to incur and perform its obligations hereunder and thereunder.
- d. Contractor is not in default under or in violation of any indenture or agreement to which it is a party or by which it is bound, or any order, regulation, ruling, or requirement of a court or other public body or authority. No creditor has given Contractor a notice or threatened to give it any notice of default under any material agreement. No event has occurred and is continuing, and no condition exists that would constitute an event of default or an event which, with the lapse of time or the giving of notice, or both, would become an event of default.
- e. No action, suit or proceeding (and to its knowledge, no investigation) is pending against Contractor before any court or administrative agency, (i) the outcome of which, by itself or taken together with other such litigation, would be reasonably expected to have a material adverse effect on Contractor's business, assets, operations, or financial condition, or (ii) which purports to affect the legality, enforceability, or validity of this Agreement.

- f. Contractor is in material compliance with all federal, state and local laws, rules, regulations, ordinances, and orders applicable to it, including, without limitation, all applicable health and safety, environmental, and building and zoning laws.
- g. Contractor will submit an IRS W-9 Form to the County and such other documentation as reasonably requested by the County to facilitate disbursement of the funds under this Agreement.

Contractor agrees to provide records sufficient to substantiate its representations and warranties upon the County's request. Contractor understands and agrees that the foregoing representations and warranties are material to the County's approval of the Agreement.

## **6. Contract Materials**

At the end of the Agreement, or in the event of termination, all finished or unfinished reports prepared by Contractor under this Agreement shall become the property of County and be promptly delivered to County. Contractor will also provide County a copy of any general outreach/educational materials generated by Contractor under this Agreement together with a non-exclusive, irrevocable grant of license to use such materials in the future. Contractor shall retain exclusive ownership and responsibility for any documents created in connection with the provision of individual legal services, and shall retain such documents in compliance with applicable legal requirements.

## **7. Relationship of Parties**

- a. Contractor agrees and understands that the services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees. The Contractor acknowledges and agrees that it is not, and will not hold itself out as, an agent, partner, or co-venturer of the County, and that this Agreement is not intended to and does not create an agency, partnership, or joint venture between the Parties. This Agreement is entered into for the sole benefit of the Parties and is not for the benefit of, nor may any provision hereof, be enforced by any other person or entity; thus, nothing contained herein or in the Parties' course of dealings shall be construed as conferring any third-party beneficiary status on any person or entity not a party to this Agreement.
- b. Contractor agrees to cooperate and assist with effective monitoring by the County to ensure compliance with all terms and conditions of this Agreement and applicable law and its implementing rules, regulations, reporting, and recordkeeping requirements, including, without limitation, by making itself available for and cooperating with audits and on-site reviews and timely completing applicable close-out requirements.

## **8. Term & Termination**

Subject to compliance with all terms and conditions, the term of this Agreement shall commence on July 1, 2025, and continue in effect through June 30, 2026, subject to all Contractor reporting/auditing obligations under the Agreement, which shall survive the Agreement and be due as set forth herein. This Agreement will not automatically renew, nor shall it create any reliance on the possibility of future Project funding.

County may suspend and/or terminate this Agreement if Contractor fails to comply with the terms of this Agreement (including breach of any representation and warranty provided herein) and may, in its sole discretion, withhold or cancel pending and future payments and/or require Contractor to return some or all payments made for performance periods in which Contractor was in breach of this Agreement.

This Agreement may be terminated by Contractor or by the County Executive Officer or his/her designee at any time without a requirement of good cause upon thirty (30) days' advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement for cause. In order to terminate for cause, absent exigent circumstances, County will first give Contractor notice of the alleged breach. Contractor shall have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. If Contractor fails to cure the breach within this period, County may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that County provides notice of an alleged breach pursuant to this section, County may, under exigent circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. County has sole discretion to determine what constitutes exigent circumstances for purposes of this paragraph, and County shall use reasonable judgment in making that determination.

Notwithstanding anything to the contrary in this Agreement, this Agreement is subject to and contingent upon applicable budgetary appropriation by the County's Board of Supervisors for each fiscal year during the term of the Agreement. If such appropriations are not approved, this Agreement will be terminated without penalty to the County. Contractor acknowledges that funding or portions of funding for this Agreement may also be contingent upon the receipt of funds from, and/or appropriation of funds by the State of California and/or the federal government. If such funding and/or appropriations are not forthcoming, or are otherwise limited, the County may immediately terminate or modify this Agreement without penalty. Such termination shall be effective upon delivery of notice as provided in Section 19 specifying the termination date.

#### **9. Duty to Defend, Indemnify and Hold Harmless**

Pursuant to Government Code Section 895.4, Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services funded under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

- (A) injuries to or death of any person, including as to Contractor or its respective employees/officers/agents;
- (B) damage to any property of any kind whatsoever and to whomsoever belonging;
- (C) any sanctions, penalties, or claims of damages resulting from the Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and

Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended;

(D) any claims of professional negligence arising out of the Contractor’s provision of legal services or other professional services under this Agreement; or

(E) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor’s duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

**10. Insurance**

**a. General Requirements**

Contractor shall not commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County’s Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, or adequate proof of self-insurance pursuant to Government Code Section 989, *et seq.*, if applicable, and there shall be a specific contractual liability endorsement extending their coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates (or equivalent proof of statutory self-insurance) shall specify or be endorsed to provide that thirty (30) days’ notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

**b. Workers’ Compensation and Employer’s Liability Insurance**

Contractor shall have in effect during the entire term of this Agreement workers’ compensation and employer’s liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work funded under this Agreement.

**c. Liability Insurance**

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work under this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor’s operations under this Agreement, whether such operations be by Contractor, any contractor, anyone directly or indirectly employed by them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

- (a) Comprehensive General Liability..... \$1,000,000

- (b) Motor Vehicle Liability Insurance.....\$1,000,000
- (c) Professional Liability..... \$1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further payment under this Agreement.

#### **11. Assignability and Subcontracting**

In providing Project Services, Contractor may partner with the legal service organizations identified in Exhibit A. This Agreement shall not create a contractual relationship between County and the Contractor's partnered legal service organizations, and such Contractor partners shall not be third-party beneficiaries to this Agreement. Contractor shall be solely responsible for ensuring that their partnered legal service organizations comply with the requirements of this Agreement.

Contractor shall not otherwise assign or subcontract this Agreement or any portion of it to a third party, or partner with any legal service organization that is not identified in Exhibit A without the prior written approval of the County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice and the County shall have the right to a refund of all payments made under this Agreement for any performance period while Contractor was in breach of this requirement.

#### **12. Compliance With Laws**

All services to be performed by Contractor in connection with this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to Title 8 of the U.S. Code and the Federal Regulations promulgated thereunder, the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, and provisions pertaining to confidentiality of records. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement. Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

#### **13. Non-Discrimination and Other Requirements**

##### **a. General Non-discrimination**

No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

**e. Discrimination Against Individuals with Disabilities**

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

**f. History of Discrimination**

Contractor certifies that no finding of discrimination has been issued in the past 365 days against Contractor by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against Contractor within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Contractor shall also report to the County the filing by any person in any court any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity

Such notification to County shall include a general description of the allegations and the nature of specific claims being asserted. Contractor shall provide County with a statement regarding how it responded to the allegations within sixty (60) days of its response and shall update County regarding the nature of the final resolution of such allegations.

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Executive Officer, including but not limited to the following:

- i. termination of this Agreement;
- ii. disqualification of the Contractor from being considered for or being awarded a County contract for a period of up to 3 years;
- iii. liquidated damages of \$2,500 per violation; and/or
- iv. imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Executive Officer.

To effectuate the provisions of this Section, the County Executive Officer shall have the authority to offset all or any portion of the amount described in this Section against amounts due to Contractor under this Agreement or any other agreement between Contractor and County.

The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply unless this Agreement's total value listed in the Section titled "Payments", exceeds two-hundred

thousand dollars (\$200,000); Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value exceeds that threshold amount.

### **Exhibit A- Project Services**

In consideration of the payments set forth in Exhibit B, Contractor shall provide the following Project Services:

Faith in Action Bay Area (FIABA) coordinates San Mateo County's Rapid Response Network and provides a comprehensive dispatch, information and referral, and social and material support coverage in San Mateo County. FIABA provides referrals for shelter, housing, food, and other safety net resources. To help dispel rumors and misinformation about immigration enforcement activities, FIABA trains community members to observe and confirm immigration enforcement activity and accompany residents to ICE check-ins and hearings, as requested. FIABA trains community leaders to provide outreach presentations and increase awareness of the Rapid Response Hotline and inform residents understanding their constitutional rights.

When calls require attorney activation, the dispatcher completes an intake with the caller and alerts the Emergency Response or Urgent Response attorney. The attorney response is designed to educate, consult with, and assist a potential target of immigration enforcement with the full exercise of their legal rights under the law.

#### *Emergency Response*

FIABA activates emergency attorney response when an individual has been detained by ICE. The emergency response is designed to avail the individual of any available legal options to prevent immediate deportation, obtain the person's release if possible, and provide a consultation on legal options. The expectation for emergency activations is that the attorney will respond immediately upon receipt of an alert. Often support for the detained individual continues beyond the initial 24-48 response window and into the following weeks. Emergency response may include limited scope legal services such as requests for reasonable fear interview, bond requests, motions to reopen, appeals, and stay motions.

#### *Urgent Response*

FIABA activates urgent attorney response when an individual is at imminent risk of detention. For example, the caller has a scheduled ICE check-in, ICE went to the caller's home or workplace and is expected to return, or ICE recently detained someone, and their family members, co-workers, or community members are at risk of collateral arrest. Urgent response covers situations where the caller's family member was detained yet emergency response is not warranted because the person has been transferred to a detention center. The on-call urgent response attorney is expected to contact the caller within 48 hours. The urgent response attorney provides a legal consultation. Urgent response may include limited scope legal services such as requests for reasonable fear interview, bond requests, motions to reopen, appeals, and stay motions.

#### *Technical Assistance*

FIABA and its legal service partners provide technical assistance to FIABA staff, to provide accurate information to the community through the hotline and their texting platform.

#### *Volunteer Coordination, Accompaniment, and Family Support*

The FIABA volunteer and family support coordinator will train, coordinate, and mentor ICE enforcement observers and accompaniment volunteers, and FIABA leaders handling outreach presentations. The

coordinator will track requests for accompaniment at ICE check-ins and hearings, manage outreach requests, and coordinate material support to families when the primary earner has been detained. Accompaniment volunteers communicate important details to the volunteer coordinator, who will follow up with the family and coordinate FIABA's family support services.

FIABA's staff actively guides volunteer observers through the confirmation process while they are on the ground. The same is true for accompaniment: a FIABA staff member actively guides volunteers while at an ICE check in or a court hearing. Volunteers are present on the ground, and a FIABA staff person guides them while they are doing the work. FIABA staff handles the preparation to coordinate and support the resident before they have to show up at their ICE check-in or hearing, explain the role of accompaniment, and connect them to the volunteers.

In addition, FIABA staff follows up directly with the family members impacted by a detention, in person, to do an assessment of need. FIABA staff conducts in person visits a couple of times per month to support the family members. The volunteer coordinator will coordinate family support services.

Contractor will partner with FIABA to provide rapid response legal services in support of the Rapid Response Network as specified below.
