PROCLAMATION DESIGNATING SEPTEMBER 17, 2024 AS

National Voter Registration Day

WHEREAS, the exercise of American democracy is carried out in part through the conduct of a democratic process of electing representatives to voice the concerns of the people, and individuals participate in our democracy by registering to vote; and

WHEREAS, eligible citizens shall not be prevented from registering to vote or barred from the right to vote by their ethnicity, gender, sexual orientation, age or disability, nor through a test of land ownership, literacy or fluency; and

WHEREAS, to encourage voter registration, the State of California allows the pre-registration of 16 and 17-year old residents; and
