AND ESCROW INSTRUCTIONS

THIS REAL ESTATE PURCHASE AND SALE AGREEMENT AND ESCROW INSTRUCTIONS ("Agreement") is made and entered into as of the 6th day of July, 2023 (the "Effective Date"), by and between Ramkabir LLC., a California Corporation ("Seller"), and the County of San Mateo, a political subdivision of the State of California ("Buyer"). Buyer and Seller may also be referred to in this Agreement together as "Parties" and separately as "Party".

WITNESSETH:

In consideration of the mutual covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. AGREEMENT TO PURCHASE AND SELL. Seller hereby agrees to sell to Buyer and Buyer hereby agrees to purchase from Seller the following described property in accordance with the terms and conditions of this Agreement:

b. Property shall be delivered by Seller, unoccupied, with all fixtures, furniture and equipment existing on the Property used in Seller's hotel operations existing at the time of execution of this Agreement and described on **EXHIBIT B**, attached hereto and incorporated herein by this reference. **EXHIBIT B** shall be executed and delivered to escrow by Seller concurrently with the Grant Deed transferring title to the Property. Buyer shall execute and deliver a copy of the same **EXHIBIT B** to escrow concurrently with a Certificate of Acceptance to be recorded with the Grant Deed, accepting title to the Property.

c. Buyer agrees that Seller is selling the Property "As Is" in its current condition. Buyer is basing its decision to buy based on its investigation. Buyer agrees that Buyer undertakes to be aware at close of escrow of all applicable zoning and other governmental requirements applying to the Property and agrees to purchase the Property in such condition. Seller represents that it knows of no facts materially affecting the desirability of the Property which are known or accessible only to it and not known to, or within the reach of the diligent attention and observation of, the Buyer.

2. SALE AND PURCHASE PRICE. Subject to the terms and conditions contained in this Agreement, Buyer agrees to purchase from Seller, and Seller agrees to sell to Buyer, fee ownership of the Property, subject to the following:

a. The total purchase price for the Property shall be THIRTY-THREE MILLION

DOLLARS AND ZERO CENTS (\$33,000,000.00).

b. Upon final execution by Buyer, Buyer shall return a duplicate original of this Agreement to Seller, and shall open escrow pursuant to Section 3 below, and shall deliver to the Escrow Holder a copy of this Agreement.

c. Escrow shall be open for a period of ONE HUNDRED AND EIGHTY (180) days to allow Buyer to complete its investigation of the Property, and to satisfy all conditions described herein (the "Due Diligence Period").

d. During the Due Diligence Period, Buyer may, in its sole and absolute discretion, elect to terminate this Agreement based upon any of the following:

- i. **Review of Title Matters.** Buyer's purchase of the Property under this Agreement shall be subject to review and approval of a final title report of the condition of title to the Property, including copies of all documents referred to therein and any and all other documents relating to title. Buyer shall identify in writing any exceptions to title that must be removed prior to closing.
- ii. **Review of Physical Condition, Due Diligence.** Buyer's purchase of the Property under this Agreement shall be subject to Seller's delivery to Buyer for Buyer's review all material information in its possession, including but not limited to, environmental reports and notices, seismic/structural studies, permits and approvals, surveys, floor plans, property condition assessments and other building reports, notices of violation, or any other documents that are of significance to the Property and are known by Seller, or that Buyer may reasonably request. Buyer and its agents shall have reasonable access to the Property to conduct tests and perform due diligence investigations. Buyer shall hold Seller harmless for any damage caused by Buyer's entry. Buyer shall not perform any invasive testing without Seller's prior written consent, which shall not be unreasonably withheld. Any physical conditions of the property discovered shall not form a basis to modify the Purchase Price.
- iii. **Review of Contracts and Other Matters.** Buyer's purchase of the Property under this Agreement shall be subject to review and approval of all contracts or other facts and circumstances affecting the Property and its intended use, including any third-party leases and service or maintenance contracts, which shall be completed within sixty (60) days of receipt of documents.
- iv. **CEQA/Environmental Report(s).** Buyer's purchase of the Property under this Agreement shall be subject to the content of a report of the purchase's conformity with the applicable general plan pursuant to California Government Code Section 65402 and/or a California Environmental Quality Act (CEQA) analysis, as may be required.

- v. **FF&Es.** Buyer's purchase of the Property under this Agreement shall be subject to review and approval of the list of fixtures, mechanical systems, furniture and equipment existing on the Property and/or used in Seller's hotel operations, existing at the time of execution of this Agreement and described on **EXHIBIT B** hereof.
- vi. **Availability of funds.** Buyer's purchase of the Property under this Agreement shall be contingent upon Buyer receiving sufficient funds through the Homekey Program for purchase of the Property.
- e. Within thirty (30) days of the opening of escrow, Seller will deliver to the Escrow Holder the Grant Deed which has been duly executed and acknowledged by Seller, in a form approved by Buyer.
- f. At least one (1) day prior to the close of escrow, Buyer shall deposit with the Escrow Holder a Certificate of Acceptance for the Property which has been executed by Buyer, in substantially the same form shown on **EXHIBIT C**, attached hereto and incorporated herein by reference, and the purchase price plus costs of pro-rations, fees, and expenses pursuant to this Agreement.
- g. Satisfaction of any CEQA requirements for this transaction as determined by Buyer, and final approval of this Agreement by the County Board of Supervisors in a noticed public meeting and appropriation of funding by the County Board of Supervisors are express conditions precedent to Buyer's duty to purchase.

3. **ESCROW AND OTHER FEES:** Within three (3) days following the execution of this Agreement by Seller and Buyer, Buyer shall open escrow at Old Republic Title Company, in Los Altos, California, or at such other escrow company as may be agreed to by Seller and Buyer ("Escrow Holder"); with escrow instructions to be based upon the terms and conditions set forth herein, and Buyer shall deliver a copy of this Agreement to the Escrow Holder. On behalf of Buyer, the San Mateo County Executive, or designee, shall execute the necessary escrow instructions and/or additional documents which may be required to complete the closing of this real property transaction. This Agreement shall become part of the escrow and shall constitute the basic instructions and documents as are reasonably required to complete the closing of the transaction contemplated herein, in accordance with the terms and conditions of this Agreement. In case of conflict between this Agreement and any related escrow documents, the terms of this Agreement shall control.

The Closing under this Agreement shall be on or before February 1st, 2024 (the "Closing Date"). If the parties hereto mutually agree in writing to an earlier or later date, a minimum of 60 days notice of intended closing shall be provided. The "Closing" is defined for the purposes of this Agreement as the satisfaction of all conditions herein stated, except those conditions that may be, and in fact are waived by an express written waiver duly executed by the waiving party; and the recordation of a Grant Deed and Certificate of Acceptance which shall vest title to the Property in Buyer, and the deposit of the Purchase Price by Buyer into escrow.

A

Escrow, title, and other fees shall be paid as follows:

- i. Buyer and seller shall each pay their share of escrow and title fees as customary in the County of San Mateo.
- ii. Seller shall pay any and all costs including recording fees, relating to the removal of any debt on the property and any title defects.
- iii. A Standard California Land Title Association owner's policy of title insurance covering the Property shall be paid for by Buyer, in favor of Buyer in the amount of the Purchase Price subject to all of the title exceptions that may be permitted by Buyer.
- iv. Buyer shall pay for any additional title insurance coverage that may be required by Buyer, including any extended or ALTA coverage or endorsements to such policy requested by Buyer (to the extent available) together with the cost of any survey obtained by Buyer.
- iv. Insurance premiums (if any) shall not be prorated. All existing insurance policies (if any) shall be canceled at time of Closing and Buyer acknowledges and agrees that Seller cannot endorse any such existing insurance policies to Buyer.
- v. The following shall be prorated between Buyer and Seller as of 12:01 a.m. Pacific Time on the day upon which Closing occurs, on the basis of the actual number of days during the month in which the Closing occurs: utility charges, and any other matters typically prorated in the area where the Property is located shall be prorated between Seller and Buyer as of the Closing. Seller shall provide reasonable documentation to support the above items. Seller shall pay all general and special real property taxes, transfer occupancy taxes, and special assessments ("Taxes") in totality prior to closing.
- vi. Unless otherwise agreed, the following items shall be paid current and prorated between Buyer and Seller as of Close of Escrow: real property taxes and assessments, interest, all general and special real property taxes, transfer occupancy taxes, and special assessments ("Taxes") in totality prior to closing.
- vii. Seller shall terminate franchise agreement on or before close of escrow and deliver property free of such obligations.

Escrow Holder shall be obligated as follows:

- i. To provide current preliminary title reports covering the Property, at Buyer's expense.
- ii. To record prior to Closing, the Grant Deed and the Certificate of Acceptance

to be recorded concurrently, vesting title to the Property in Buyer.

- iii. To issue or have issued to Buyer the California Land Title Association policy of title insurance required herein, and any alternative or extended coverage desired by Buyer.
- iv. To provide Buyer a final closing statement with certification by the title company.
- v. To provide Seller with funds due to Seller at close of escrow.

4. **COMMISSION:** It is understood that Buyer represents itself in this transaction and that any commission paid to any agent or broker representing Seller in this transaction shall be paid by Seller. Buyer shall not be responsible for the payment of any real estate commission and Seller shall indemnify, defend, and hold Buyer harmless and free from and against any and all claims, liabilities, costs, and expenses arising from any broker's commission or finder's fees.

5. **GOOD FAITH DISCLOSURE BY SELLER:** Seller shall make a good faith disclosure to Buyer of any and all facts, findings, or information known to Seller about the Property, including without limitation those relating to: historical uses; prior permitted uses; current uses including, but not limited to, express or implied contracts, leases and/or permits; geological conditions; biological conditions; archaeological sites; flood hazard area(s); special studies zones; zoning reports; environmentally hazardous material such as dioxins, oils, solvents, waste disposal, gasoline tank leakage, pesticide use and spills, herbicide use or spills or any other substances and/or products of environmental contamination. Any and all facts or information known by Seller concerning the condition of the Property shall be delivered to Buyer no later than thirty (30) days following Buyer's execution of this Agreement.

If such facts or information provided by Seller disclose conditions that adversely affect the continued or contemplated use of the Property, and that Buyer reasonably deems unacceptable, or if Buyer otherwise discovers such facts or information through tests and/or surveys which disclose such conditions, and Seller is unwilling or unable to correct such conditions to the reasonable satisfaction of Buyer or any governmental body having jurisdiction, then Buyer may, at its sole option, terminate this Agreement. Within ten (10) business days of actual receipt of said disclosure information, Buyer shall notify Seller of the conditions it deems unacceptable and the corrections desired and request Seller, at Seller's expense, to correct the condition(s) affected thereby to the reasonable satisfaction of Buyer and/or any governmental body having jurisdiction. Failure to so correct shall be grounds for termination of this Agreement.

Seller shall provide Buyer, within thirty (30) days of the opening of escrow, copies of all as-built drawings, diagrams, specifications, etc., in Seller's possession or reasonably obtainable by Seller. Seller shall also provide Buyer with copies of all property, fixture and equipment inspections, equipment warranties, and any other information in the possession of Seller or reasonable obtainable by Seller that would assist Buyer in determining the condition of the Property, premises, fixtures or equipment.

6. **INSPECTION BY BUYER:** Buyer, upon not less than 24-hour notice to the Seller, shall have the right of entry onto the Property to conduct such non-invasive and non-intrusive inspections and testing thereon as are, in Buyer's sole discretion, necessary to reasonably determine the condition of the Property. The scope of any such testing or inspection which requires physical sampling of all or any part of the Property shall be subject to:

- a. The prior written approval of Seller, which approval shall not be unreasonably withheld by Seller.
- b. Seller's receipt of a certificate of insurance evidencing any insurance coverage reasonably required by Seller pursuant to this Section 6.
- c. The requirement that Buyer conduct all such inspections and testing, including the disposal of samples taken, in accordance with applicable law and at no cost or liability to Seller. Buyer shall complete such inspections and testing within the Due Diligence Period and shall restore all areas of the Property to its pre-test and pre-inspection condition as near as is practicable except that Buyer may elect in lieu of such restoration to close on the Property and acquire the Property subject to damage caused by such inspection. Nothing in this subsection shall operate to compel Buyer to close on the Property or assume the cost of damage to the Property caused by forces other than the inspections and testing performed pursuant to this subsection.

If any toxins or contaminants are discovered on the Property, Buyer shall notify Seller immediately, and Seller shall have the right, but not the responsibility, to take any actions in response to such notifications that it deems necessary in its sole and absolute discretion. If Seller elects not to take actions in response to such notifications, then, notwithstanding other provisions contained herein, Seller and/or Buyer shall have the right (prior to the expiration of the Due Diligence Period) to terminate this Agreement with no further liability.

Buyer shall give Seller written notice prior to the commencement of any testing or inspections in, on or about the Property, and Seller shall have the right to post Notices of Testing, and/or Notices of Non-responsibility as provided by law. All testing on the Property shall keep the Property free and clear of claims, charges and/or liens for labor and materials, and Buyer shall defend, indemnify and save harmless Seller, its agents and employees from and against any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of, related to, or in connection with any such testing, inspection or entry by Buyer, its partners, officers, directors, members, shareholders, independent contractors, agents or employees.

7. **TITLE AND DEED:** Title to the Property is to be free of liens, encumbrances, restrictions, conditions, rights to possession or claims thereto (recorded and/or unrecorded) known to Seller, except:

- a. All covenants, conditions, restrictions, and reservations of record approved by Buyer.
- b. All easements or rights-of-way over the Property for public or quasi-public utility or public street purposes, if any, approved by Buyer.

c. All exceptions contained in the preliminary title report as may be approved by Buyer.

Buyer shall have the right to review the preliminary title report and disapprove in writing any items disclosed in said report prior to the close of escrow. Seller shall have thirty (30) days from receipt of Buyer's notice of disapproval to correct the condition(s) that adversely affect the Property. Failure to correct shall be grounds for termination of this Agreement by Buyer.

Seller may request escrow to be extended for ten (10) days where there is a need for Seller to correct an adverse condition unless Seller refuses to correct such condition or unless correction requires more than ten (10) days in which case escrow shall be extended to the date of refusal or date of correction respectively.

8. REPRESENTATIONS AND WARRANTIES OF BUYER: Buyer represents and warrants to Seller that the following statements are true and correct and shall be true and correct as if originally made on and as of the Closing:

(a) Buyer has full power and authority to enter into and perform this Agreement and all documents and instruments to be executed by Buyer pursuant to this Agreement (collectively, "Buyer's Documents");

(b) this Agreement has been, and Buyer's Documents will be, duly executed and delivered by Buyer, or by duly authorized officers or representatives of Buyer; and

(c) except as otherwise set forth herein, no consent, authorization, order, or approval of, or filing or registration with, any governmental authority or other person is required for the execution and delivery by Buyer of this Agreement and Buyer's Documents or the consummation by Buyer of the transactions contemplated by this Agreement and Buyer's Documents.

9. REPRESENTATIONS AND WARRANTIES OF SELLER: Seller represents and warrants to Buyer that the following statements are true and correct and shall be true and correct as if originally made on and as of the Closing:

(a) Seller has full power and authority to enter into and perform this Agreement and all documents and instruments to be executed by Seller pursuant to this Agreement (collectively "Seller's Documents");

(b) this Agreement has been, and Seller's Documents will be, duly executed and delivered by duly authorized officers or representatives of Seller;

(c) no consent, authorization, order or approval of, or filing or registration with, any governmental authority or other person is required for the execution and delivery by Seller of this Agreement and Seller's Documents, or the consummation by Seller of the transactions contemplated by this Agreement and Seller's Documents;

(d) to Seller's actual knowledge, there is no litigation pending or threatened against Seller which, if determined adversely, would have a material adverse effect on the Property or Seller's right to transfer title to the Property;

(e) Seller has not granted any option or right of first refusal or first opportunity to any party other than Buyer to acquire fee interest in the Property;

(f) To Seller's actual knowledge, the Property is not in violation of any federal, state, local or administrative environmental laws or requirements relating to industrial hygiene, environmental conditions or hazardous materials;

(g) To Seller's actual knowledge, the Property does not consist of any landfill or contain any underground storage tanks; and

(h) To Seller's actual knowledge, the improvements do not consist of any asbestos-containing materials or building materials that contain any other hazardous material or lead-based paints; there has been and is no release of any hazardous material in the Improvements or in, on, under or about the Property; and the Property is not subject to any claim by any governmental regulatory agency or third party related to the release of any hazardous material, and there is no inquiry by any governmental agency (including, without limitation, the California Department of Toxic Substances Control or the Regional Water Quality Control Board) with respect to the presence of hazardous material in the improvements or in, on, under or about the Property, or the migration of hazardous material from or to other real property, that has not been disclosed to Buyer.

Seller's representations and warranties set forth in this Section 9 shall survive the Closing. As used in this Agreement, "Seller's actual knowledge" means the current, actual knowledge of Seller, without duty to investigate and shall not include constructive knowledge or knowledge that Seller could have obtained through investigation or inquiry. No broker, agent, or party other than Seller is authorized to make any representation or warranty for or on behalf of Seller.

From and after the Effective Date, Buyer and Seller shall each immediately advise the other in writing of any information it receives which indicates that a representation or warranty made by Seller in this Section 9 is, or has become, untrue in any material respect. Seller shall have five (5) days from receipt of Buyer's written notice or from delivery of Seller's written notice to attempt to remedy the breach or inaccuracy in such representation or warranty. In the event Seller is unwilling or unable to remedy such inaccuracy within such period, Buyer shall have the right, as its sole and exclusive remedy, exercisable by giving written notice to Seller and Escrow Holder within five (5) days after the expiration of Seller's five (5) day cure period, either (i) to terminate this Agreement, or (ii) to consummate the transaction contemplated by this Agreement. If the Closing is scheduled to occur prior to said notice and curing periods, the Closing shall be delayed to provide for the expiration of both periods at least 5 days prior to the Closing. If Buyer elects to proceed with the Closing after Buyer has received Seller's written notice of any actual or alleged inaccuracy or breach of Seller's representations and warranties or after Buyer has discovered any such change in circumstances, then (a) Seller's representations and warranties shall be deemed revised in accordance with the change in circumstances as disclosed or discovered, (b) Buyer shall have waived any right or remedy concerning such change in circumstances, and (c) Seller shall be fully and forever released and discharged from any liability or obligation with respect to such change in circumstances.
