b. **Intellectual Property Indemnification**

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Contractor shall maintain for review and audit and supply to County and/or DHCS upon request, adequate documentation of all expenses claimed pursuant to this Intergovernmental Agreement to permit a determination of expense allowability.

If the allowability or appropriateness of an expense cannot be determined by County or DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles and generally accepted governmental audit standards, all questionable costs may be disallowed by County or DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may be made for the amount substantiated and deemed allowable. Invoices, received from a Contractor and accepted and/or submitted for payment by County, shall not be deemed evidence of allowable Intergovernmental Agreement costs.

It is understood and agreed that failure by the County or Contractor to comply with applicable federal and state requirements in rendering

If the State or the Department of Health Care Services (DHCS) disallows or denies payments for any claim, County shall repay to the State the federal Medicaid funds and/or State General Funds it received for all claims so disallowed or denied. The overpayment shall be recovered by any of the methods allowed in Title 22, CCR, Sections 51047(a) and (b).

Before such denial, recoupment, or disallowances are made, State shall provide the Contractor with written notice of its proposed action. Such notice shall include the reason for the proposed action and shall allow the Contractor sixty (60) days to submit additional information before the proposed action is taken, as required in Title 22, CCR, Section 51047(a).

Contractor shall meet quarterly with County contract monitor, as designated by the BHRS Deputy Director, Adult and Older Adults, to review documentation and billing reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies.

17. Inadequate Performance

If County or Contractor finds that performance is inadequate, at the County's discretion, a meeting may be called to discuss the causes for the performance problem, to review documentation, billing and/or other reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph

R of this Exhibit B. County accepts no financial responsibility for services provided to beneficiaries where there is a responsible third-party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.

- ii. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement.
