This agreement may be terminated by either party at any time upon ninety (90) days written notice. The County may immediately terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon (1) unavailability of federal, state, or county funds or (2) closure of the County, SMMC, or the department of SMMC at which Contractor is to provide services, by providing written notice to Contractor as soon as is reasonably possible after the County learns of said unavailability of outside funding or closure.

3.3.6 California Reporting Requirements

In consideration of automatic termination under 3.3.2 (G) listed above, County is required to report to the Medical Board of California all actions taken against physicians, which deny, restrict for 30 days or more in a 12-month period, or terminate staff privileges for medical disciplinary cause or reason. If the termination or restriction occurred due to a resignation or other voluntary action following notice of an impending investigation, that also must be reported.

Section 4: Insurance and Indemnification

4.1 **Insurance**

Contractor shall not commence work under this Agreement until all insurance required under this Section has been obtained, copies of relevant additional insured endorsements have been provided, and such insurance has been approved by the County. Contractor shall furnish County with: (1) Certificates of Insurance evidencing the required coverage, (2) additional insured endorsements showing County has been added to the policies, (3) specific contractual endorsements extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement, and (4) upon request, complete copies of the policies (including policy forms, schedules of forms, and all applicable endorsements). The Certificate(s) shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

4.1.1 Violation of This Section or Decrease/Cancellation of Coverage

In the event of either (1) violation of any provision of Section 4 of this Agreement or (2) receipt of notice by the County that any insurance coverage required under Section 4 will be diminished or cancelled, County at its option may, notwithstanding any other provision of this Agreement to the contrary, (i) immediately declare a material breach of this Agreement, (ii) suspend all further work pursuant to this Agreement, without additional cost to the County on account thereof; and/or (iii) procure insurance coverage necessary to satisfy the requirements of Section 4, the cost of which shall, at County's sole option, be reimbursed by Contractor or deducted from amounts payable to Contractor. Nothing herein shall preclude County from exercising any rights

and remedies as a result of the failure by Contractor to comply with the obligations of this Section 4.

If on account of Contractor's failure to comply with the provisions of this Section 4, County is held responsible for all or any portion of a judgment, loss or settlement that would have been covered by insurance but for non-compliance with this Section 4, then any loss or damage it shall sustain by reason thereof shall be borne by Contractor, and Contractor shall immediately pay the same to County, upon written demand therefor and evidence of such loss or damage, plus interest thereon accruing from the date of demand forward at the lesser of ten (10) percent per annum or (b) the maximum rate allowable by law.

I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.

4.1.3 Liability Insurance

A. Such policies shall contain a specific endorsement(s) extending contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement.

Such policies shall be primary and noncontributory to the full limits of liability of the policy, and that if County has other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

The insurance coverage provided hereunder by Contractor shall support but is not intended to limit the Contractor's indemnification obligations under Section 4.3, nor do the indemnity obligations limit the rights of the insured parties to the coverage afforded by their insured status.

Such insurance shall be combined single limit for each claim or occurrence and shall not be less than the amount specified below. Such insurance shall include:

1. Comprehensive general liability insurance... \$1,000,000
2. Motor vehicle liability insurance. \$ At Least California Legal Minimum Personal Responsibility Limit
3. Professional liability insurance...\$1,000,000/\$3,000,000

C. Contractor shall be solely responsible, at no additional cost to County, for the payment of any applicable deductibles or self-insured retentions in connection with any policies required for itself and all additional insureds and as to any claims within the scope of section 4.3.

4.1.4 County Adjustment of Insurance Coverage

If this Agreement remains in effect more than one (1) year from the date of its original execution, County may, at its sole discretion, require an increase in the amount of liability insurance to the level then customary in similar County agreements by giving (60) days' notice to Contractor. Contractor must obtain such increased amount of coverage by the end of that notice period.

4.1.5 County as an Additional Insured

County and its officers, agents, employees, servants, trainees, and volunteers, authorized representatives, and any other persons acting on its behalf within the scope of the duties entrusted to them, shall be named as an Additional Insured on all insurance policies required by this Agreement. Said Additional Insured Endorsement(s) and certificate(s) of insurance is (are) attached hereto.

4.2 **Tail Coverage**

If Contractor obtains one or more claims-made insurance policies to fulfill its obligations, Contractor will: (i) maintain coverage with the same company during the term of this Agreement and for at least three (3) years following termination of this Agreement; or (ii) purchase or provide coverage that assures protection against claims based on acts or omissions that occur during the period of this Agreement which are asserted after the claims-made insurance policy expired.

4.3 **Hold Harmless**

To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless County and its officers, agents, employees, servants, trainees, volunteers, authorized representatives, and any other persons acting on its behalf within the scope of the duties entrusted to them, from and against any claim, suits, actions, liability, loss, injury, damage, or costs (including attorneys' fees), of any name, kind, nature, and description, directly or indirectly arising out of, related to or in connection with the performance or nonperformance of the work, services, or payments made pursuant to this Agreement by or on behalf of Contractor, regardless of fault, and including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants, excepting only loss, injuries or damages for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own active negligence or willful misconduct.

Contractor shall further indemnify, defend, and hold County and its officers, agents, employees, servants, trainees, and volunteers harmless from and against any and all claims arising out of, related to, or in connection with: (i) any failure to withhold and/or pay to the government income and/or employment taxes from earnings under this agreement; (ii) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; and (iii) wages, salaries, benefits, taxes, and

all other withholdings and charges payable to, or in respect to, Contractor's representatives for services provided under this Agreement.

The duty of the Contractor to indemnify and save harmless as set forth herein shall include the duty to defend as set forth in Section 2778 of the California Civil Code.
