Interventions reach youth in non-traditional behavioral health settings such as schools, drop-in centers, shelters, probation and other youth-focused service settings and community based agencies.

The Contractor will implement Mindfulness-Based Substance Abuse Treatment (MBSAT) evidence-based curriculum and short-term individual counseling for youth as appropriate.

Mental health and substance use challenges need to be identified and appropriate treatment and/or referrals to treatment provided that is tailored to clients' unique needs and engage families and the community as appropriate.

4. Community Resilience. As literature continues to grow, we are able to draw the connections between the social determinants of health (SDOH), such as lack of affordable safe housing, quality medical care and education, to preventing and protecting youth from Adverse Childhood Experiences (ACEs). ACEs are imperative to address because they are associated with a variety of health impacts including depression, post-traumatic stress disorder, anxiety, attempted suicide, substance use, academic achievement and high-risk sexual behaviors. Election of Third Party Billing Process

Effective July 1, 2005, San Mateo County Behavioral Health and Recovery Services (SMCBHRS) will be required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement, you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance and provide SMCBHRS with a copy of the Explanation of Benefits provided by that insurance plan before billing SMCBHRS for the remainder.

We _____ (provider name) elect option one.

Signature of authorized agent

Name of authorized agent

Telephone number

Option Two

Our agency will provide information to San Mateo County Behavioral Health and Recovery Services (SMCBHRS) so that SMCBHRS may bill other insurance before billing Medi-Cal on our agency's behalf. This will include completing the attached client Payor Financial Form and providing it to the SMCBHRS Billing Office with the completed "assignment" that indicates the client's permission for SMCBHRS to bill their insurance.

We _____ (provider name) elect option two.

Signature of authorized agent

Name of authorized agent

Telephone number

Please note if your agency already bills private insurance including Medicare for services you provide, then you must elect Option One. This is to prevent double billing. Please return this completed form to:
