that

WHEREAS, the Districts own, operate, and maintain approximately 150 miles of sanitary sewer pipelines; and

WHEREAS, it is the Districts' responsibility to effectively manage the sewer systems to minimize sanitary sewer spills; and

WHEREAS, the California State Water Resources Control Board (State Water Board) has adopted Statewide Waste Discharge Requirements General Order for Sanitary Sewer Systems WQ 2022-0103-DWQ (Order) which serves as statewide waste discharge requirements and supersedes the previously adopted State Water Board Order 2006-0003-DWQ and amendments thereafter; and

WHEREAS, the Order requires the preparation and approval of a Sewer System Management Plan (SSMP) by all public agencies that own or operate sanitary sewer systems greater than one mile in length that collect and/or convey wastewater to a publicly owned treatment facility; and

WHEREAS, the Order also requires these public agencies to self-audit their SSMPs at least every three (3) years and recertify the SSMP every six (6) years, or whenever significant updates to the SSMP are made, by their governing board at a public meeting; and

WHEREAS, this Board adopted Resolution No. 070339, on August 25, 2009 approving the SSMP prepared in accordance with Order 2006-0003-DWQ and directing the Director of Public Works to implement and periodically update the SSMP as necessary to comply with current regulatory requirements and best practices; and

WHEREAS, this Board adopted Resolution No. 073304, on August 5, 2014 recertifying the SSMP and directing the Director of Public Works to implement and periodically update the SSMP as necessary to comply with current regulatory requirements and best practices; and

WHEREAS, this Board adopted Resolution No. 076853, on August 6, 2019 recertifying the SSMP and directing the Director of Public Works to implement and periodically update the SSMP as necessary to comply with current regulatory requirements and best practices; and

WHEREAS, the SSMP has been updated by staff in compliance with the requirements set forth by the Order; and

WHEREAS, this Board has been provided the opportunity to review the updated SSMP.

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that:

1. Acting as the Governing Board of the Districts, this Board does hereby find, determine, and declare that the Sewer System Management Plan dated June 10, 2025, updated by staff in accordance with the California State Water Resources Control Board Statewide Waste Discharge Requirements General Order for Sanitary Sewer Systems WQ 2022-0103-DWQ, is approved and recertified.
2. The Director of Public Works is hereby directed to implement and periodically update the approved Sewer System Management Plan as necessary to comply with current regulatory requirements and best practices.
