By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. Exhibit D - HMIS
Revised December 2018
Clarity Human Services System
Usage and Data Sharing Agreement for Core Service Agencies and
Homeless Service Providers

In 2014, Core Service Agencies and homeless service providers migrated to the secure, private and confidential Clarity Human Services system network by Bitfocus ("Clarity"). This migration to Clarity allows for data sharing across providers.

Commitment to Data Entry

The Core Service Agencies and homeless service providers agree to timely enter into Clarity's secure system accurate data about the clients to whom they provide safety net services and homeless services pursuant to their contracts with the County of San Mateo ("County"). Timely entry of this data is crucial to the Core Service Agencies and homeless service providers' ability to refer clients to other providers, report accurate performance measures and to capture data on community need.

If any provider experiences difficulty in timely entry of data into Clarity, they will notify HSA of the delay, seek technical assistance if necessary and provide a plan within one week to bring the data entry current as soon as possible.

Confidentiality of Client Data

Core Service Agencies and homeless service providers will establish appropriate administrative, technical, and physical safeguards to protect the confidentiality of the data and to prevent unauthorized use or access to it.

The data in Clarity shall not be disclosed to anyone or any entity except in connection with the administration of the safety net and homeless service programs, as necessary to achieve the provision of homeless and safety net services, or for the analysis of the data to show performance measurements, including that of contract compliance.

The data may be reviewed by San Mateo County personnel on a need to know basis to check performance measurements, community trends, client services, and for the purpose of monitoring contract compliance. Summary results (e.g., non-identifying information such as general statistical data, caseload provide data, funding and expenditure information) is non-confidential may be shared upon request. Data that contains identifying information will be accessible and shared on a need-to-know basis only, and only to the extent permitted by applicable law.

Core Service Agencies and homeless service providers acknowledge that these confidential data are proprietary to the County and agree to comply with all applicable State and Federal confidentiality laws and regulations.

To authorize the parties to this Agreement to share individually identifiable client information, clients who are entered into the system must sign a Client Consent for Clarity System Data Collection and Release of Information form that will be kept with their records in Clarity and/or in their paper file. The release informs the client that partner agencies in San Mateo County will have access on a need-to-know basis to their records in the secure system. If a client refuses to sign a release, services will not be denied and the client will be entered into Clarity as a private client.

Agencies Entering and Accessing Data in Clarity

Efforts are made to keep this list current, however there may be Core Service Agencies and/or homeless service providers that begin to participate in the data system in the future.

Licensing

Only agency staff who provide safety net or homeless services shall be granted access to Clarity. When an agency is requesting a Clarity license for a new staff, the agency director or manager will review with the staff the confidentiality and security rules regarding Clarity and will send the completed, signed Clarity oath of confidentiality form to HSA to request a new account.

ACCESS TO THE CLARITY SYSTEM AFTER EMPLOYEMENT ENDS IS PROHIBITED. If an authorized user separates from employment with a Core Service Agency or homeless service provider, notification must be made as soon as possible to the HSA Service Desk in advance of the employee leaving. The request will provide a license termination date.

If any license goes unused for more than 90 days, that license may be deactivated. The agency holding

the license will be notified prior to deactivation of the license and the agency will have 5 business days to respond with a request if the license is to be continued.

System Configuration Change Requests

All agencies Change Requests (CR) will be evaluated by HSA. For the cost of all Change Requests (CRs) unique to one or a group of agencies and for non-Core or non-HMIS standard programs, payment shall be made by the requesting agency(ies).

User Support

If a Core Service Agency or homeless service provider experiences any technical difficulty with the system, a service request must be sent to the Human Services Agency, Business Systems Group at hsa_servicedesk@smcgov.org or (650) 802-7573.

Contractor/Service Provider Agreement

The Core Service Agencies and homeless service providers agree to train their staff and to establish internal processes and procedures to ensure all staff and volunteers safeguard clients' confidentiality and privacy and enter accurate, complete data. It is understood that accessing Clarity's secure, private and confidential network is for the sole purpose of serving clients. All authorized individuals accessing the Clarity network of Core Service Agencies and homeless service providers must have a legitimate business reason when searching and accessing information. All activity is logged and participating agencies understand and agree that this audit trail can be viewed at any time by authorized County personnel.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carasoft OBO County of San Mateo (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
