**RESOLUTION AUTHORIZING THE ADOPTION OF THE FINAL QUARRY
COUNTY PARK MASTER PLAN**

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, Quarry County Park (“Quarry Park”) is a County owned- and operated-park located in the unincorporated community of El Granada, which is comprised of 577 acres of several separate parcels—including Mirada Surf East and West, the Wicklow property, and Quarry Park—that were consolidated under County ownership and management between 2010 and 2014; and

WHEREAS, in order to best manage this park unit and create a community-endorsed long-term vision for the recreation use and resource management of Quarry Park, beginning in 2017 the Parks Department (“Department”) undertook the development of the Quarry County Park Master Plan; and

WHEREAS, the Master Plan is a long-term planning document that establishes a vision and conceptual layout based on community desires and management obligations, which is typically used to advance priorities, develop projects, and inform policies; and

WHEREAS, The Master Plan recommendations are organized into three categories—(1) Trail System and Signage, (2) Visitor Facilities and Amenities, and (3) Natural Resource Management—each of which supports the goals and guiding principles of the Master Plan, with all recommendations crafted to meet and implement these goals as Quarry Park continues to serve as a natural recreation environment; and

WHEREAS, The Final Draft Master Plan, which has been revised based on the public feedback received to date and has been made available to the public on the Department’s website, was shared with the Parks and Recreation Commission at its September 1, 2022, meeting.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that

1. The Board of Supervisors is hereby authorized and directed to adopt the Final Quarry County Park Master Plan.
