Performance Measure Spotlight

Pretrial Clients Recommended for Release

FY 20-21	FY 21-22
74% (2,300)	77% (3,978)

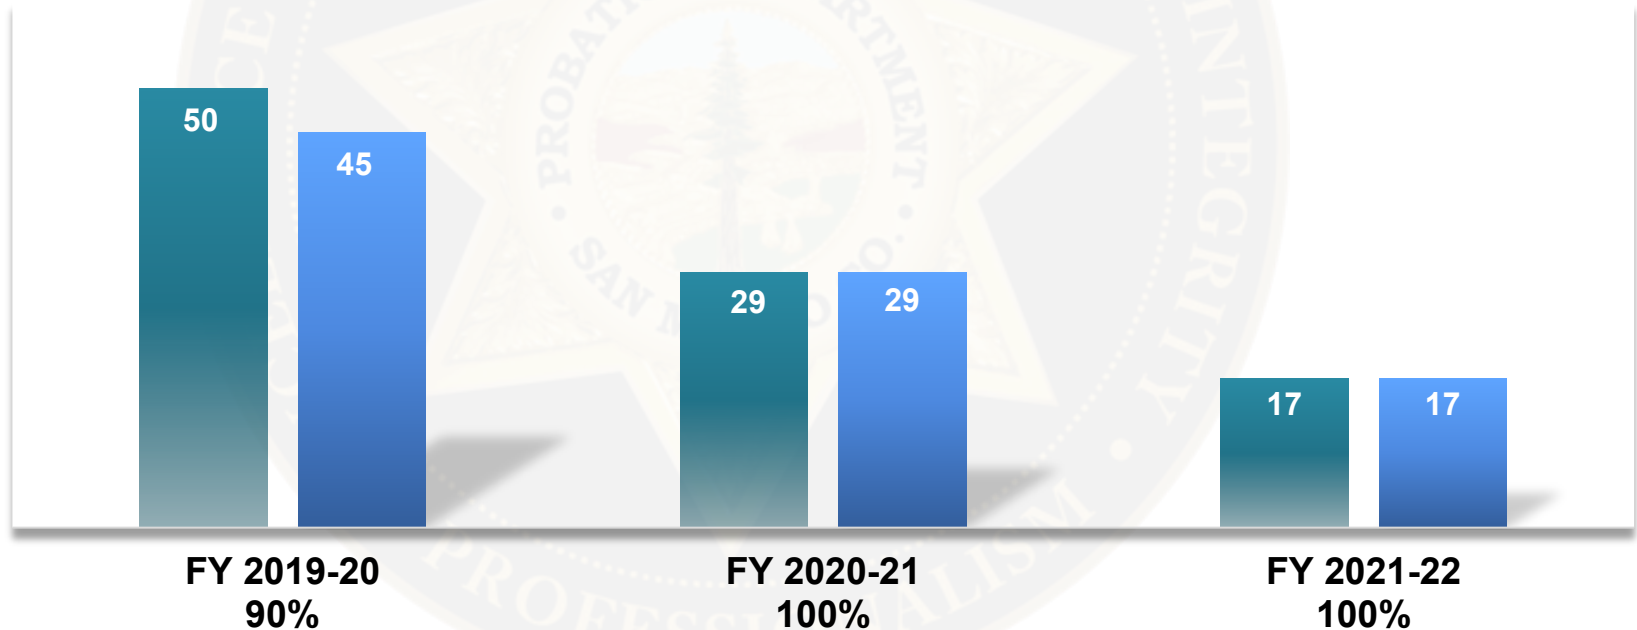

Performance Measure Spotlight

- Measure provides the community with a better understanding of how often defendants are recommended for pretrial release by Probation through the use of the VPRAI-R
 - if recommendations are applied equitably across racial and ethnic groups.
- Future validation study for the VPRAI-R

Performance Measure Spotlight

Percentage of Intensive Family Services Youth that Remained in Their Home

- Total # of Family Preservation Program (FFP) and Wraparound (Wrap) Youth
- Number of Youth that Remained in Their Homes

Performance Measure Spotlight

Percentage of Intensive Family Services Youth that Remained in Their Home

- Youth supervised under FPP and Wrap are at high risk for out-of-home placement due to significant family, emotional and/or mental health issues.
- To avoid out-of-home placement and keep families intact, Probation provides intensive supervision to youth and work directly with families to enable them to overcome obstacles.

Innovations

- Hope – Centered Organization
- Parenting Support Group and Resources
- Continuum of Care and caseload consolidation
- SOARR Program
- Intensive Mental Health Diversion
- Technology updates
