The Trustee shall pay all principal of and premium, if any, and interest on the Series 2021 Bonds only at the times, to the accounts, at the addresses and otherwise in accordance with DTC procedures, and all such payments shall be valid and effective to satisfy fully and discharge the Authority's obligations with respect to the payment of the principal of and premium, if any, and interest on the

Series 2021 Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of its then existing nominee, the Series 2021 Bonds will be transferable to such new nominee in accordance with subsection (f) of this Section 66.12.

(c) In the event that the Authority determines that the Series 2021 Bonds should not be maintained in book-entry form, the Trustee shall, upon the written instruction of the Authority, so notify DTC, whereupon DTC shall notify the Participants of the availability through DTC of bond certificates. In such event, the Series 2021 Bonds will be transferable in accordance with subsection (f) of this Section 66.12. DTC may determine to discontinue providing its services with respect to the Series 2021 Bonds or a portion thereof at any time by giving written notice of such discontinuance to the Authority or the Trustee and discharging its responsibilities with respect thereto under applicable law. In such event, the Series 2021 Bonds will be transferable in accordance with subsection (f) of this Section 66.12. If at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor securities depository is not appointed by the Authority within 90 days after the Authority receives notice or becomes aware of such condition, as the case may be, then this Section 66.12 shall no longer be applicable and the Authority shall execute and the Trustee shall authenticate and deliver certificates representing the Series 2021 Bonds as provided below. Whenever DTC requests the Authority and the Trustee to do so, the Trustee and the Authority will cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of all certificates evidencing the Series 2021 Bonds then Outstanding. In such event, the Series 2021 Bonds will be transferable to such securities depository in accordance with subsection (f) of this Section 66.12, and thereafter, all references in the Trust Agreement to DTC or its nominee shall be deemed to refer to such successor securities depository and its nominee, as appropriate.

(d) Notwithstanding any other provision of the Trust Agreement to the contrary, so long as all Series 2021 Bonds Outstanding are registered in the name of any nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on each such Series 2021 Bond and all notices with respect to each such Series 2021 Bond shall be made and given, respectively, to DTC as provided in accordance with DTC procedures.

(e) The Trustee is hereby authorized and requested to execute and deliver the DTC Blanket Letter of Representations and, in connection with any successor nominee for DTC or any successor depository, enter into comparable arrangements, and shall have the same rights with respect to its actions thereunder as it has with respect to its actions under the Trust Agreement.

(f) In the event that any transfer or exchange of Series 2021 Bonds is authorized under subsection (b) or (c) of this Section 66.12, such transfer or exchange shall be accomplished upon receipt by the Trustee from the registered owner thereof of the Series 2021 Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee, all in accordance with the applicable provisions of Sections 66.05 and 66.06. In the event Series 2021 Bond certificates are issued to Bondholders other than Cede & Co., its successor as nominee for DTC as holder of all the Series 2021 Bonds, another securities depository as holder of all the Series 2021 Bonds, or the nominee of such successor securities depository, the provisions of Sections 66.05 and 66.06 shall also apply to, among other things, the registration, exchange and transfer of

the Series 2021 Bonds and the method of payment of principal of, premium, if any, and interest on the Series 2021 Bonds.

SECTION 66.13 Continuing Disclosure. Pursuant to Section 17.09 of the Facility Lease, the County has undertaken all responsibility for compliance with continuing disclosure requirements, and the Authority shall have no liability to the Holders of the Bonds or any other person with respect to such disclosure matters. If the Trustee is the Dissemination Agent, the Trustee hereby covenants and agrees that they will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Trust Agreement, failure of the County or the Trustee to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter (as defined in the Continuing Disclosure Agreement) or the Holders of at least 25% aggregate principal amount of Outstanding Bonds and provided satisfactory indemnification is provided to the Trustee, shall) or any Bondholder or Beneficial Owner may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the County to comply with its obligations under the Continuing Disclosure Agreement or to cause the Trustee to comply with its obligations under this Section 66.13. For purposes of this Section, "Beneficial Owner" means any person which has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries).

ARTICLE LXVII

PROCEEDS OF SERIES 2021 BONDS

SECTION 67.01 Procedure for the Issuance of Series 2021 Bonds. At any time after the sale of the Series 2021 Bonds in accordance with the Act, the Authority shall execute the Series 2021 Bonds for issuance hereunder and shall deliver them to the Trustee, and thereupon the Series 2021 Bonds shall be authenticated and delivered by the Trustee to the purchaser thereof upon the Written Request of the Authority and upon receipt of payment therefor from the purchaser thereof. Upon receipt of payment for the Series 2021 Bonds from the purchaser thereof, the Trustee shall set aside and deposit the remaining proceeds received from such sale, in the following respective accounts or funds or with the following respective entities, in the following order of priority:

(a) The Trustee shall deposit \$[COI Deposit] of the proceeds of the 2021 Series A Bonds in the 2021 Costs of Issuance Fund, which fund is hereby created and which fund the Authority hereby agrees to maintain with the Trustee until [Closing Date + 180 Days]. All money in the 2021 Costs of Issuance Fund shall be used and withdrawn by the Trustee to pay the Costs of Issuance of the Series 2021 Bonds upon receipt of a Written Request of the County filed with the Trustee, each of which shall be sequentially numbered and shall state the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. On [Closing Date + 180 Days], or upon the earlier Written Request of the County, any remaining balance in the 2021 Costs of Issuance Fund shall be transferred to the 2018 Acquisition and Construction Account.

(b) The Trustee shall transfer and deposit the remaining proceeds of the 2021 Series A Bonds in the amount of \$[Escrow Deposit] into a separate fund designated the “2021 Escrow Fund,” which is created pursuant to the Escrow Agreement for the refunding of the 2013 Refunded Bonds and apply such proceeds, together with the moneys released from the Reserve Fund, to the redemption of the 2013 Refunded Bonds on the date set for redemption in accordance with the directions of the County and the Authority.

(c) Following the issuance of the Series 2021 Bonds and the redemption of the 2013 Refunded Bonds, the springing amendments under Article LVII and LXIII of the Trust Agreement shall be in effect, and the Reserve Fund Requirement with respect to each of the Series 2018 Bonds, the Series 2019 Bonds, and the Series 2021 Bonds shall be \$0. On the date of issuance of the Series 2021 Bonds, all cash amounts held in the Reserve Fund shall be transferred to the Escrow Fund and thereafter any excess cash, if any, pursuant to Section 5.03 of the Trust Agreement, shall be transferred to the Acquisition and Construction Fund established in connection with the 2018 Series A Bonds, pursuant to the Eighth Supplemental Trust Agreement.

ARTICLE LXVIII

REDEMPTION OF SERIES 2021 BONDS

SECTION 68.01 Terms of Redemption of Series 2021 Bonds.

(a) Extraordinary Redemption. The Series 2021 Bonds are subject to redemption by the Authority on any date prior to their respective stated maturities, upon notice as hereinafter provided, as a whole or in part by lot within each stated maturity in integral multiples of Authorized Denominations, from prepayments made by the County pursuant to Section 7.02 of the Facility Lease, at a redemption price equal to the sum of the principal amount thereof, without premium, plus accrued interest thereon to the Redemption Date. Whenever less than all of the Outstanding Bonds are to be redeemed on any one date, the Trustee shall select the Bonds to be redeemed in part from the Outstanding Bonds so that the aggregate annual principal amount of and interest on Bonds which shall be payable after such Redemption Date shall be as nearly proportional as practicable to the aggregate annual principal amount of and interest on Bonds Outstanding prior to such Redemption Date.

(b) Optional Redemption. [The Series 2021 Bonds are not subject to optional redemption prior to their respective stated maturities.][The Series 2021 Bonds maturing on or prior to June 15, 20__ are not subject to optional redemption. The Series 2021 Bonds maturing on or after June 15, 20__ are subject to redemption prior to their respective stated maturities at the written direction of the Authority, from any moneys deposited by the Authority or the County, as a whole or in part on any date (in such maturities as are designated in writing by the Authority to the Trustee) on or after June 15, 20__, at a redemption price equal to the sum of the principal amount thereof plus accrued interest thereon, without premium.]

(c) Selection of Bonds for Redemption. If less than all Outstanding Series 2021 Bonds maturing by their terms on any one date are to be redeemed at any one time, the Trustee shall select the Series 2021 Bonds of such maturity date to be redeemed by lot and shall promptly notify the Authority in writing of the numbers of the Series 2021 Bonds so selected for redemption.

For purposes of such selection, Series 2021 Bonds shall be deemed to be composed of \$5,000 multiples and any such multiple may be separately redeemed. The Authority may designate, in the case of the redemption of term Bonds, the mandatory sinking account payments or portions thereof that are to be reduced as a result of such redemption.

(d) Notice of Redemption; Cancellation; Conditional Notice. Notice of redemption shall be mailed by first-class mail by the Trustee, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to the respective Bondholders of the Series 2021 Bonds designated for redemption at their addresses appearing on the registration books of the Trustee. Each notice of redemption shall state the date of such notice, the redemption price, if any (including the name and appropriate address of the Trustee), the CUSIP number (if any) of the maturity or maturities, and, if less than all of any such maturity is to be redeemed, the distinctive certificate numbers of the Series 2021 Bonds of such maturity, to be redeemed and, in the case of Series 2021 Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on said date there will become due and payable on each of said Series 2021 Bonds the redemption price thereof, together with interest accrued thereon to the redemption date, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Series 2021 Bonds be then surrendered at the address of the Trustee specified in the redemption notice. Failure to receive such notice shall not invalidate any of the proceedings taken in connection with such redemption.

In the event of redemption of Series 2021 Bonds, the Trustee shall mail a notice of optional or extraordinary redemption, as applicable, other than any notice that refers to Series 2021 Bonds that are to be redeemed from proceeds of a refunding bond issue, only if sufficient funds have been deposited with the Trustee to pay the applicable redemption price of the Series 2021 Bonds to be redeemed.

The Authority may, at its option, on or prior to the date fixed for redemption in any notice of redemption rescind and cancel such notice of redemption by Written Request to the Trustee and the Trustee shall mail notice of such cancellation to the recipients of the notice of redemption being cancelled.

The Trustee may give a conditional notice of redemption prior to the receipt of all funds or satisfaction of all conditions necessary to effect the redemption, provided that redemption shall not occur unless and until all conditions have been satisfied and the Trustee has on deposit and available or, if applicable, has received, all of the funds necessary to effect the redemption; otherwise, such redemption shall be cancelled by the Trustee and the Trustee shall mail notice of such cancellation to the recipients of the notice of redemption being cancelled.

(e) Effect of Redemption. If notice of redemption has been duly given as aforesaid and money for the payment of the redemption price of the Series 2021 Bonds called for redemption is held by the Trustee, then on the redemption date designated in such notice Series 2021 Bonds so called for redemption shall become due and payable, and from and after the date so designated interest on such Series 2021 Bonds shall cease to accrue, and the Bondholders of such Series 2021 Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

All Series 2021 Bonds redeemed pursuant to the provisions of this Article shall be cancelled by the Trustee and shall be destroyed with a certificate of destruction furnished to the Authority upon its request and shall not be reissued.

ARTICLE LXIX

Additional Bonds payable from the Revenues may be issued which will rank equally as to security with the 2021 Series A Bond, but only subject to the conditions and upon compliance with the procedures set forth in the Trust Agreement. The Bonds are subject to redemption by the Authority on any date prior to their respective stated maturities, upon notice as hereinafter provided, as a whole or in part by lot within each stated maturity in integral multiples of Authorized Denominations so that the aggregate annual principal amount of and interest on the Bonds which shall be payable after such redemption date shall be as nearly proportional as practicable to the aggregate annual principal amount of and interest on the Bonds Outstanding prior to such redemption date, from prepayments of Base Rental Payments made by the County from the proceeds received by the County due to a taking of the Project or portions thereof under the power of eminent domain and from the net proceeds of title insurance or insurance received for material damage or destruction to the Project or portions thereof received by the Authority from the County, all as provided in and under the circumstances and terms prescribed in the Facility Lease and the Trust Agreement, at the principal amount thereof and interest accrued thereon to the date fixed for redemption, without premium.

The Bonds maturing on or after June 15, 20__ are subject to redemption prior to their respective stated maturities at the written direction of the Authority, from any moneys deposited by the Authority or the County, as a whole or in part on any date (in such maturities as are designated in writing by the Authority to the Trustee) on or after June 15, 20__, at a redemption price equal to the sum of the principal amount thereof plus accrued interest thereon, without premium.]

Notice of redemption of this Bond shall be given by first-class mail not less than thirty (30) days nor more than sixty (60) days before the redemption date to the registered owner

of any Bond selected for redemption, subject to and in accordance with provisions of the Trust Agreement with respect thereto. If notice of redemption has been duly given as aforesaid and money for the payment of the above-described redemption price is held by the Trustee, then this Bond shall, on the redemption date designated in such notice, become due and payable at the above-described redemption price; and from and after the date so designated, interest on this Bond shall cease to accrue and the registered owner of this Bond shall have no rights with respect hereto except to receive payment of the redemption price hereof.

If an Event of Default (as defined in the Trust Agreement) shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Trust Agreement. The Trust Agreement provides that in certain events such declaration and its consequences may be rescinded by the holders of not less than a majority in aggregate principal amount of the Bonds then outstanding or by the Trustee.

This Bond is transferable only on a register to be kept for that purpose by the Trustee at the above-mentioned corporate trust office of the Trustee by the registered owner hereof in person or by his duly authorized attorney upon payment of the charges provided in the Trust Agreement and upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount in authorized denominations will be issued to the transferee in exchange therefor. The Authority and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of the interest hereon and principal hereof and for all other purposes, whether or not this Bond shall be overdue, and neither the Authority nor the Trustee shall be affected by any notice or knowledge to the contrary; and payment of the interest on and principal of this Bond shall be made only to such registered owner, which payments shall be valid and effectual to satisfy and discharge liability on this Bond to the extent of the sum or sums so paid.

This Bond shall not be entitled to any benefit, protection or security under the Trust Agreement or become valid or obligatory for any purpose until the certificate of authentication hereon endorsed shall have been executed and dated by the Trustee.

It is hereby certified and recited that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Act, and by the Constitution and laws of the State of California, that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Constitution or laws of the State of California and is not in excess of the amount of Bonds permitted to be issued under the Trust Agreement.

IN WITNESS WHEREOF, the San Mateo County Joint Powers Financing Authority has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of the President of the Authority and countersigned by the manual or facsimile signature of the Secretary of said Authority, and has caused this Bond to be dated as of the original issue date specified above.
