## DESIGNATED CONSTRUCTION PROJECT(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

### SCHEDULE

**Designated Construction Project(s):**

All projects where required by written contract, signed prior to the date of an "occurrence" or offense.

**All Designated Construction Project General Aggregate Capped At:      \$10,000,000**

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **Section I – Coverage A**, and for all medical expenses caused by accidents under **Section I – Coverage C**, which can be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. A separate Designated Construction Project General Aggregate Limit applies to each designated construction project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations. If there is more than one designated construction project, the Designated Construction Project General Aggregate is subject to an All Designated Construction Project General Aggregate Cap, listed in the Schedule above, which is the most we will pay, regardless of the number of designated "projects."
  2. Subject to the All Designated Construction Project General Aggregate Cap, the Designated Construction Project General Aggregate Limit is the most we will pay for the sum of all damages under **Coverage A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under **Coverage C** regardless of the number of:
    - a. Insureds;
    - b. Claims made or "suits" brought; or
    - c. Persons or organizations making claims or bringing "suits."
  3. Any payments made under **Coverage A** for damages or under **Coverage C** for medical expenses shall reduce the Designated Construction Project General Aggregate Limit for that designated construction project and shall also reduce the All Designated Construction Project General Aggregate Cap. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Construction Project General Aggregate Limit for any other designated construction project shown in the Schedule above.
  4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project General Aggregate Limit and the All Designated Construction Project General Aggregate Cap.

- B.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **Section I – Coverage A**, and for all medical expenses caused by accidents under **Section I – Coverage C**, which cannot be attributed only to ongoing operations at a single designated construction project shown in the Schedule above:
1. Any payments made under **Coverage A** for damages or under **Coverage C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
  2. Such payments shall not reduce any Designated Construction Project General Aggregate Limit or the All Designated Construction Project General Aggregate Cap.
- C.** When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit, the Designated Construction Project General Aggregate Limit, nor the All Designated Construction Project General Aggregate Cap.
- D.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- E.** The provisions of **Section III – Limits Of Insurance** not otherwise modified by this endorsement shall continue to apply as stipulated.
