The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

To the extent that this Agreement authorizes reimbursements to Contractor for travel, lodging, and other related expenses as defined in this section, the Contractor must comply with all the terms of this section in order to be reimbursed for travel.

- b. Itemized receipts (copies accepted) for all reimbursable travel expenses are required to be provided as supporting documentation with all invoices submitted to the County.
- c. Unless otherwise specified in this section, the County will reimburse Contractor for reimbursable travel expenses for days when services were provided to the County. - f. The maximum reimbursement amount for the actual cost of airfare shall be limited to fares for Economy Class or below. Air travel fares will not be reimbursed for first class, business class, "economy-plus," or other such classes. Reimbursable car rental rates are restricted to the mid-level size range or below (i.e. standard size, intermediate, compact, or subcompact); costs for specialty, luxury, premium, SUV, or similar category vehicles are not reimbursable. Reimbursable ride-shares are restricted to standard or basic size vehicles (i.e., non-premium vehicles unless it results in a cost-saving to the County). Exceptions may be allowed under certain circumstances, such as unavailability of the foregoing options, with written approval from authorized County personnel. Other

related travel expenses such as taxi fares, ride-shares, parking costs, train or subway costs, etc. shall be reimbursable on an actual-cost basis. Reimbursement of tips for taxi fare, or ride-share are limited to no more than 15% of the fare amount.

Exhibit A

In consideration of the payments set forth in Exhibit B, Contractor shall provide the following services:

- The Big Lift Early P-3 Literacy & Collective Impact Program (July 1, 2024 – June 30, 2025)

Contractor will participate in all aspects of The Big Lift; including partnership with participating school districts and the community at large to work toward the long-term goal of third grade reading success.

The sections below provide additional detail regarding the services Contractor will provide as part of The Big Lift Early Learning Program.

I. THE BIG LIFT INITIATIVE PROGRAM OVERVIEW

The Big Lift is a collective impact initiative launched in 2012 by the Count of San Mateo, San Mateo Office of Education, and the Silicon Valley Community Foundation. Since its inception, The Big Lift has been dedicated to fostering collaboration and unifying stakeholder who share a common commitment to the goal of advancing third-grade literacy. The initiative is led by three agencies, the County of San Mateo, the San Mateo County Office of Education (SMCOE) and the San Mateo County Libraries, funding for this agreement is made available through San Mateo County Measure K tax dollars. The Big Lift is operating under the 2023-2026 strategic plan with four Mission Strategies designed to achieve The Big Lift's mission and four Infrastructure Strategies to strengthen governance collaboration and resource management.

2023-2026 Big Lift Mission Strategies

- 1) Develop and Operationalize an Equity Framework: to provide clear guidance on how equity is addressed throughout The Big Lift initiative
- 2) Build a PreK-3 focus on Literacy and Instructional Quality and Alignment: to ensure that targeted language and literacy instruction is aligned with the science of reading in PreK- 3 grade classrooms
- 3) Ensure High Quality Summer Learning Experiences: to provide summer learning programs to targeted children in Big Lift districts to contribute to 3rd grade reading outcomes
- 4) Build Focus on Family Engagement in Literacy Development: to partner and engage with parents around their children's literacy development and the importance of regular attendance in school

There are five conditions that, together, lead to meaningful results from collective impact and are integral to The Big Lift's approach: a shared vision for change or common agenda, shared measurement, mutually reinforcing activities, continuous communication, and backbone support. To achieve this ambitious goal, The Big Lift has committed and maintains rigorous and ongoing evaluation for continuous improvement.

Big Lift communities are defined by school district boundaries and include the following school districts: Bayshore, Cabrillo Unified, Millbrae, Pacifica, South San Francisco Unified, San Bruno Park Elementary, La Honda-Pescadero Unified, and Ravenswood City.

II. CONTRACTOR REQUIREMENTS

As part of the scope of work, Contractor will meet the following requirements:

- a. **Licensure in Good Standing:** Preschools must have a license to operate preschool facilities and must ensure that licensed sites are in good standing with Community Care Licensing.
- b. **Compliance with Contractor Monitoring Activities:** Monitoring activities includes, but are not limited to, site visits by San Mateo County staff, progress reports on implementation of goals and objectives, and submission of financial records, as required by the County. The County will conduct in-person site visits of Contractor throughout the course of the Agreement to ensure compliance with the terms of this Agreement. Contractor is required to address all site visits and report findings by the deadline as set forth by the County.
- c. **State and Other Federal Funding Compliance:** Contractor must maintain compliance with the terms of any other funding sources they may receive. Any Contractor receiving Title 5 or Head Start funds must maintain good standing with the California Department of Educational/Child Development Division and/or the Administration for Children and Families. Failure to do so may jeopardize Big Lift funding.
- d. **Timely Reporting:** The County will track and monitor Contractor's reporting and will require timely and accurate submission of data, progress reports, and requests for reimbursement, and Contractor agrees to correct and implement improvements to any areas of concern identified at a site visit or at any other point during the term of the Agreement. Patterns of late and/or inaccurate reporting and/or failure to improve compliance with this Agreement will be taken into consideration when making future funding recommendations, and in egregious cases may affect continued funding for the current term of the Agreement.
- e. **Utilization of The Big Lift Name and Logo:** Contractor must use The Big Lift name and logo on all public facing materials, signs, banners, press releases, social media, and publications related to The Big Lift program.
- f. **Communication Collaboration:** Contractor must participate in The Big Lift's efforts to disseminate information about Big Lift's program(s) and The Big Lift through social media and other communication channels. This includes obtaining photo releases to be provided to the County for the purposes of communicating information about The Big Lift, when applicable, through social media, publications, reports, etc.

Contractor is expected to participate in all aspects of The Big Lift, work collaboratively with SMCOE and the County of San Mateo, to participate in evaluation efforts, contribute to the larger Big Lift community collaborative, and to be active partners in leading this effort.

III. CONTRACTORS GOALS AND ACTIVITIES

Contractor agrees to work towards the following four goal areas by completing the major activities listed as follows

1. Collective Impact Goal: Big Lift activities are aligned from preschool through third grade, and the community is making steady progress towards third grade reading proficiency for all children.

- a. Participate in the countywide Big Lift Collaborative meetings, Knowledge Network contractor meetings, and local Big Lift collaborative meetings to partner and collaborate on aligned preschool to third grade literacy goals.

2. Preschool /TK Literacy Goal: Big Lift programs provide high quality preschool spaces with an intentional, targeted and specific focus on the five core predictors of third grade reading.

- a. Provide Big Lift literacy supports for 3-and 4-year old children.
- b. Preschool classrooms must use language and literacy curricula and instructional strategies that address the five core predictors of third grade reading, and that have an identified scope and sequence. This will include an identified and intentional strategy to build background knowledge, vocabulary development, oral language and the alphabetic principle.

Required activities to meet this objective include the following:

- I. Identify an agency-wide early literacy lead who will be an internal literacy content expert, support staff in implementing language and literacy related objectives, and attend Big Lift meetings and professional learning communities. This individual should be empowered to make instructional decisions on behalf of the agency.
- II. Participate in FluentSeeds/SEEDS for Learning and/or structured literacy support.
 - i. Classrooms will be supported to conduct supplemental language and literacy assessments (IGDIs or PELI) and will plan and implement small group and one-on-one language and literacy supports and interventions for children who are below benchmark levels.

3. Family Engagement in Preschool Goal: Families have the tools and information they need to promote literacy at home, and support and advocate for their children’s well-being and academic success.

- a. Implement Raising A Reader (RAR) early literacy program for children in all Big Lift preschool spaces in alignment with the program model provided by San Mateo County Library (SMCL) and communicate with SMCL for training support where needed to ensure fidelity to the RAR national program. Program model includes 3 family engagement events (including a Family Kick-Off event, connection events to the library/library service and resources), assistance with receiving SMCL service visits, and RAR book bags rotated regularly
- b. Designate family engagement leadership staff to participate in Big Lift alignment activities to improve and deepen family support practices across programs. Alignment work will focus on family supports that help reduce parent stress and bolster family wellbeing and, in turn, child development.
