**WHEREAS**, plans and specifications, dated March 20, 2017, were previously prepared and approved by the Director of Public Works for the Bridge Preventative Maintenance Program for Various Bridges (Bridges Project), which included improvements to Alpine Road Bridge, Madera Lane Bridge and Stage Road Bridge, and

said plans and specifications were filed in the office of the Director of Public Works; and

**WHEREAS**, the Deputy Clerk of this Board of Supervisors did, in public on June 13, 2017, at 2:30p.m., open and examine all sealed bids that were received in the specified time for the doing of the work referred to in said plans and specifications; and

The bid was comprised of \$276,502 and \$919,836 for Schedule "A" and Schedule "B", respectively. Due to the Federal Funding available and cost, this Board awarded the Schedule "A" portion of the Bridges Project with the anticipation that the County would re-evaluate the work described in Schedule "B" and revise the described work or re-advertise the Schedule "B" work, which is the Madera Lane Bridge portion of the Bridges Project; and

**WHEREAS**, the Deputy Clerk of this Board of Supervisors did, in public on May 24, 2018, at 2:30p.m., open and examine all sealed bids that were received in the specified time for the doing of the work referred to in said Plans and Specifications; and

**WHEREAS**, this Board of Supervisors has caused an analysis of said bids to be made by the Director of Public Works of the County of San Mateo, and has, in open session, fully reviewed and considered said sealed proposals and the analysis thereof; and

**WHEREAS**, the only bid received was submitted by Bugler Construction, in the amount of \$685,310 based on an estimate of the amount of work to be done; and

**WHEREAS**, Department of Public Works staff has determined that this Project qualifies for a Categorical Exemption pursuant to Section 15301(c) of the California Environmental Quality Act (CEQA) Guidelines for Implementation, which provides that repair and maintenance of existing streets and highways is exempt from review.
