Seller shall indemnify, defend, reimburse, and hold County harmless from and against any and all claims, demands, liabilities, losses, costs and expenses (including, without limitation, attorney's fees and costs) arising from any broker's commission or finder's fees for any brokers or finders. County represents and warrants that it has not made any promises or agreements with any party for the payment of any broker's commission or finder's fees.

5. GOOD FAITH DISCLOSURE BY SELLER: Seller shall make a good faith disclosure to Buyer of any and all material facts, findings, or information on the Property known to Seller (without investigation) and not readily discoverable by Buyer, including without limitation those relating to: historical uses; prior permitted uses; current uses including, but not limited to, express or implied contracts, leases and/or permits; geological conditions; biological conditions; archaeological sites; flood hazard area(s); special studies zones; zoning reports; environmentally hazardous material such as dioxins, oils, solvents, waste disposal, gasoline tank leakage, pesticide use and spills, herbicide use or spills or any other substances and/or products of environmental contamination. Any and all facts or information known by Seller concerning the condition of the Property shall be delivered in writing to Buyer within ten (10) days of Seller's Execution.

If such facts or information provided by Seller disclose conditions that adversely affect the continued or contemplated use of the Property, and that Buyer reasonably deems unacceptable, or if Buyer otherwise discovers such facts or information through its investigations, tests and/or surveys (including without limitation its review of title) which disclose such conditions, and Seller is unwilling or unable to correct such conditions to the reasonable satisfaction of Buyer or any governmental body having jurisdiction, then Buyer may, at its sole option, terminate this Agreement. Within fifteen (15) business days of actual receipt of said disclosure information, Buyer shall notify Seller of the conditions it deems unacceptable and the corrections desired and request Seller, at Seller's expense, to correct the condition(s) affected thereby to the reasonable satisfaction of Buyer. Failure to so correct shall be grounds for termination of this Agreement.

Seller shall provide Buyer, within ten (10) days of Seller's Execution, copies of all architect and engineering drawings, diagrams, and specifications for the planned construction relating to the Affordable Housing Project in Seller's possession or control (the "Diligence Documents"). Notwithstanding anything to the contrary herein, Seller shall not be required to provide, copy or make available to Buyer (and the Diligence Documents do not include) any internal memoranda, appraisals and valuation reports and similar information or information covered by the attorneyclient privilege. Buyer acknowledges that the materials relating to the Property to be furnished by Seller to Buyer contain confidential and proprietary information. No representation or warranty in respect of any documents, reports, studies, information or other materials (including the accuracy or completeness thereof) are or shall be deemed to be made or provided by Seller relating thereto or to the Property or otherwise, and Buyer hereby acknowledges that no representations or warranties, either express or implied, were made by Seller with respect to any of the foregoing. To the extent any person or entity other than Seller, including any surveyors, appraisers, title agents, tenants, escrow agent, attorneys, engineering consultants or environmental consultants, made any representations or warranties or any other statements (verbal or written) to Buyer, or provided any documents, reports, studies, information or other materials, Buyer acknowledges it shall have no claim or right of action against Seller arising therefrom, nor any right to rescind or revoke this Agreement on account thereof. Nothing in this paragraph shall prevent Buyer from introducing into evidence in any action or proceeding any documents, reports, studies, information or other materials relating to Seller's duty of disclosure.

6. INSPECTION BY BUYER: Buyer, upon not less than one (1) business day notice to the Seller, shall have the right of entry onto the Property to conduct such non-invasive and non-intrusive inspections and testing thereon as are, in Buyer's sole discretion, necessary to reasonably

determine the condition of the Property. The scope of any such testing or inspection which requires physical sampling of all or any part of the Property shall be subject to:

- a) The prior written approval of Seller, which Seller may withhold or condition in its sole and absolute discretion.
- b) Seller's receipt of a certificate of insurance evidencing any insurance coverage reasonably required by Seller.
- c) The requirement that Buyer conduct all such inspections and testing, including the disposal of samples taken, in accordance with applicable law and at no cost or liability to Seller, and with no substantial disturbance of or interference with the businesses being conducted on the Property. Buyer shall complete such inspections and testing within the Due Diligence Period and shall restore all areas of the Property to its pre-test and pre-inspection condition as near as is practicable.

If any toxins or contaminants are discovered on the Property, Buyer shall notify Seller immediately, and Seller shall have the right, but not the responsibility to take any actions in response to such notifications that it deems necessary in its sole and absolute discretion. If Seller elects not to take actions in response to such notifications, then, notwithstanding other provisions contained herein, Seller and/or Buyer shall have the right (prior to the expiration of the Due Diligence Period) to terminate this Agreement with no further liability.

Buyer shall give Seller written notice prior to the commencement of any testing or inspections in, on or about the Property, and Seller shall have the right to post Notices of Testing, and/or Notices of Non-responsibility as provided by law. All testing on the Property shall keep the Property free and clear of claims, charges and/or liens for labor and materials, and Buyer shall defend, indemnify and save harmless Seller, its agents and employees from and against any and all claims, demands, damages, costs, losses, expenses (including attorney's fees), judgments or liabilities arising out of, related to, or in connection with any such testing, inspection or entry by Buyer, its partners, officers, directors, members, shareholders, independent contractors, agents or employees (collectively, "Buyer's Agents"). The foregoing indemnification covenant shall survive the Closing and any termination of this Agreement.

Should Buyer decide, for whatever reason, to terminate this Agreement prior to Closing, at Seller's request, any and all reports, including title documents and surveys, inspection reports and government entity responses acquired by the County during its Due Diligence Period shall be passed on to the Seller.

7. <u>TITLE AND DEED:</u> Title to the Property is to be free of all exceptions to title except those expressly approved by Buyer.

Buyer shall have the right to review the preliminary title report and disapprove in writing any items disclosed in said report prior to the close of escrow. Seller shall have fifteen (15) days from receipt of Buyer's notice of disapproval to correct the condition(s) that adversely affect the Property. Failure to correct shall be grounds for termination of this Agreement by Buyer.

Seller may request escrow to be extended for ten (10) days where there is a need for Seller to correct an adverse condition unless Seller refuses to correct such condition or unless correction requires more than ten (10) days in which case escrow shall be extended to the date of refusal or date of correction respectively.

- **8.** REPRESENTATIONS AND WARRANTIES OF BUYER: Buyer represents and warrants to Seller that the following statements are true and correct and shall be true and correct as if originally made on and as of the Closing:

 - e) Seller has not granted any option or right of first refusal or first opportunity to any party other than Buyer to acquire fee interest in the Property.

Seller's representations and warranties set forth in this Section 9 shall survive the Closing.

From and after the Effective Date, Buyer and Seller shall each immediately advise the other in writing of any information it receives which indicates that a representation or warranty made by Seller in this Section 9 is, or has become, untrue in any material respect. Seller shall have five (5)

days from receipt of Buyer's written notice or from delivery of Seller's written notice to attempt to remedy the breach or inaccuracy in such representation or warranty. In the event Seller is unwilling or unable to remedy such inaccuracy within such period, Buyer shall have the right, as its sole and exclusive remedy, exercisable by giving written notice to Seller and Escrow Holder within five (5) days after the expiration of Seller's five (5) day cure period, either (i) to terminate this Agreement, or (ii) to consummate the transaction contemplated by this Agreement. If the Closing is scheduled to occur prior to said notice and curing periods, the Closing shall be delayed to provide for the expiration of both periods at least 5 days prior to the Closing. As of Closing, Buyer shall have had the opportunity to conduct testing and inspections to confirm independently all information that Buyer considers material to its purchase of the Property or the transaction contemplated by this agreement.
