Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

#### **7. Relationship of Parties**

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

**8. Hold Harmless**

**a. General Hold Harmless**

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including Contractor or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

**b. Intellectual Property Indemnification**

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies

only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

## **9. Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

## **10. Insurance**

### **a. General Requirements**

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to

provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

**b. Workers' Compensation and Employer's Liability Insurance**

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

**c. Liability Insurance**

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

- (a) Comprehensive General Liability.....\$1,000,000
- (b) Motor Vehicle Liability Insurance..... \$1,000,000
- (c) Professional Liability.....\$1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

**11. Compliance With Laws**

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, regulations, and executive orders, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance, as well as any required economic or other sanctions imposed by the United States government or under state law in effect during the term of the Agreement. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law, regulation, or executive order, the requirements of the applicable law, regulation, or executive order will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.107 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County. (This paragraph may be deleted without County Attorney Review if not relevant to this agreement)

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

## **12. Non-Discrimination and Other Requirements**

Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

**e. Discrimination Against Individuals with Disabilities**

This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

**f. History of Discrimination**

Contractor certifies that no finding of discrimination has been issued in the past 365 days against Contractor by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against Contractor within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. EXHIBIT A – SERVICES  
STARVISTA – TRAUMA-INFORMED CO-OCcurring PREVENTION  
FY 2024 – 2026

In consideration of the payments set forth in Exhibit B, Contractor shall provide the following services:

I. DESCRIPTION OF SERVICES TO BE PERFORMED BY CONTRACTOR

A. Introduction

In full consideration of the payments herein described in Exhibit B, Payments, of this Agreement Contractor shall provide the services described below in a manner consistent with the terms and provisions of this Agreement. These services shall be provided in a manner prescribed by the laws of California and in accord with the applicable laws, titles, rules and regulations. All payments under this Agreement must directly support services specified in this Agreement. The San Mateo County Mental Health Services Documentation Manual (“County Documentation Manual”) is included herein by reference. To the extent that there is inconsistency between a provision in the County Documentation Manual and this Agreement, the provisions in the County Documentation Manual shall prevail. Contractor shall provide the following services.

B. Trauma-informed Prevention and Early Intervention (PEI) for Youth

Trauma-Informed PEI for Youth includes evidence-based and community defined interventions for high-risk school age and transition age youth who struggle with trauma and substance use behavioral issues. Interventions reach youth in non-traditional behavioral health settings such as schools, drop-in centers, shelters, probation and other youth-focused service settings and community-based agencies. The Contractor will administer Mindfulness-Based Substance Abuse Treatment (MBSAT) Groups and provide short-term individual therapy services, as needed.

1. Service Approach

- a. *Trauma-informed.* All six key principles of a trauma-informed approach shall be incorporated when serving youth with mental illness and/or co-occurring substance use challenges and their families; safety, trustworthiness and transparency, peer support, collaboration, empowerment and cultural, historical and gender issues.
- b. *Cultural responsiveness.* Culturally responsive services are sensitive to the diverse cultural identity, are delivered by bilingual/bicultural staff and/or are available in the primary

language of clients and use the natural supports provided by the client's culture and community. Outreach and engagement strategies shall be designed to reach diverse communities.

- c. *Community Resilience.* As literature continues to grow, we are able to draw the connections between the social determinants of health (SDOH), such as lack of affordable safe housing, quality medical care and education, to preventing and protecting youth from Adverse Childhood Experiences (ACEs). ACEs are imperative to address because they are associated with a variety of health impacts including depression, post-traumatic stress disorder, anxiety, attempted suicide, substance use, academic achievement and high-risk sexual behaviors. A community resilience approach that addresses youth needs at multiple levels (SDOH, ACEs) can improve youth behavioral health outcomes and foster collaboration across child health, public health and community-based supports.

## 2. Service components

The Contractor will provide these two required components:

- a. Community Engagement
- b. Social Determinants of Health (SDOH) Screening and Referrals

## 3. Population to be served

The Trauma-Informed PEI for youth focuses on youth (9-25), with a focus on transition aged youth (15-25) who are at greatest risk for adverse childhood experiences, including youth of color, LGBTQ+ youth and youth who grow up in poverty.

## 4. Group-based intervention

- a. The Contractor will implement MBSAT with seven (7) cohorts of Group-Based Interventions over the duration of the contract term.
  - i. The Group-Based Intervention will consist of at least ten (10) forty-five (45) minute sessions per cohort and one (1) session for BHRS staff to present on youth engagement opportunities as described below in Section 5. Community Engagement.

- ii. Youth cohorts will consist of at minimum eight (8) youth per cohort or fifty-six (56) youth participants total.
    - a. Contractor will recruit more than eight (8) youth per cohort to account for attrition.
  - iii. Youth participants will complete at least eight (8) intervention/curriculum sessions.
  - iv. Cohorts will be conducted in a variety of settings to reach youth where they are, such as StarVista's Transitional Housing Placement Plus site for former foster youth, the Daly City Youth Center, the Jefferson Union high School District, LifeMoves' Haven House, StarVistas's Daybreak Transitional Program, Sequoia Union High School, the YMCA, the Fair Oaks Community Center and Friends for Youth.
  - v. Group members who attend the sessions will receive a gift card at the end of the cohort.
  - vi. Refreshments will be provided during each session and will follow healthy food guidelines, limiting salt, saturated and trans fats and added sugars.
- b. The Contractor will ensure staff facilitators receive the appropriate training and certification needed to deliver the intervention/curriculum with fidelity.
  - c. Contractor will complete the biannual 6-hour training offered through BHRS and the twelve (12) MBSAT training sessions required for certification.
  - d. Youth requiring more intensive and/or longer-term supports will be referred to the BHRS Access Call Center for appropriate supports.

## 5. Community Engagement

PEI evidence-based curriculums support youth skill building, but seldom address systemic and community-level challenges that are necessary for positive youth development and behavioral health outcomes.

- a. Contractor will provide a total of fourteen (14) foundational trauma-informed 101 trainings over the term of the agreement to the adults (parents, teachers, and other community members) that regularly interact with the MBSAT cohort participants to create trauma-informed community supports for youth.

- i. Contractor will coordinate and implement two (2) community trainings per proposed MBSAT cohort for a total of fourteen (14) trainings.
- ii. Contractor will provide childcare, refreshments and/or incentives as needed to encourage participation.
- iii. Contractor will support warm handoff referrals and provide resources to adult participants as needed.
- iv. Contractor will work with BHRS staff to provide leadership engagement opportunities to presented during one (1) session of the youth cohort.
  - a) The opportunities can be requested from the BHRS Office of Diversity and Equity (ODE) Health Ambassador Program for Youth and Alcohol and Other Drug (AOD) youth prevention programs.

## 6. SDOH Screening and Referrals

Social determinants of health (e.g., food insecurity, housing, transportation, medical treatment, etc.) can account for up to 40 percent of individual health outcomes, particularly among low-income populations.

- b. Contractor will screen all youth and transitional aged-youth participants (approximately 25-30 youth per fiscal year) selected for each cohort for social determinants of health impacts to support appropriate referrals and identifying community-based social service resources and social needs and/or gaps.
- c. Contractor will provide linkages/referrals for mental health, medical treatment or other identified services, as needed, including warm hand-offs to appropriate agencies to address youth's social needs.
- d. Contractor will provide linkages/referrals to BHRS for youth who may need more intensive or longer-term mental health and/or substance use treatment.

## 7. Staff Requirements

- e. Contractor will identify facilitators for the MBSAT programs that practice self-awareness, commitment to daily mindfulness practices and genuine interest in youth participants to develop positive rapport and relationships.
- f. Contractor will complete the biannual 6-hour training offered through BHRS and the 12 MBSAT training sessions required for certification.

- g. Clinical licensure or license-eligible (e.g., ACSW, AMFT) is preferred but not required.
- h. A Project Coordinator/Supervisor must be knowledgeable about mental health and substance use prevention and treatment and have experience in counseling adolescents.
- i. Staff will be reflective of the culture and ethnicity of the community served. At least one staff member will be Spanish speaking.
- j. Staff must complete twenty (20) hours of training per calendar year. Training topics will include, but are not limited to, the following:
  - i. HIPPA
