

Exhibit A-

Request for Proposals – Matrix On-Call Professional Services for Public Works Projects within the County of San Mateo Flood Resilience Program

1	Where was the RFP advertised?	Daily Journal, by email and phone, through advertising in newspapers, and by posting information on the San Mateo County's Procurement web page.
2	In addition to any advertisement, list others to whom the RFP announcement was sent:	Public Purchase Website released the RFP by email to one hundred fifty-three (153) contacts at engineering and environmental consulting firms in the Bay Area and California. Some firms had multiple contacts receiving the RFP. The Department also contacted forty-one (41) engineering and environmental consulting firms in the Bay Area and California that have worked for or proposed on work for the Department of Public Works in recent years or have asked to be on a vendor list. There were eleven (11) firms that were notified by both email and phone.
3	State the total number of RFP's sent to prospective proposers:	One hundred fifty-three (153) based on San Mateo County's Procurement web page statistics.
4	How many proposals did you receive?	Eleven (11) firms submitted proposals. Several firms submitted proposals for multiple categories. A breakdown of the number of proposals submitted for each category of work is listed as follows: Category 1 – Nine (9) Category 2 – Seven (7) Category 3 – Four (4)
