

**RESOLUTION NO. .**

**BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA**

\* \* \* \* \*

**RESOLUTION IN SUPPORT OF A \$4 MILLION FUNDING REQUEST TO THE  
COUNTY'S STATE DELEGATION FOR THE BUTANO CHANNEL RESTORATION  
AND RESILIENCE PROJECT**

---

**RESOLVED**, by the Board of Supervisors of the County of San Mateo, State of California, that

**WHEREAS**, Pescadero Marsh Natural Preserve is a special place and home to many state and federally listed threatened and endangered species; and

**WHEREAS**, historical land use in Pescadero Marsh and Butano Creek watershed has accelerated sedimentation, impacted water quality and conditions leading to recurring fish kills in the marsh, and contributed to flooding in the coastal community of Pescadero in rural San Mateo County; and

**WHEREAS**, in its current condition, Butano Creek frequently exceeds its channel capacity, even during minor rain events, causing Pescadero Creek Road to flood regularly—cutting the community off from emergency services and the main access to State Highway 1, and

**WHEREAS**, resource management of the marsh and lagoon have direct environmental, economic and public safety implications for the adjacent community; and

**WHEREAS**, residents and local elected officials have identify flooding as a

priority resource management concern; and

**WHEREAS**, the Butano Channel Restoration and Resilience Project will restore the connectivity of Butano Creek through Butano Marsh to Pescadero lagoon to re-establish severely impaired fish passage between the marsh and the watershed; and

**WHEREAS**, the project will also reduce flooding of the main road into town and adjacent properties and be a fundamental component of a coordinated effort on the part of the County and other stakeholders to address the flooding hazard which continues to pose real adversity to the environment and the community's economic and public safety

**NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED** that the Board of Supervisors supports a \$4 million funding request to the County's state delegation for the Butano Channel Restoration and Resilience Project.
