

## Attachment “A” – Proposed Parking Restriction

Adopt a resolution authorizing the establishment of a “No Parking Zone” at 1590 Purisima Creek Road (Road 41), in Unincorporated Half Moon Bay.

### Discussion:

The Department has evaluated the request and determined that a 100 foot “No Parking Zone” is beneficial to the adjacent neighborhood as well as the applicant.

### Key Facts:

- The property owner constructed a wall in the road right of way to segregate the graded shoulder of the road from his landscaped yard.
- There are no street lights at this location at Purisima Creek Road where the width of the road narrows and a turn begins; therefore, in consideration for keeping this wall on a rural road, staff recommends removal of parking for public safety
