# Federal Funding Freeze – Next Steps

- Federal reviews of programs continue
- A handful of County departments have received notices from federal agencies pausing funding to “identify and review all Federal financial assistance programs and supporting activities consistent with the President’s policies and requirements,” including certain recent executive orders
- Some notifications have specifically cited immigration and diversity, equity and inclusion (DEI) policies as justifications
- The CEO and CAO will continue to closely monitor evolving political and legal developments and work with individual departments to determine how best to respond
