In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend any further payment pursuant to this Agreement.

**8. Assignability and Subcontracting**

Grantee shall not assign this Agreement or any portion of it to a third party. Except as set forth in Exhibit A, Grantee shall not subcontract with a third party to perform the Project. **9. Compliance With Laws**

All services to be performed by Grantee in connection with the Project shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including, but not limited to, any laws related to payment of prevailing wages pursuant to the California Labor Code.
