1. GENERAL CUSTOMER SERVICE TERMS AND CONDITIONS

1. Services.

1.1 The services ("**Service(s)**") included in the quotation and/or Attachment A, as applicable (the "**Quotation**") will be provided by the Philips Entity ("**Philips**") entering into this Customer Service Agreement with Customer as identified in the Quotation. Philips will provide the Services to Customer for the equipment and software listed in the Quotation (the "**Equipment**") that is at the location in the Quotation (the "**Site**"), and certain Service deliverables will be provided for the exclusive benefit of the Site, under the terms and conditions described herein, including the Quotation, any exhibits and attachments, each of which are hereby incorporated (collectively, the "**Agreement**").

2. Access to Equipment.

2.1 Customer shall make the Equipment available to Philips at a mutually agreed date and time. If the Equipment is not available at the agreed upon time, Philips or Customer may attempt to reschedule the Service or cancel the Service. Philips may charge Customer at the then-current demand service rates for all time spent by Philips service personnel waiting for access to the Equipment.

3. Price.

3.1 In consideration for the Services to be performed by Philips, Customer shall pay the prices defined in the Quotation (the "**Contract Price**").

3.2 The Contract Price is a gross amount but exclusive of any value added tax (VAT), sales tax, GST, consumption tax or any other similar tax. If the transactions as described in the Agreement are subject to any applicable VAT, sales tax, consumption tax or any other similar tax, Philips will charge VAT, sales tax, consumption tax or any other similar tax to Customer, which will be paid by Customer in addition to the Contract Price. Customer shall provide Philips with an appropriate exemption certificate in advance of the date the Service is invoiced, or Customer shall pay all taxes per Philips' invoice.

3.3 Contract Prices are based on the price levels at the effective date of the Agreement. Except as otherwise provided on the Quotation, Philips reserves the right to adjust customer list pricing and (or) net pricing, during the term of the Agreement set forth in the Quotation and incorporated herein ("**Term**"). Such adjustment in pricing requires thirty (30) day written notice, will not be retroactive, cannot start before first year of contract, and will not exceed more than five percent (5%) change annually. Price adjustments shall be in accordance with:

3.3.1 For customers in the United States, the Consumer Price Index published by the United States Bureau of Labor Statistics on its website at <http://www.bls.gov/cpi>.

3.3.2 For customers in Canada, the Consumer Price Index published by Statistics Canada on its website at https://www.statcan.gc.ca/en/subjects-start/prices_and_price_indexes/consumer_price_indexes.

3.4 Customer shall notify Philips and Philips shall be entitled to change the Contract Price in the event that:

3.4.1 the location of the Equipment changes;

3.4.2 any ambient conditions of operation (e.g., installation or de-installation of air-conditioning system) of the Equipment at the location change;

3.4.3 any additional equipment is acquired by the end-user which should be added to the inventory list of Equipment;

3.4.4 the Equipment is (partly) removed or taken out of service by Customer; and/or

3.4.5 the incoming main power supply and protective earth configuration changes, becomes unreliable, or is no longer in accordance with the Equipment specifications.

3.5 List Price Harmonization. In an effort to simplify and harmonize Philips services and/or products portfolio pricing structure Philips may, no more than once during the term of the Agreement, unilaterally adjust the price list and discount schedule for services and/or products under this Agreement, with no impact to the current net price. Philips will:

3.5.1 Provide thirty (30) days' written notice prior to fixing the net price of the service(s) and/or product(s) sold under this Agreement for twelve (12) months (the "**Lock Period**") at the net price (the "**Lock Price**") of the service(s) and/or product(s) in effect at the time of Customer's receipt of the written notice.

3.5.2 Provide an updated Agreement price file showing the new list price and new discount, which together will not change the Lock Price set at the beginning of the Lock Period.

3.5.3 Upon termination of the Lock Period, the net price of the service(s) and/or product(s) will be maintained in the manner defined in the Agreement.

4. Payment.

4.1 Customer shall pay the Contract Price to Philips within thirty (30) days from the date of invoice in accordance with the instructions on the invoice.

- 4.2 Customer shall make any payments under this Agreement without any set-off, withholdings, or any other deductions.
- 4.3 Payments may be made by check, ACH, or wire. Philips does not accept transaction fees for wire transfers or any other payment method; Philips imposes a surcharge on credit cards of two percent (2%), which is not greater than Philips' cost of acceptance. All check payments over \$50,000 USD or CAD must be paid via eCheck or via Philips prepaid FedEx account with tracking to secure against fraud and misappropriation.
- 4.4 Customer shall pay interest on any amount not paid when due at the annual rate of twelve percent (12%) in the case of the U.S., which may be billed on a monthly basis or at the maximum rate permitted by applicable law for Canada. If Customer fails to pay any amounts due or breaches these Conditions of Service, Philips will be entitled to suspend the performance of its obligations and deduct the unpaid amount from any amounts otherwise owed to Customer by Philips, in addition to any other rights or remedies available to Philips. Philips shall be entitled to recover all costs and expenses, including reasonable attorneys' fees related to the enforcement of its rights or remedies.

 - 4.7.3 declare all sums outstanding to become immediately due and payable under the Agreement;
 - 4.7.4 commence collection activities for all sums due or to become due hereunder, including, but not limited to costs and expenses of collection, and reasonable attorneys' fees; and/or
 - 4.7.5 if Customer does not cure its payment failure in accordance with Section 18.5.1, terminate this Agreement with ten (10) days' notice to Customer.
- 4.8 If Customer has contracted with a third-party service management organization, asset management company, maintenance management company, technology management company, maintenance insurance organization, or the like ("Third-Party Organization") for purposes of centralized billing and management of Services provided to Customer, at Customer's written request, Philips will route invoices for payment of Services rendered by Philips to such Third-Party Organization and accept payment from them on Customer's behalf. Notwithstanding the above, the Services provided by Philips are subject solely to the terms and conditions set forth in this Agreement. Customer guarantees the payment of all monies due or that may become due under this Agreement in spite of any collateral arrangements Customer may have with such Third-Party Organization or any payments Customer has made to the Third-Party Organization. 10.1 AFTER THE END OF LIFE DATE, PHILIPS WILL CONTINUE TO USE COMMERCIALY REASONABLE EFFORTS TO REPAIR EQUIPMENT, BASED ON PARTS AND TRAINED ENGINEER AVAILABILITY, BUT WITH NO UPTIME GUARANTEE. AFTER THE END OF LIFE DATE, PHILIPS WILL NOT CREATE OR TEST BUG FIXES, PATCHES, OR ENHANCEMENTS TO THE EQUIPMENT HARDWARE OR SOFTWARE.

10.2 If Philips determines that its ability to provide the Services is hindered due to the unavailability of parts or trained personnel, or that the Equipment can no longer be maintained in a safe or effective manner, as determined by Philips, then Philips may terminate this Agreement with respect to such Equipment upon notice to Customer and provide Customer with a refund of any Customer pre-payments for periods of Service coverage not already completed.

11. Proprietary Service Materials.

11.1 In connection with the Services, Philips may deliver or transmit to the Site certain proprietary service materials (including software, tools, and written documentation) that have not been purchased by or licensed to Customer. The presence of this property within the Site will not give Customer any right or title to this property or any license or other right to access, use, or decompile this property. Customer hereby consents to this delivery, storage, attachment, installation, and use of such proprietary service materials, and Customer consents to the presence of a Philips' locked cabinet or box at the Site for storage of this property and to Philips' removal of all or any part of this property at any time, all without charge to Philips. Customer agrees to return any service tools that are no longer required on-site to Philips and to take responsibility for exportation, duties, fees, and transport cost, all in accordance with Philips' instructions; failure to do so entitles Philips to invoice Customer for the value of the respective tool. Customer will protect this property against damage or loss and to prevent any access to or use of this property by any unauthorized party and Customer will be liable for any violation thereof. Customer shall immediately report to Philips any violation of this provision.

12. Confidentiality.

12.1 Each party will maintain as confidential any information furnished or disclosed to one party by the other party, whether disclosed in writing, visually, or orally, relating to the business of the disclosing party, its customers, or its patients, and this Agreement and its terms, including its pricing terms. Each party will use the same degree of care to protect the confidentiality of the disclosed information as that party uses to protect the confidentiality of its own information, but not less than reasonable care. Each party will disclose such information only to its employees, and in the case of Philips, its Affiliates and subcontractors having a need to know such information to perform the transactions contemplated by this Agreement. The obligation to maintain the confidentiality of such information will not extend to (i) information in the public domain at the time of disclosure, (ii) information that is lawfully obtained by the receiving party from a third party without any breach of confidentiality or violation of law, or (iii) information that is required to be disclosed by law or by court order. The confidentiality obligations herein will expire five (5) years after the Agreement terminates or expires. The disclosing party maintains exclusive ownership of the confidential information that it discloses to the receiving party, and the receiving party shall be responsible for the breach of these confidentiality terms by any of its representatives or other person to whom it may disclose the confidential information. Notwithstanding the foregoing, in the event a party is required by law or court order to disclose the other party's confidential information to a court, government department/agency, or regulatory body, to the extent permitted by applicable law, it shall first inform the other party of the request or requirement for disclosure to allow an opportunity for the other party to apply for an order to prohibit or restrict such disclosure. Moreover, nothing set forth herein shall prohibit Customer from disclosing confidential information required by state or federal open records laws, to the extent disclosed in compliance with the rules and procedures applicable thereto, including notifying Philips and providing Philips an opportunity to argue certain information may be exempt as a trade secret, if applicable thereunder. The party receiving the other party's confidential information agrees and acknowledges that any breach or threatened breach of these obligations of confidentiality may result in irreparable harm to the disclosing party for which there may be no adequate remedy at law. In addition to any other remedies, in such event the disclosing party may be entitled to seek an injunction, without the necessity of posting a bond, to prevent any further breach of this Agreement by the receiving party.

13. Compliance with Laws & Privacy.

13.1 If any provision of these Conditions of Service is found to be unlawful, unenforceable, or invalid, in whole or in part, the validity and enforceability of the remaining provisions shall remain in full force and effect. In lieu of any provision deemed to be unlawful, unenforceable, or invalid, in whole or in part, a provision reflecting the original intent of these Conditions of Service, to the extent permitted by the applicable law, shall be deemed to be a substitute for that provision. The failure by Customer

or Philips at any time to require compliance with any obligation shall not affect the right to require its enforcement at any time thereafter.

- 13.2 For customers in the United States, each party shall comply with all laws, rules, and regulations applicable to the party in connection with the performance of its obligations in connection with the transactions contemplated by the Quotation, including, but not limited to, those relating to employment practices, federal and state anti-discrimination laws (including Title VII of the Civil Rights Act of 1964 as amended, the Rehabilitation Act of 1973 as amended and the Veterans Readjustment ACT of 1972 as amended), E-Verify, FDA, Medicare fraud and abuse, and the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Health care providers are reminded that if the purchase includes a discount or loan, they must fully and accurately report such discount or loan on cost reports or other applicable claims for payment submitted under any federal or state health care program, including but not limited to Medicare and Medicaid, as required by federal law (see 42 CFR 1001.952[h]).
- 13.3 To the extent applicable, Customer acknowledges it shall comply with all Medicare, Medicaid, or state cost reporting requirements, including discounts afforded to Customer under this Agreement, for any and Services or parts purchased hereunder. Omnibus Reconciliation Act (OMNI) Social Security (PL96-499, Public Law).
- 13.4 To the extent applicable to your country or state, Philips and Customer shall comply with the Omnibus Reconciliation Act of 1980 (P.L. 96-499) and its implementing regulations (42 CFR, Part 420). Philips agrees that until the expiration of four (4) years after furnishing Services or parts pursuant to these Terms and Conditions, Philips shall make available, upon written request of the Secretary of the Department of Health and Human Services, or upon request of the Comptroller General, or any of their duly authorized representatives, these Terms and Conditions of Service and the books, documents, and records of Philips that are necessary to verify the nature and extent of the costs charged to Customer hereunder. Philips further agrees that if Philips carries out any of the duties of these Terms and Conditions through a subcontract with a value or cost of ten-thousand U.S. dollars (\$10,000.00) or more over a twelve (12) month period, with a related organization, such subcontract shall contain a clause to the effect that until the expiration of four (4) years after the furnishing of such Services pursuant to such subcontract, the related organization shall make available, upon written request of the Secretary, or upon request of the Comptroller General, or any of their duly authorized representatives the subcontract, and books, documents, and records of such organization that are necessary to verify the nature and extent of such costs. This paragraph relating to the retention and production of documents is included because of possible application of Section 1861(v) (1) (1) of the Social Security Act (42 U.S.C. 1395x (v) (1) (I) (1989)), as amended from time to time, to these Terms and Conditions. If Section 1861(v) (1) (1) should be found to be inapplicable, then this paragraph shall be deemed inoperative and without force and effect.
- 13.5 Excluded Provider. As of the date of the sale of the Services, Philips represents and warrants that Philips, and its employees and subcontractors, are not debarred, excluded, suspended, or otherwise ineligible to participate in a federal or state health care program, nor have they been convicted of any health care related crime for the Services and parts provided under these Terms and Conditions of Service (an "Excluded Provider"). Philips shall promptly notify Customer if it becomes aware that Philips or any of its employees or subcontractors providing Services hereunder have become an Excluded Provider under a federal or state healthcare program, whereupon Customer shall provide Philips with a reasonable opportunity to discuss and attempt to resolve in good faith with Customer any Customer-related concerns in relation thereto, and/or will give Philips a reasonable opportunity to dispute its, or its employee's or subcontractor's, designation as an Excluded Provider. In the event that the Parties are unable to resolve any such Customer concerns of the applicable party's designation as an Excluded Provider, then Customer may terminate this order by express written notice for Services not yet rendered and parts not yet shipped prior to a date of exclusion.
- 13.6 To the extent applicable to your state, it is Customer's responsibility to notify Philips if any portion of the Quotation is funded under the American Reinvestment and Recovery Act (ARRA). To ensure compliance with the ARRA regulation, Customer shall include a clause stating that the Quotation is funded under ARRA on its purchase order or other document issued by Customer.
- 13.7 For those customers where Canadian Federal and/or Provincial privacy laws ("Canadian Privacy Laws") apply, Philips and Customer will comply with Canadian Privacy Laws in fulfilling their respective obligations hereunder. Customer acknowledges that Philips may be required, in limited circumstances, to store or grant access to Personal Data to the original equipment manufacturer (OEM) or its Affiliates located outside of Canada. Unless otherwise permitted by law, such disclosure will be limited to exceptional circumstances where it is necessary for the purposes of installing, implementing, maintaining, repairing, trouble shooting, or upgrading the Equipment, or where data recovery assistance from the OEM is necessary. Where required by law, any such disclosure will be limited to temporary access and storage for the minimum time necessary for the purpose and only as required in order to meet the requirements of this Agreement. Customer acknowledges and agrees that Customer is responsible for obtaining all required consents and providing all required notices to individuals to allow Philips and its subcontractors to process Personal Data for the purposes set out herein.

14. Processing of Personal Data.

- 14.1 During provision of the Services, Philips and/or its Affiliates may process information, in any form, that may qualify as personal data, which is information relating to an individual from which that individual can be directly or indirectly identified. Philips and/or its Affiliates will: (i) process any protected health information (PHI) as defined by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) on behalf and by instruction of Customer (the terms and conditions governing Philips' handling, processing, storage, or use of PHI are set forth in the Business Associate Agreement or Addendum between the parties) and (ii) process information such as log files or device parameters (which may contain personal data) to provide the Services and to enable its compliance with and performance of its task as manufacturer of medical devices under the applicable regulations and standards, including but not limited to the performance of vigilance, post-market surveillance and clinical evaluation related activities.

15. Use of Non-Personal Data.

15.1 Customer agrees that Philips and/or its Affiliates may use any data other than personal data generated by the Equipment and/or otherwise provided by Customer to Philips for Philips' own legitimate business purposes including, but not limited to, for data analytics activities to determine trends of usage and advise on the use of Philips products and Services, for research, product and service development and improvement (including the development of new offerings), substantiation of marketing claims, and for benchmarking purposes.

16. Export Control.

16.1 The provision of Service may be subject to the granting of governmental export licenses. In the event that such licenses or an end-user statement are required, Philips will contact Customer immediately and Customer shall provide Philips with such documents on first request. In case the provision of the Services becomes restricted or forbidden due to changed export control laws, Philips may suspend or terminate, at its option, the execution of its obligations under this Agreement without incurring any liability toward Customer other than reimbursing any amounts received for Services not yet rendered.

17. Subcontracts and Assignments.

17.1 Philips may subcontract to service contractors of Philips' choice any of Philips' service obligations to Customer or other activities performed by Philips under this Agreement. No such subcontract will release Philips from those obligations to Customer. Philips may, without prior notice or consent, assign this Agreement to its parent corporation, any of its Affiliates, or to a successor entity in the event of a merger, consolidation, transfer, sale, stock purchase or public offering, as long as the party who receives the assignment assumes all of Philips' obligations hereunder. Customer may not assign this Agreement or the responsibility for payments due under it without Philips' prior express written consent, which will not be unreasonably withheld.

18. Term and Termination.

18.1 This Agreement is non-cancelable by Customer unless as expressly set forth in this Agreement and will remain in effect for the Term.

18.2 Either party may terminate this Agreement upon written notice in the event that the other party becomes or is deemed to be insolvent, discontinues business, is unable to pay its debts, is the subject of bankruptcy proceedings, enters into liquidation whether compulsory or voluntarily or has a receiver or administrator appointed over all or any part of its assets, enters into any arrangement or agreement, or assignment with, or for the benefit of its creditors or any of them, or if the other party takes or suffers any similar action in consequence of debt or insolvency in any jurisdiction. If Customer becomes insolvent, unable to pay its debts as they fall due, files for bankruptcy or is subject to it, has appointed a recipient, is subject to a late fee on payments (temporary or permanent), or has its assets assigned or frozen, Philips may cancel any unfulfilled obligations or suspend its performance; provided that, however, Customer's financial obligations to Philips shall remain in full force and effect.

18.3 If Customer sells or otherwise transfers any of the Equipment to a third party and the Equipment remains installed and in use at the same location, and such third party assumes the obligations of Customer under this Agreement or enters into a new service agreement with Philips, the price will be equal to the price in this Agreement and a term at least equal to the unexpired/unused term of this Agreement. If such third party does not assume the obligations of Customer under this Agreement, then Customer may terminate this Agreement with respect to such Equipment upon no less than thirty (30) days' prior written notice to Philips, in which case Customer shall pay to Philips (i) all amounts due under this Agreement through the effective date of termination (based on the notice requirement) and (ii) as liquidated damages, and not as a penalty, an amount equal to thirty percent (30%) of the remaining payments due under this Agreement for such Equipment from the date of termination through the scheduled expiration of the term of this Agreement.

18.4 Customer may terminate this Agreement, wholly or partially, upon sixty (60) days' written notice to Philips:

18.4.1 representing that any of the Equipment is being permanently removed from the Site and is not being used in any other Customer site, or

18.4.2 specifically describing a material breach or default of this Agreement by Philips, provided however that Philips may avoid such termination by curing the condition of breach or default within such sixty (60) days' notice period.

18.5 Philips may terminate this Agreement, wholly or partially:

18.5.1 if Customer defaults in the performance of any of its obligations under this Agreement, and fails to remedy the same within sixty (60) days of a written notice, or

18.5.2 as described in Section 4 (Payment) and Section 10 (End of Life).

19. Independent Contractor.

19.1 Philips is Customer's independent contractor. Nothing in this Agreement shall be construed to designate Philips or Philips' employees or Philips' subcontractor or any of its employees as Customer employees, agents, or partners. Philips' employees and Philips subcontractors are under Philips' exclusive direction and control. Philips has no liability or responsibility for and does not warrant Customer's or Customer's employees' or other representatives' acts or omissions related to any services that are performed by Customer's employees or representatives under this Agreement.

20. Force Majeure.

20.1 Each party shall not be liable in respect of the non-performance of any of its obligations (except for payment obligations for Services rendered) to the extent such performance is prevented by any circumstances beyond its reasonable control, including, but not limited to, acts of God, war, civil war, insurrection, fire, flood, labor disputes, epidemics, pandemic, cyber-attack, act of terrorism, governmental regulations and/or similar acts, embargoes, export control sanctions or restrictions, Philips' unavailability regarding any required permits, licenses and/or authorizations, default or force majeure of suppliers or subcontractors. If force majeure prevents Philips from performing any obligation arising out of the sale, Philips shall not be liable to Customer for any compensation, reimbursement, or damages.

21. Third-Party Products Provided by Philips.

21.1 To the extent a third-party products service plan is explicitly identified in the Quotation, Philips shall be responsible for servicing third-party products provided by Philips. Otherwise, Philips is not responsible for servicing any third-party products provided by Philips to Customer.

22. Adulterated Systems.

22.1 If Philips determines that the Equipment has been modified or adulterated in a manner not explicitly specified in the documentation accompanying the Equipment, including without limitation by including a part, component, or device not specified as compatible (an "Adulterated System"), and such modification or adulteration hinders Philips' ability to provide the Service or maintain the Equipment in a safe or effective manner, then Philips will promptly notify Customer of such Adulterated System. Following receipt of such notice, if Customer does not permit Philips (at Customer's cost) to remediate the Adulterated System, then Philips may remove the Adulterated System from the Site list, adjust the Services under this Agreement, and provide Customer with a refund of any Customer pre-payments for periods of Service not yet rendered or parts not yet provided.

23. Insurance.

23.1 Upon Customer request, Philips will provide a Certificate of Philips insurance coverage.

24. Rules and Regulations.

24.1 To the extent made known in writing to Philips, Philips and its subcontractors will comply with Customer's rules and regulations provided such rules and regulations do not conflict with established Philips policies.

25. Miscellaneous.

25.1 Survival. Customer's obligation to pay any money due to Philips hereunder survives expiration or termination of this Agreement. All of Philips' rights, privileges, and remedies with respect to this Agreement will continue in full force and effect after the end of this Agreement.

25.2 Performance. The failure of Customer or of Philips at any time to require the performance of any obligation will not affect the right to require such performance at any time thereafter. Course of dealing, course of performance, course of conduct, prior dealings, usage of trade, community standards, industry standards, and customary standards and customary practice or interpretation in matters involving the Service and delivery of similar or dissimilar services shall not serve as references in interpreting the terms and conditions of this Agreement.

25.3 Severability. If any provision of the Agreement is deemed to be illegal, unenforceable, or invalid, in whole or in part, the validity and enforceability of the remaining provisions shall not be affected or impaired and shall continue in full force and effect.

25.4 Counterparts. This Agreement may be executed in one or more counterpart copies, each of equal validity, that together constitute one and the same instrument. Any photocopy or facsimile of this Agreement or any such counterpart is deemed the equivalent of an original and any such facsimiles constitute evidence of the existence of this Agreement.

25.5 Governing Law. All transactions contemplated under this Agreement shall be governed by the laws of the state in which the Equipment is located, without regard to that state's choice of law principles, and expressly excluding application of the Uniform Computer Information Transactions Act ("UCITA"), in any form. EACH PARTY, KNOWINGLY AND AFTER CONSULTATION WITH COUNSEL, FOR ITSELF, IT'S SUCCESSORS' AND ASSIGNS, WAIVES ALL RIGHT TO TRIAL BY JURY OF ANY CLAIM ARISING WITH RESPECT TO THIS AGREEMENT OR ANY MATTER RELATED IN ANY WAY THERETO.

25.6 Amendment. Save and except for items where Philips has retained the right to unilaterally amend the terms of this Agreement, this Agreement may not be amended except by written instrument signed by both parties.

The License shall continue for as long as Customer continues to own the product, except that Philips may terminate the License if Customer is in breach or default of these Terms and Conditions and/or the Quotation. Customer shall return the Licensed Software and any authorized copies thereof to Philips immediately upon expiration or termination of this License.

26.1.2 The License does not include any right to use the Licensed Software for purposes other than the operation of the product. Customer will not (and will not allow any third party to) decompile, disassemble, or otherwise reverse engineer or attempt to reconstruct or discover the product or Licensed Software by any means whatsoever.

26.1.3 The License shall not affect the exclusive ownership by Philips of the Licensed Software or of any trademarks, copyrights, patents, trade secrets, or other intellectual property rights of Philips (or any of Philips' suppliers) relating to the Licensed Software.

26.1.4 Customer agrees that only authorized officers, employees, and agents of Customer will use the Licensed Software or have access to the Licensed Software (or to any part thereof), and that none of Customer's officers, employees, or agents will disclose the Licensed Software, or any portion thereof, or permit the Licensed Software, or any portion thereof, to be used by any person or entity other than those entities identified on the Quotation. Customer installation of Philips issued patches or updates shall not be deemed to be modification. If Customer or any of its officers, employees, or agents should devise any revisions, enhancements, additions, modifications, or improvements in the Licensed Software, Customer shall disclose them to Philips, and Philips shall have a non-exclusive royalty-free license to use and to sub-license them.

26.2.2 The Licensed Software is licensed to Customer on the basis that (a) Customer shall maintain the configuration of the products as they were originally designed and manufactured and (b) the product includes only those subsystems and components certified by Philips. The Licensed Software may not perform as intended on systems modified by other than Philips or its authorized agents, or on systems which include subsystems or components not certified by Philips. Philips does not assume any responsibility or liability with respect to unauthorized modification or substitution of subsystems or components.

The obligations of Philips described herein and in the applicable product-specific warranty document are Philips' only obligations and Customer's sole and exclusive remedy for a breach of a product warranty.

Philips may use refurbished parts in the manufacture of the products, which are subject to the same quality control procedures and warranties as for new products.

27. Philips IntelliVue Products.

- 27.1 The following applies in the event Customer elects to use the Philips IntelliVue Information Center on its general network versus dedicating a separate IntelliVue Clinical Network to support the communication between the Philips IntelliVue Information Center and the Philips IntelliVue bedside Vital Signs Patient Care Monitors:
- 27.1.1 The Philips IntelliVue Information Center is a secondary vital signs monitoring tool that is used by Customers to monitor the activity arising from alarms that sound from a Vital Signs Patient Care Monitor at the patient bedside. Philips advises that the likelihood of network or bandwidth outages is generally greater when using a medical device on a general network vs. a network dedicated solely to its use. In the event of a network or bandwidth outage were to directly affect the Philips IntelliVue Information Center's ability to communicate with a bedside Monitor, the Philips IntelliVue Information Center would not be available to get real time alarm information from a bedside Monitor. Accordingly, Customer is reminded that its nursing protocols at the patient room floor must be based on using the Philips bedside Monitor, at all times, as the primary medical device to use and respond to, for monitoring patient's vital signs at the patient bedside.
- 27.1.2 Philips does not sell anti-virus software with these products. Customer bears the sole responsibility to purchase and manage all virus issues in connection with the products. Use of anti-virus in a manner not recommended in the user manual or without patch validation with Philips is Customer's sole responsibility or risk.
- 27.1.3 Philips IntelliVue Information Center. PIIC iX supports multiple antivirus solutions. See the document PIIC iX and PIIC Antivirus Software Use and Configuration Guide for details.

11.3 The following is not Confidential Information: (i) if requested pursuant to a PRA request – a copy of this Agreement, its terms, and the prices charged by Philips to Customer, (ii)) information in the public domain at the time of disclosure, (iii) information that is lawfully obtained by the receiving party from a third party without any breach of confidentiality or violation of law, or (iv) information that is required to be disclosed by law or by court order.

The confidentiality obligations herein will expire five (5) years after the Agreement terminates or expires. The disclosing party maintains exclusive ownership of the Confidential information that it discloses to the receiving party, and the receiving party shall be responsible for the breach of these confidentiality terms by any of its representatives or other person to whom it may disclose the Confidential information. In the event a party is required by law or court order to disclose the other party’s Confidential information to a court, government department/agency, or regulatory body, to the extent permitted by applicable law, it shall first inform the other party of the request or requirement for disclosure to allow an opportunity for the other party to apply for an order to prohibit or restrict such disclosure. Nothing set forth herein shall prohibit Customer from disclosing Confidential information required by state or federal open records laws, to the extent disclosed in compliance with the rules and procedures applicable thereto, including, for example, notifying Philips and providing Philips an opportunity to argue certain information may be exempt as a trade secret, if applicable thereunder. The party receiving the other party’s Confidential information agrees and acknowledges that any breach or threatened breach of these obligations of confidentiality may result in irreparable harm to the disclosing party for which there may be no adequate remedy at law. In addition to any other remedies, in such event the disclosing party may be entitled to seek an injunction, without the necessity of posting a bond, to prevent any further breach of this Agreement by the receiving party

Customer will give Philips notice and a copy of any such PRA request at least seven (7) days prior to the applicable statutory deadline to which Customer are required to produce records responsive to such request so that Philips may review the requested records. Philips may request Customer withhold, or redact those portions of, such records that Philips asserts are confidential or exempt from disclosure as provided under the law. Prior to any required disclosure, Customer and Philips will discuss how Customer are responding and Philips may seek a protective order, and Customer will reasonably cooperate with Philips's efforts to protect any Confidential Information against disclosure, provided that in no event will Customer be required to initiate legal action to avoid the disclosure. If a requestor seeks to obtain Confidential Information through a court proceeding, Customer will promptly notify Philips allowing Philips reasonable time to oppose such request. If, after Philips receives notice in accordance with the preceding sentence, Customer is required to disclose such Confidential Information by court order, then Customer may disclose such information pursuant to the requirements of the law and such binding court order (except if Philips may seek a stay of such court order, then not until Philips's time to seek such stay has expired or the stay is finally denied). In the event that Philips does timely file with a court of law to seek a protective order, only following the final judgment in such action, or earlier with Philips's written consent or if Philips's time to obtain such protective order has expired, may Customer disclose such information as required by law.

In any court proceeding to restrict disclosure of Philips's Confidential Information pursuant to a PRA request, Philips will not unreasonably withhold its consent if Customer seeks to excuse itself from such proceeding, provided such excusal does not limit Philips's ability to seek, assert, or enforce a protective order. Philips agrees to defend, indemnify, and hold Customer harmless from any costs (including attorneys' fees) and damages claimed to be owed to the requestor under the PRA that are directly and proximately caused by Customer not disclosing, at Philips's request, any document or portion thereof, to the extent such costs and damages are incurred during the period of beginning when Customer refuse to disclose such document or portion thereof at Philips's request until the time that Philips directs Customer to release such document or portion thereof (or, if Philips fails to do so, until such costs and damages otherwise cease to be incurred); provided, however, that (i) Customer promptly notify Philips in writing of any PRA request or other attempt to compel production of such Philips's Confidential Information, (ii) give Philips a reasonable opportunity to consent to the disclosure, (iii) if Philips does not consent to the disclosure and there is a claim, promptly provide Philips with the information reasonably required for the defense of the same, and grant Philips exclusive control over the defense and settlement of the claim, and (iv) Customer have not, without Philips's express written consent or a valid court order (except if Philips may seek a stay of such court order, then not until Philips's time to seek such stay has expired or the stay is finally denied), disclosed to any third party such Philips's Confidential Information that Philips has requested not to be disclosed
