WHEREAS, MoonRock 2023 LLC has requested to have the Property designated as an Agricultural Preserve and to enter into a California Land Conservation (Williamson) Act contract, and has submitted its request with a properly executed contract form previously approved by this Board, for execution by this Board; and

WHEREAS, the County of San Mateo is authorized to establish Agricultural Preserves by the Act; and

WHEREAS, all procedural requirements of the Act and Board of Supervisors of San Mateo County Resolution No. 071565 have been followed; and

WHEREAS, this Board has received and reviewed the report of the Planning Commission establishing that this Agricultural Preserve is consistent with the General Plan of San Mateo County; and

WHEREAS, this Board deems it desirable to enter into land conservation contracts, under the provisions of the Act, with owners of land which is appropriately used for agriculture or other purposes authorized by the Act, or purposes left within the discretion of the Board of Supervisors under the terms of the Act; and

WHEREAS, the Board of Supervisors does hereby establish the policy and rules which will govern the administration of this Agricultural Preserve, as follows:

1. Establishment, Disestablishment, Alterations. The procedures set forth in Resolution No. 071565 of the Board of Supervisors of San Mateo County shall govern the establishment, disestablishment, and alteration of the boundaries of this Preserve. The procedures in Resolution No. 071565 are incorporated herein and made a part hereof as it fully set forth.
2. Policy. This Board recognizes that:
 - a. The preservation of a maximum amount of the limited supply of agricultural land is necessary for the conservation of the State's economic resources, and is necessary not only for the maintenance of the agricultural economy of the State, but also for the assurance of adequate, healthful and nutritious food for future residents of this State and Nation.

- b. The discouragement of premature and unnecessary conversion of agricultural and open spaces to urban uses is a matter of public interest and will be of benefit to urban dwellers themselves in that it will discourage discontinuous urban development patterns which unnecessarily increase the costs of community services to community residents.
 - c. In a rapidly urbanizing society, agricultural and other open space lands have a definite public value as open space, and the preservation in agricultural production of such lands, the use of which may be limited under the provisions of the Williamson Act, constitutes an important physical, social, aesthetic, and economic asset to existing or pending urban or metropolitan developments.
 - d. Within this Preserve, the lands shall be used only for the commercial production of agricultural commodities and other compatible uses herein designated.
 - e. Property owners executing a contract for property within this Preserve should understand that the Board of Supervisors intends that the contract will run for the full term provided therein.
3. Permitted Agricultural Uses. Permitted agricultural uses are defined in EXHIBIT "B" hereto, which is incorporated herein and made a part of this Resolution.

4. Compatible Uses. Compatible uses are defined in EXHIBIT "C" hereto, which is incorporated herein and made a part of this Resolution.

5. Limitation on Uses. If a contract is entered into, incorporating the agricultural and compatible uses specified in EXHIBITS "B" and "C" hereto, the property owner shall be limited to said uses even though the Zoning Ordinance or other codes, ordinances or regulations authorize different uses. In the event other codes, ordinances or regulations are or should become more restrictive than the uses authorized by the contract, the codes, ordinances, or regulations shall prevail.

6. Continuation of Preserve. Pursuant to the California Land Conservation Act, this Preserve shall continue in full effect following any annexation, incorporation or disincorporation of the land described in EXHIBIT "A", except as provided for in Subsection 51243(b) of the Government Code.

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED by the Board of Supervisors as follows:

1. That the area of San Mateo County described in EXHIBIT "A" of this Resolution is hereby designated and established as an Agricultural Preserve within the meaning of and pursuant to the California Land Conservation Act of 1965, subject to the policy and rules specified herein.

2. That the form of the Land Conservation (Williamson) Act contract presented to this Board be, and is hereby, approved.

3. That the President of this Board of Supervisors be, and is hereby, authorized and directed to execute said contract for and on behalf of the County of San Mateo, and the Clerk of this Board shall attest their signature hereto.

4. That a copy of this Resolution, and a Map of the property described in EXHIBIT "A", be filed with the County Recorder of San Mateo for said County Recorder and Director of Agriculture, State of California, and that the Resolution and Map be kept current by the County of San Mateo for the County Recorder and Director of Agriculture.
