Water Service Description	Percentage	Amount	
Installation labor daytime, materials, paving, dump fees, backfill material, permit fee, inspection fee, of all services		\$ 206,376.06	\$ 247,651.27
CWS Construction Overhead	20%	\$ 41,275.21	
State Tax for Fire Service	5%		\$ 12,382.56
Federal Tax for Domestic Services	15%		\$ 37,147.69
<b>Estimated Total For Project:</b>			<b>\$ 297,181.53</b>

The estimate above is for the installation of 2 - 4" services and 1 – 8" Fire Service. This estimate includes paving to the City of Menlo Park standards.

Above is an estimated cost which must be paid up in full before any permits, or work can be started.

Upon completion of all Cal Water work, an adjustment will be made for any difference between the estimated cost (deposit amount) and the actual cost. If the actual cost is less than the deposited amount, a refund will be issued to the payee. If the actual cost is more than the amount deposited, the applicant will be invoiced and is responsible for the remaining balance.

If you choose to proceed, please acknowledge this letter below, and return with a check in the amount noted above as "Estimated Total for Project." Our estimate is subject of acknowledgement and payment within thirty (30) days of this dated letter.
