PLEDGE OF ALLEGIANCE

COMMENTS AND MOMENT OF SILENCE IN HONOR OF PRESIDENT JIMMY CARTER

Supervisor Elect Jackie Speier stated the following: "I went to serve in Congress in 1986, and I worked then for the late Congressman Leo Ryan and Congressman Ryan was the first member of the House of Representatives to endorse Jimmy Carter for president. So long history with him, I think he represents for all of us the humility and the compassion that we would like to see in a President and there's no question that in his years after his presidency, he set an example for what a President should do in their retirement and we are very lucky he served what he did."

Supervisor Noelia Corzo stated the following: "I just wanted to add that as someone who I would say had to do a lot of learning about Jimmy Carter, I'm just continue to be in awe of his legacy and of the human rights activist and leader that he was in the world and truly am grateful for all of his service, not just as a President but all of the decades afterwards. And one of my favorite things that I learned about him was that up until the age of 94, he was still building homes with Habitat for Humanity and he actually had to be told, you can't do this anymore, but that is just what an amazing human being and may his legacy live on forever."
