20. Reimbursable Travel Expenses

To the extent that this Agreement authorizes reimbursements to Contractor for travel, lodging, and other related expenses as defined in this section, the Contractor must comply with all the terms of this section in order to be reimbursed for travel.

- b. Itemized receipts (copies accepted) for all reimbursable travel expenses are required to be provided as supporting documentation with all invoices submitted to the County.
- c. Unless otherwise specified in this section, the County will reimburse Contractor for reimbursable travel expenses for days when services were provided to the County. The County will reimburse for travel at 75% of the maximum reimbursement amount for the actual costs of meals and incidental expenses on the day preceding and/or the day following days when services were provided to the County, provided that such reimbursement is reasonable, in light of travel time and other relevant factors, and is approved in writing by authorized County personnel.

- e. The maximum reimbursement amount for the actual lodging, meal and incidental expenses is limited to the then-current Continental United States ("CONUS") rate for the

- f. The maximum reimbursement amount for the actual cost of airfare shall be limited to fares for Economy Class or below. Air travel fares will not be reimbursed for first class, business class, "economy-plus," or other such classes. Reimbursable car rental rates are restricted to the mid-level size range or below (i.e. standard size, intermediate, compact, or subcompact); costs for specialty, luxury, premium, SUV, or similar category vehicles are not reimbursable. Reimbursable ride-shares are restricted to standard or basic size vehicles (i.e., non-premium vehicles unless it results in a cost-saving to the County). Exceptions may be allowed under certain circumstances, such as unavailability of the foregoing options, with written approval from authorized County personnel. Other related travel expenses such as taxi fares, ride-shares, parking costs, train or subway costs, etc. shall be reimbursable on an actual-cost basis. Reimbursement of tips for taxi fare, or ride-share are limited to no more than 15% of the fare amount.

In consideration of the payments set forth in Exhibit B, Contractor shall provide the following services:

I. THE BIG LIFT EARLY LEARNING INITIATIVE PROGRAM OVERVIEW

The Big Lift is a collective impact initiative in which school districts partner with nonprofit preschool programs and the community at large to work toward the long-term goal of third grade reading success. The collaborative is led by the San Mateo County Office of Education (SMCOE) and the County of San Mateo, and funding for this agreement is made available primarily through San Mateo County Measure K tax dollars. The Big Lift (TBL) is operating with a new strategic plan for the years 2023-2026 with four Mission Strategies designed to achieve TBL's mission and to strengthen governance, collaboration and resource management.

2023-2026 Big Lift Mission Strategies

- 1) Develop and Operationalize an Equity Framework: to provide clear guidance on how equity is addressed throughout The Big Lift initiative
- 2) Build a PreK-3 focus on Literacy and Instructional Quality and Alignment: to ensure that targeted language and literacy instruction is aligned with the science of reading in PreK-3rd grade classrooms
- 3) Ensure High Quality Summer Learning Experiences: to provide summer learning programs to targeted children in Big Lift districts to contribute to 3rd grade reading outcomes
- 4) Build Focus on Family Engagement in Literacy Development: to partner and engage with parents around their children's literacy development and the importance of regular attendance in school

There are five conditions that, together, lead to meaningful results from collective impact and are integral to The Big Lift's approach: a shared vision for change or common agenda, shared measurement, mutually reinforcing activities, continuous communication and backbone support. To achieve this ambitious goal, The Big Lift has committed and maintains rigorous and ongoing evaluation for continuous improvement.

Big Lift communities are defined by school district boundaries and include the following school districts: Cabrillo Unified, Jefferson Elementary, South San Francisco Unified, San Bruno Park Elementary, La Honda-Pescadero Unified and Redwood City.

The Big Lift strives for a diversity of income levels to be represented within the classrooms, while giving overall priority to low-income families. The Big Lift's definition of low-income households is those earning up to 80 percent of San Mateo County's area median income. The Big Lift programs are required to prioritize children whose family income meets this definition.

The Big Lift uses the Department of Housing and Urban Development income guidelines to establish eligibility, following 80% of Area Median Income thresholds as identified here:

<https://www.smcgov.org/housing/income-rent-limits>

Contractor will be expected to participate in all aspects of The Big Lift, to support the implementation of the mission strategies, to work collaboratively with SMCOE and the County of San Mateo to participate in evaluation efforts, to contribute to the larger Big Lift community collaborative, and to be active partners in leading this effort.
