Other Agreement. This Agreement replaces and supersedes any existing non-disclosure agreement or other confidentiality agreement that may be in place between the Parties.

If Contractor is requested or required to appear as a witness in any action that is brought by, on behalf of, or against County or that otherwise relates to the Agreement or the Services rendered by Contractor hereunder, County agrees to (i) compensate Contractor for its associated time charges at its regular rates in effect at the time and (ii) reimburse Contractor for all documented, actual out of pocket expenses incurred by Contractor in connection with such appearance or preparing to appear as a witness, including without limitation, the fees and disbursements of legal counsel of Contractor's choosing. In addition, Contractor will be compensated and reimbursed for any time and expense (including without limitation, fees and expenses of legal counsel of Contractor's choosing) that Contractor may incur in considering or responding to discovery requests or other formal information requests for documents or information made in connection with any action or in connection with the Services.

Contractor understands and acknowledges that County is subject to the California Public Records Act (CPRA) and may be required to disclose materials pursuant to that Act. Contractor waives all claims against County for breach of this confidentiality section for disclosures made in compliance with the CPRA.

7. Contract Materials

Contractor owns the intellectual property rights in the deliverables and reports and any materials created under the Agreement. Contractor agrees that upon payment in full for the Services, County will have a non-exclusive, non-transferable license to use the deliverables for its own internal use in accordance with the terms of the Agreement. Notwithstanding the foregoing, (i) any patent, copyright, trademark and other intellectual property rights of Contractor contained in any deliverable or report shall remain the sole and exclusive property of Contractor, and (ii) all methodologies, processes, techniques, ideas, concepts, trade secrets and know-how and other intellectual property embedded in the deliverable or reports that we may develop or supply in connection with our Services shall remain the sole and exclusive property of Contractor.

The Services, including the deliverables and reports, are provided solely for your use and the purpose set forth in the Agreement. Subject to any obligations of County to comply with the CPRA County may not disclose or discuss the Services or any deliverable or report or make the benefit of the Services available to anyone else or refer to the contents of a deliverable or report or the findings of our work except (i) as specifically stated in the Agreement, (ii) with our prior written consent on terms to be agreed in writing, or (iii) where required by law or regulation.

8. Document Retention

Contractor may, but is not obligated to, retain copies of all materials relevant to the Services, including any materials given to it by County or on its behalf. At the end of the provision of Services, as determined by Contractor, County will have several options with respect to disposition of documents related to the engagement that Contractor does not wish to retain. County can (i) direct Contractor to return all such documents to you, where practicable, (ii)

authorize Contractor to discard or destroy such documents or (iii) direct Contractor to store such documents, at its expense. If County does not request one of these options for the disposition of materials within sixty (60) days after the engagement is concluded or terminated, Contractor may implement one of these options in its sole discretion. Contractor retains the right to retain a copy of our reports or work papers as necessitated by internal policies or archiving procedures or pursuant to law or regulation.

9. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

10. Limitation of Liability

Except in the event of gross negligence, neither County nor anyone acting on its behalf shall hold Contractor liable for (i) an aggregate amount (including interest and legal fees) in excess of the amount of Fees actually received by Contractor from you pursuant to the Agreement, except in the event of a breach of Section 6 caused by Contractor's failure to follow its internal protocols, in which case Contractor's liability shall not exceed the lesser of three (3) times the amount of Fees actually received by Ankura or one hundred fifty thousand dollars (\$150,000), (ii) loss or corruption of data from County's systems, (iii) loss of profit, goodwill, business opportunity, anticipated savings or benefits, or (iv) special, consequential, exemplary, incidental, punitive or indirect damages. In the event that Contractor agrees in writing to accept liability to more than one party, the limit of our liability in this Section will be shared between them as determined by the parties, and in no event shall Contractor's aggregate liability exceed that set forth in this Section.

11. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

12. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability... \$1,000,000

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

13. Compliance with Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

The parties agree that, pursuant to Section 70713 of Title 22 of the California Code of Regulations ("Title 22"), San Mateo Medical Center (SMMC) retains all professional and administrative responsibility for services rendered under this Agreement to the extent that such services are subject to Title 22 and are rendered by a "qualified professional person" as used in Section 70713, and the parties further agree in that instance that this Agreement is otherwise subject to any applicable requirements of Title 22. Further, County acknowledges that Contractor is being retained solely to assist you as described in Exhibit A. County agrees that it will be solely responsible for implementing any advice or recommendations and for ensuring that any such implementation complies with applicable law. Contractor does not and will not be providing any financial statement audits or attest procedures, nor will we be providing legal advice, or

providing architectural or professional engineering services, in the course of our Services. If the provision of our Services includes work product prepared by persons or firms other than Contractor, Contractor assumes no responsibility for the completeness, adequacy and coordination of the work product prepared by others and/or the professionals of record, and/or the parties providing services to you other than Contractor.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.106 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

14. Non-Discrimination and Other Requirements

a. General Non-discrimination

No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

b. Equal Employment Opportunity

e. Discrimination Against Individuals with Disabilities

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R.

If any finding(s) of discrimination have been issued against Contractor within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

This Agreement, including the Exhibits and Attachments attached to this Agreement and incorporated by reference, constitutes the sole Agreement of the parties to this Agreement and correctly states the rights, duties, and obligations of each party as of this document's date. In the event that any term, condition, provision, requirement, or specification set forth in the body of this Agreement conflicts with or is inconsistent with any term, condition, provision, requirement, or specification in any Exhibit and/or Attachment to this Agreement, the provisions of the body of the Agreement shall prevail. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications or amendments shall be in writing and signed by the parties.

17. Controlling Law; Venue

The validity of this Agreement and of its terms, the rights and duties of the parties under this Agreement, the interpretation of this Agreement, the performance of this Agreement, and any other dispute of any nature arising out of this Agreement shall be governed by the laws of the State of California without regard to its choice of law or conflict of law rules. 20. Payment of Permits/Licenses

Contractor bears responsibility to obtain any license, permit, or approval required from any agency for work/services to be performed under this Agreement at Contractor's own expense prior to commencement of said work/services. Failure to do so will result in forfeit of any right to compensation under this Agreement.

21. Hospital and Clinics Credentialing Program

Contractor and Contractor representatives visiting or entering the San Mateo Medical Center (SMMC) main campus or any of its satellite clinics are required to register with SMMC's Vendor Credentialing Program prior to conducting business onsite. It is important that each Contractor representative registers individually in order to maintain the confidentiality of their personal credentials and to ensure ongoing access to our facilities. More information regarding SMMC's updated credentialing and on-site visit requirements can be found on SMMC's profile page through <https://login.ghx.com>.

22. Reimbursable Travel Expenses

To the extent that this Agreement authorizes reimbursements to Contractor for travel, lodging, and other related expenses as defined in this section, the Contractor must comply with all the terms of this section in order to be reimbursed for travel.

- a. Estimated travel expenses must be submitted to authorized County personnel for advanced written authorization before such expenses are incurred. Significant differences between estimated and actual travel expenses may be grounds for denial of full reimbursement of actual travel expenses.

- b. Itemized receipts (copies accepted) for all reimbursable travel expenses are required to be provided as supporting documentation with all invoices submitted to the County.
- c. Unless otherwise specified in this section, the County will reimburse Contractor for reimbursable travel expenses for days when services were provided to the County. Contractor must substantiate in writing to the County the actual services rendered and the specific dates. The County will reimburse for travel at 75% of the maximum reimbursement amount for the actual costs of meals and incidental expenses on the day preceding and/or the day following days when services were provided to the County, provided that such reimbursement is reasonable, in light of travel time and other relevant factors, and is approved in writing by authorized County personnel.
- d. Unless otherwise specified within the contract, reimbursable travel expenses shall not include Local Travel. "Local Travel" means travel entirely within a fifty-mile radius of the Contractor's office and travel entirely within a fifty-mile radius of San Mateo County. Any mileage reimbursements for a Contractor's use of a personal car for reimbursable travel shall be reimbursed based on the Federal mileage reimbursement rate.
- e. The maximum reimbursement amount for the actual lodging, meal and incidental expenses is limited to the then-current Continental United States ("CONUS") rate for the location of the work being done (i.e., Redwood City for work done in Redwood City, San Mateo for work done at San Mateo Medical Center) as set forth in the Code of Federal Regulations and as listed by the website of the U.S. General Services Administration (available online at <http://www.gsa.gov/portal/content/104877> or by searching www.gsa.gov for the term 'CONUS'). County policy limits the reimbursement of lodging in designated high cost of living metropolitan areas to a maximum of double the then-current CONUS rate; for work being done outside of a designated high cost of living metropolitan area, the maximum reimbursement amount for lodging is the then-current CONUS rate.
- f. The maximum reimbursement amount for the actual cost of airfare shall be limited to fares for Economy Class or below. Air travel fares will not be reimbursed for first class, business class, "economy-plus," or other such classes. Reimbursable car rental rates are restricted to the mid-level size range or below (i.e. standard size, intermediate, compact, or subcompact); costs for specialty, luxury, premium, SUV, or similar category vehicles are not reimbursable. Reimbursable ride-shares are restricted to standard or basic size vehicles (i.e., non-premium vehicles unless it results in a cost-saving to the County). Exceptions may be allowed under certain circumstances, such as unavailability of the foregoing options, with written approval from authorized County personnel. Other related travel expenses such as taxi fares, ride-shares, parking costs, train or subway costs, etc. shall be reimbursable on an actual-cost basis. Reimbursement of tips for taxi fare, or ride-share are limited to no more than 15% of the fare amount.
- g. Travel-related expenses are limited to: airfare, lodging, car rental, taxi/ride-share plus tips, tolls, incidentals (e.g. porters, baggage carriers or hotel staff), breakfast, lunch, dinner, mileage reimbursement based on Federal reimbursement rate. The County will not reimburse for alcohol.
- h. Reimbursement of tips are limited to no more than 15 percent. Non-reimbursement items (i.e., alcohol) shall be excluded when calculating the amount of the tip that is reimbursable.
