**RESOLVED**, by the Board of Supervisors of the County of San Mateo, State of California, that

**WHEREAS, Measure K** is a half-cent general sales tax initially approved by San Mateo County voters in November 2012, and extended in November 2016 for a total of thirty years; and

**WHEREAS**, on March 9, 2021, and March 23, 2021, the Board held study sessions on **Measure K** anticipated revenue and expenditures for fiscal years (FY) 2021-23, and the Board approved the continuance of **Measure K** funding for The Big Lift in the amount of \$8.1 million each fiscal year; and

**WHEREAS**, in 2012, the Peninsula Partnership Leadership Council – a coalition of government, education, nonprofit, foundation, and business leaders in San Mateo County – launched “The Big Lift” to significantly improve children’s third-grade reading proficiency through strategic, thoughtful, evidence-based investments in early learning and education; and

**WHEREAS**, The Big Lift focuses on seven San Mateo County communities where third-grade reading proficiency scores are close to or below the County average; and

**WHEREAS**, communities are defined by school district boundaries and include the following school districts: Cabrillo Unified, Jefferson Elementary, South San Francisco Unified, San Bruno Park Elementary, La Honda-Pescadero Unified, Redwood City, and Ravenswood City; and

**WHEREAS**, as part of The Big Lift, participating school districts and preschools agree to work toward the following six goal areas: 1) The Big Lift activities are aligned from preschool to third grade, and the community is making steady progress towards third grade reading proficiency for all children; 2) children are prepared for kindergarten with the social-emotional, academic, linguistic and physical foundations they need to be successful; 3) families understand the importance of and prioritize attendance in

preschool and early elementary school; 4) participating children maintain or improve reading proficiency over the summer and are engaged in inspiring learning experiences; 5) families have the tools and information they need to promote literacy at home, support and advocate for their children's well-being and academic success; and 6) evaluation efforts demonstrate the effectiveness of The Big Lift approach and interventions. Child-level assessments inform curriculum and program development and identify each child's unique needs; and

**WHEREAS**, this Board has been presented with forms of said agreements and has examined them and approved them as to both form and content and desires to enter into the agreements.

**NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED** that the Board of Supervisors be and is hereby authorized and directed to execute said agreements for and on behalf of the County of San Mateo, and the Clerk of the Board shall attest the President's signatures hereto.

**BE IT FURTHER RESOLVED** that the County Manager or designee is authorized to execute amendments to the agreements which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate for each agreement), and/or modify the contract terms and/or services so long as the modified terms or services are within the current or revised fiscal provisions.
