

| Applicant | Project Name | Project Summary | Applicant Total Funding Request | Equity Innovation Fund Panel Recommendation | Conditions for Funding | Funding Source: Measure K | Funding Source: PLHA | Funding Source: ARPA |
|---|---|--|---------------------------------|---|--|---------------------------|----------------------|----------------------|
| HIP | Home Sharing | Previously funded by Measure K as an Ongoing Initiative. Home Sharing Program utilizes existing, readily available housing stock by matching low-moderate income Home Seekers with Home Providers who have extra space to share in their home or an Accessory Dwelling Unit (ADU) | \$ 200,000.00 | \$ 180,000 | | \$180,000 | | |
| LASSMC & CLESPEA | Eviction Defense Services and Tenant Education | Previously funded by Measure K as an Ongoing Initiative. The proposal is a collaboration between Legal Aid SMC and Community Legal Services in East Palo Alto (CLSEPA) to provide full scope eviction defense services and tenant education to low-income tenants facing eviction or at risk of eviction. | \$ 200,000.00 | \$ 194,000 | | \$194,000 | | |
| Lifemoves | Credit and Debt Counseling and Support | This pilot will provide counseling and aim to get clients housed faster by paying down debt and improving credit scores. Requested funding will go towards paying off debt (average of \$2,500 per client) for approximately 40-60 persons, credit repair specialists, credit repair workshops, and Northern Arizona University for data analysis and the creation of a tracking system. Half the funding request to go directly towards debt payment relief. | \$ 200,000.00 | \$ 194,000 | | \$194,000.00 | | |
| Mental Health Association | Housing Voucher Navigation Program (HVNP) | Many homeless and chronically homeless individuals matched by CES for Housing Voucher Programs are unable to obtain all the needed documentation to satisfy HUD standards on their own in a timely manner. In our experience working with homeless individuals and referring to Housing Programs, we have found that working closely, side-by-side with these individuals in obtaining the information and documentation is the best way to turn around the referrals as quickly as possible and allow individuals to secure and move into housing. | \$ 74,220.00 | \$ 74,220 | | \$74,220.00 | | |
| Project Sentinel | Landlord Tenant Information and Referral Services (LTIRS) | Previously funded by Measure K as an Ongoing Initiative. Achieving housing equity and stability for low income tenants through County wide Legal Aid and related services of education, counseling and dispute resolution for all parties to the rental housing spectrum. We actively partner with pre-existing County investments and third party sources for reaching as many disenfranchised as possible. | \$ 268,507.00 | \$ 260,000 | | \$260,000.00 | | |
| Puente | Community Engagement Process for Farm Labor Housing | Lead a community engagement process to establish model lease terms for farm labor housing. Educate landlords and tenants about their respective rights and responsibilities, support housing stability, prevent evictions, and complement the County's existing housing programs in rural areas. | \$ 117,550.00 | \$ 117,550 | | \$117,550.00 | | |
| Home & Hope | Transitional Housing | Hope & Hope plans to acquire or lease a building (apartment complex, building, house, or tiny homes format) to provide an 18-month transitional housing shelter for ten clients with a six- to 12-month stay. The program would include intensive case management to help clients maintain permanent housing. Funds would go towards additional case management and housing specialists that would support the transitional housing clients. They intend to continue to seek support from their existing network of 28-30 church congregations for the proposed transition housing program. | \$ 200,000.00 | \$ 200,000 | Funding is subject to Cal HCD approval of 2020 PLHA Plan Amendment | | \$200,000 | |
| Mental Health Association | Spring Street Transitional Housing (THP) | Spring Street Transitional Housing Program has been a critical resource for individuals ready to move from a congregate shelter program into more independent living. The focus of the program is to assist individuals from Spring Street Shelter reach their housing goals by providing additional time and privacy, intensive support, and assistance to increase their income, connect them with health and mental health services, and locate suitable, safe permanent and affordable housing. | \$ 50,000.00 | \$ 50,000 | Funding is subject to Cal HCD approval and of 2020 PLHA Plan Amendment | | \$50,000 | |
| Renaissance Entrepreneurship Center | MBE/WBE and Section 3 Business Certification | Capacity building services to help 40 English and Spanish speaking lower-income, persons of color and women residents of San Mateo County to secure their Minority Business Enterprise (MBE), Women's Business Enterprise (WBE) and/or Section 3 certifications, qualifying them to bid on and secure contracts with corporations and government entities. By opening doors to contractual opportunities, this project will give local San Mateo County small businesses owned by individuals from underserved communities and populations the ability to grow their businesses and their revenues, create jobs and build thriving sustainable businesses. | \$ 200,000.00 | \$ 200,000 | | | | \$200,000 |
| Pacifica Resource Center | Pacifica Safe Parking Permit Project (PSPP) | PSPP will provide temporary housing in the form of designated safe parking sites on public City of Pacifica streets to unhoused families and individuals living in motor homes and other oversized vehicles while providing housing-focused case management to help them return to housing. | \$ 150,000.00 | \$ 150,000 | | | | \$150,000 |
