

AGREEMENT BETWEEN THE COUNTY OF SAN MATEO AND LIFEMOVES

This Agreement is entered into this date _____, by and between the County of San Mateo, a political subdivision of the state of California, hereinafter called "County," and LifeMoves, hereinafter called "Contractor."

* * *

WHEREAS, pursuant to Section 31000 of the California Government Code, County may contract with independent contractors for the furnishing of such services to or for County or any Department thereof; and

WHEREAS, it is necessary and desirable that Contractor be retained for the purpose of non-congregate emergency shelter services.

Now, therefore, it is agreed by the parties to this Agreement as follows:

1. Exhibits and Attachments

The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

Exhibit A	Services
Exhibit B	Payments and Rates
Exhibit C	Performance and Reports
Exhibit E	Child Abuse Prevention and Reporting
Attachment F	Fingerprinting Certification Form
Attachment P	Personally Identifiable Information

2. Services to be performed by Contractor

In consideration of the payments set forth in this Agreement and in Exhibit B, Contractor shall perform services for County in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibits A, C, E, F, and P.

3. Payments

In consideration of the services provided by Contractor in accordance with all terms, conditions, and specifications set forth in this Agreement and in Exhibits A, C, E, F, and P, County shall make payment to Contractor based on the rates and in the manner specified in Exhibit B. County reserves the right to withhold payment if County determines that the quantity or quality of the work performed is unacceptable. County shall notify Contractor in writing with a detailed statement and plan to correct performance. Contractor shall respond to County within fifteen (15) days of receipt of statement with a plan to confirm what steps will be taken to correct performance. In no event shall County's total fiscal obligation under this Agreement exceed **THREE MILLION ONE HUNDRED THREE THOUSAND TWO DOLLARS** (\$3,103,002). In the event that the County makes any advance payments, Contractor agrees to refund any amounts in excess of the amount owed by the County at the time of contract termination or expiration. Contractor is not entitled to payment for work not performed as required by this agreement.

4. Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from July 01, 2022, through March 21, 2024.

5. Termination

This Agreement may be terminated by Contractor or by the Human Services Agency Director or designee at any time without a requirement of good cause upon thirty (30) days' advance written notice to the other party. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work/services actually completed to the work/services required by the Agreement.

County may terminate this Agreement, or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

County may terminate this Agreement for cause. In order to terminate for cause, County must first give Contractor notice of the alleged breach. Contractor shall have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. If Contractor fails to cure the breach within this period, County may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that County provides notice of an alleged breach pursuant to this section, County may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. County has sole discretion to determine what constitutes an extreme circumstance for purposes of this paragraph, and County shall use reasonable judgment in making that determination.

6. Contract Materials

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as "contract materials") prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. Hold Harmless

a. General Hold Harmless

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the

performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

- (A) injuries to or death of any person, including Contractor or its employees/officers/agents;
- (B) damage to any property of any kind whatsoever and to whomsoever belonging;
- (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or
- (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. Intellectual Property Indemnification

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

10. Insurance

a. General Requirements

Contractor shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this Section has been obtained and such insurance has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.

c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

(a) Comprehensive General Liability... \$1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, and regulations, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.107 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. Accordingly, Contractor shall not use any non-recyclable plastic disposable food service ware when providing prepared food on property owned or leased by the County and instead shall use biodegradable, compostable, reusable, or recyclable plastic food service ware on property owned or leased by the County.

Contractor will timely and accurately complete, sign, and submit all necessary documentation of compliance.

12. Non-Discrimination and Other Requirements

a. General Non-discrimination

No person shall be denied any services provided pursuant to this Agreement (except as limited by the scope of services) on the grounds of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition (cancer-related), military service, or genetic information.

b. Equal Employment Opportunity

Contractor shall ensure equal employment opportunity based on objective standards of recruitment, classification, selection, promotion, compensation, performance evaluation, and management relations for all employees under this Agreement. Contractor's equal employment policies shall be made available to County upon request.

c. Section 504 of the Rehabilitation Act of 1973

Contractor shall comply with Section 504 of the Rehabilitation Act of 1973, as amended, which provides that no otherwise qualified individual with a disability shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of any services this Agreement. This Section applies only to contractors who are providing services to members of the public under this Agreement.

d. Compliance with County's Equal Benefits Ordinance

Contractor shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Contractor's employee is of the same or opposite sex as the employee.

e. Discrimination Against Individuals with Disabilities

The nondiscrimination requirements of 41 C.F.R. 60-741.5(a) are incorporated into this Agreement as if fully set forth here, and Contractor and any subcontractor shall abide by the requirements of 41 C.F.R. 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

f. History of Discrimination

Contractor certifies that no finding of discrimination has been issued in the past 365 days against Contractor by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other investigative entity. If any finding(s) of discrimination have been issued against Contractor within the past 365 days by the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or other investigative entity, Contractor shall provide County with a written explanation of the outcome(s) or remedy for the discrimination prior to execution of this Agreement. Failure to comply with this Section shall constitute a material breach of this Agreement and subjects the Agreement to immediate termination at the sole option of the County.

g. Reporting; Violation of Non-discrimination Provisions

Contractor shall report to the County Executive Officer the filing in any court or with any administrative agency of any complaint or allegation of discrimination on any of the bases prohibited by this Section of the Agreement or the Section titled "Compliance with Laws". Such duty shall include reporting of the filing of any and all charges with the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing, or any other entity charged with the investigation or adjudication of allegations covered by this subsection within 30 days of such filing, provided that within such 30 days such entity has not notified Contractor that such charges are dismissed or otherwise unfounded. Such notification shall include a general description of the circumstances involved and a general description of

the kind of discrimination alleged (for example, gender-, sexual orientation-, religion-, or race-based discrimination).

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Contractor to penalties, to be determined by the County Executive Officer, including but not limited to the following:

- i. termination of this Agreement;
- ii. disqualification of the Contractor from being considered for or being awarded a County contract for a period of up to 3 years;
- iii. liquidated damages of \$2,500 per violation; and/or
- iv. imposition of other appropriate contractual and civil remedies and sanctions, as determined by the County Manager.

To effectuate the provisions of this Section, the County Executive Officer shall have the authority to offset all or any portion of the amount described in this Section against amounts due to Contractor under this Agreement or any other agreement between Contractor and County.

h. Compliance with Living Wage Ordinance

As required by Chapter 2.88 of the San Mateo County Ordinance Code, Contractor certifies all contractor(s) and subcontractor(s) obligated under this contract shall fully comply with the provisions of the County of San Mateo Living Wage Ordinance, including, but not limited to, paying all Covered Employees the current Living Wage and providing notice to all Covered Employees and Subcontractors as required under the Ordinance.

13. Compliance with County Employee Jury Service Ordinance

Contractor shall comply with Chapter 2.85 of the County's Ordinance Code, which states that Contractor shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from the Contractor, on an annual basis, no fewer than five days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply unless this Agreement's total value listed in the Section titled "Payments", exceeds two-hundred thousand dollars (\$200,000); Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value exceeds that threshold amount.

14. Retention of Records; Right to Monitor and Audit

(a) Contractor shall maintain all required records relating to services provided under this Agreement for three (3) years after County makes final payment and all other pending matters are closed, and

Contractor shall be subject to the examination and/or audit by County, a Federal grantor agency, and the State of California.

(b) Contractor shall comply with all program and fiscal reporting requirements set forth by applicable Federal, State, and local agencies and as required by County.

(c) Contractor agrees upon reasonable notice to provide to County, to any Federal or State department having monitoring or review authority, to County's authorized representative, and/or to any of their respective audit agencies access to and the right to examine all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules, and regulations, to determine compliance with this Agreement, and to evaluate the quality, appropriateness, and timeliness of services performed.

Exhibit A - Services

In consideration of the payments set forth in Exhibit B, Contractor shall provide the following services:

I. BACKGROUND AND PURPOSE

Contractor will provide homeless shelter services at the Coast House Shelter to include the following core program components: facility operation, housing-focused case management, and service linkages.

The Coast House Shelter, located at 230 Cabrillo Highway South in Half Moon Bay, California, is a short-term intervention, designed to act as a safety net for households who are unsheltered (living outdoors, in vehicles or other places not meant for human habitation), or who are in the midst of a housing crisis and have no alternative housing options, and to provide intensive services to assist the clients with identifying and moving into permanent housing as quickly as possible. Homeless shelter services provide an entry point into stabilization services and move households towards permanent housing as quickly as possible. Individuals and families who enter a homeless shelter receive immediate short-term case management to address and resolve current crises, as well as case management focused on addressing barriers that prevent households from re-entering housing.

II. SERVICES TO BE PROVIDED

A. Population to Be Served, Contractor will:

1. Provide homeless shelter services to homeless persons who are unsheltered (living outdoors, in vehicles, or other places not meant for human habitation), as well as those who are experiencing a housing crisis and have no alternative housing options after having been assessed and referred from the Coordinated Entry System (CES). The program will serve single adults, adult couples, and families with children. This includes homeless households who have various challenges with maintaining housing including little to no income, previous evictions, alcohol or substance use issues, mental and physical health challenges, and/or other barriers to maintaining housing. Contractor must accept referrals following the process established by County, including participation in and receiving referrals only from County's CES. Program participants will be San Mateo County residents at the time of program enrollment.
2. Provide services to the following Homeless households as defined by Category 1, 2, and 4 of the Department of Housing and Urban Development's (HUD) Homeless Definition Final Rule, current and inclusive of any updates during the term of this agreement. Categories are as follows:

Category 1: Literally Homeless includes an individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

- Has a primary nighttime residence that is a public or private place not meant for human habitation;
- Is living in a publicly or privately-operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels/motels paid for by charitable organizations or by federal, state, and local government programs); or
- Is exiting an institution where (s)he has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

Category 2: Imminent Risk of Homelessness includes an individual or family, who will imminently lose their primary nighttime residence, provided that:

- Residence will be lost within 14 days of the date application for homeless assistance;
- No subsequent residence has been identified; and
- The individual or family lacks the resources or support networks needed to obtain other permanent housing.

CES will work with each household to identify alternate housing situations, rather than the household entering homelessness. Households in Category 2 will only be eligible for shelter services after receiving CES/Diversion services and CES determining that the household needs shelter and there is no appropriate alternative housing resource.

Category 4: Fleeing/Attempting to Flee Domestic Violence includes any individual or family who:

- Is fleeing, or is attempting to flee, domestic violence;
- Has no other residence; and
- Lacks the resources or support networks to obtain other permanent housing

B. Program Philosophy and Design, Contractor will:

- 1) Develop, document, maintain and update program policies and procedures to ensure homeless shelter program adheres to County principles and philosophies.
- 2) Focus on serving the households determined to need shelter at the time of assessment through Coordinated Entry System (CES). Including, serving households who are unsheltered or are at imminent risk of being unsheltered, who cannot otherwise be diverted from shelter entry.
- 3) Establish and maintain collaborative working relationships local non-profits, community stakeholders, and the City of Half Moon Bay.
- 4) Accept clients who are referred via CES, as long as the clients meet program eligibility criteria. HSA may implement site-specific preferences or policies within the CES. Fill vacancies quickly with clients referred from CES.
- 5) Assess clients for the sole purpose of informing client's housing-focused case plan and determining immediate needs. Service needs or other types of assessments are not to be used to make eligibility and admission decisions.
- 6) Employ Housing First principles and seek to reduce requirements that act as barriers to shelter services. Contractor does not deny admission based on conditions of sobriety and/or an expressed commitment to becoming sober, participation in supportive services or other programming, proof of employment or citizenship, ability to pay, etc.
- 7) Provide ongoing, comprehensive staff trainings on safety protocols and procedures, job functions and responsibilities, de-escalation techniques, client services approaches (i.e. motivational interviewing) and emergency response protocol, and Housing First principles. Case managers will also receive training on housing-focused case management skills and processes to maximize clients moving into permanent housing as quickly as possible.
- 8) Assign/provide staff who are qualified and well-equipped for their given position. Staff shall be trained in and practice cultural competence and sensitivity.
- 9) Maintain written documentation of policies and procedures and update the documents as necessary.
- 10) Record data for all clients served in the San Mateo County 's Homeless Management Information System (HMIS).
- 11) Obtain and record information of every client who stays in the shelter. Client information, including universal data elements and program-specific data elements, will be accurate, complete, and current.
- 12) Train staff on HMIS data collection and entry.
- 13) Continuously monitor data quality and review data/outcomes and utilize for continuous quality improvement.

- 14) Operate in compliance with the Department of Housing and Urban Development's (HUD) Equal Access to Housing Final Rule, ensuring that all individuals have equal access and accommodations to shelter, regardless of gender, gender identity, sexual orientation, and/or marital status.
- 15) Ensure overall safety and effectiveness of the program and facility/site.

C. Housing-focused Case Management and Service Linkage - Contractor will:

- 1) Implement effective, housing-focused case management and service linkages.
- 2) Maintain a case manager-to-client ratio that is appropriate for the clients being served and maximizes client housing outcomes
- 3) Provide case managers to respond to clients' immediate and short-term service needs. Contractor will ensure case managers complete an initial housing needs assessment and develop a housing plan with client to secure housing. Case managers should work to identify and build upon individuals' strengths, rather than focusing on deficits.
- 4) Implement Housing First principles, focusing on addressing clients' housing needs and goals.
- 5) Employ a person-centered, strengths-based approach that tailors case management to each client. Effective case management should not be a one-size-fits-all model; instead, case managers should actively work to identify the unique needs and goals of each client.
- 6) Connect clients to other supportive services that may help them achieve housing stability.
- 7) Coordinate closely with linked services, including coordinating with those programs to have staff meet with clients on site, making referrals to applicable programs, and close coordination with those programs for any clients in need of those services. These services include the following:
 - a) Behavioral Health Services: Including mental health, and substance abuse recovery services provided by San Mateo County Behavioral Health and Recovery Services (BHRS) and/or other providers
 - b) Physical Health Services: Including basic health care treatment, primary health care, health screenings, medication management, and family planning provided by San Mateo County Health Department and/or other providers
 - c) Assistance obtaining benefits and essential documentation: Assistance in applying for or maintaining Medi-Cal, CalFresh, CalWORKs, Cash Assistance Program for Immigrants, and general assistance
 - d) Employment Services: Referring participants to suitable employment development and placement programs provided through San Mateo County's Vocational Rehabilitation Services (VRS) and other employment programs.
- 8) Offer recreational and social activities/services: Social activities such as community meals, house meetings, group meetings, game nights, and movie nights
- 9) Provide additional services: transportation assistance, housing retention skills, legal assistance, and family connection service
- 10) Offer Housing-Focused Case Management to all clients, not only clients who are there for longer stays or clients in certain parts of the shelter program.
- 11) Provide effective, housing-focused case management and service linkage to address barriers to housing, address and resolve current crises, and help each client develop and implement a housing plan.
- 12) Provide individualized housing location services to assist clients in identifying and moving into permanent housing.
- 13) Promote a safe, healthy, and welcoming environment for all clients at all times.
- 14) Employ harm-reduction and trauma-informed care to tailor services to clients' needs.

- 15) Ensure case managers engage with and develop a rapport with each client and offer assistance that is relevant and useful to addressing the needs the client has identified.
- 16) Work collaboratively with any other programs/staff that are providing services to the client while in shelter (e.g., a rapid re-housing program case manager). When possible, shelter case managers should ensure a smooth transition and continuity of care with a client's new case manager.
- 17) Ensure program policies and procedures support clients with managing conflict and/or any other problems that may be presented during their shelter stay so that involuntary exits are a last resort strategy.

D. Shelter Facility: Health, Safety and Disability Accommodations - Contractor will:

- 1) Conduct regular in-person client wellness checks for all clients, at least one time per day, 365 days per year.
- 2) Uphold shelter standards and follow protocol to ensure shelter health and safety.
- 3) Provide a safe, welcoming environment for residents to stay until they find permanent housing.
- 4) Provide 24/7 on-site staffing to provide oversight of the site, respond to client situations and needs, and conduct intakes for new clients.
- 5) Utilize Housing First, de-escalation techniques, and trauma-centered approaches to client services.
- 6) Comply with health and safety standards to ensure shelter residents are provided a safe, habitable environment

Exhibit D - HMIS
Revised December 2018
Clarity Human Services System
Usage and Data Sharing Agreement for Core Service Agencies and
Homeless Service Providers

In 2014, Core Service Agencies and homeless service providers migrated to the secure, private and confidential Clarity Human Services system network by Bitfocus ("Clarity"). This migration to Clarity allows for data sharing across providers.

Commitment to Data Entry

The Core Service Agencies and homeless service providers agree to timely enter into Clarity's secure system accurate data about the clients to whom they provide safety net services and homeless services pursuant to their contracts with the County of San Mateo ("County"). Timely entry of this data is crucial to the Core Service Agencies and homeless service providers' ability to refer clients to other providers, report accurate performance measures and to capture data on community need.

If any provider experiences difficulty in timely entry of data into Clarity, they will notify HSA of the delay, seek technical assistance if necessary and provide a plan within one week to bring the data entry current as soon as possible.

Confidentiality of Client Data

Core Service Agencies and homeless service providers will establish appropriate administrative, technical, and physical safeguards to protect the confidentiality of the data and to prevent unauthorized use or access to it.

The data in Clarity shall not be disclosed to anyone or any entity except in connection with the administration of the safety net and homeless service programs, as necessary to achieve the provision of homeless and safety net services, or for the analysis of the data to show performance measurements, including that of contract compliance.

The data may be reviewed by San Mateo County personnel on a need-to-know basis to check performance measurements, community trends, client services, and for the purpose of monitoring contract compliance. Summary results (e.g., non-identifying information such as general statistical data, caseload provide data, funding and expenditure information) is non-confidential may be shared upon request. Data that contains identifying information will be accessible and shared on a need-to-know basis only, and only to the extent permitted by applicable law.

Core Service Agencies and homeless service providers acknowledge that these confidential data are proprietary to the County and agree to comply with all applicable State and Federal confidentiality laws and regulations.

To authorize the parties to this Agreement to share individually identifiable client information, clients

who are entered into the system must sign a Client Consent for Clarity System Data Collection and Release of Information form that will be kept with their records in Clarity and/or in their paper file. The release informs the client that partner agencies in San Mateo County will have access on a need-to-know basis to their records in the secure system. If a client refuses to sign a release, services will not be denied, and the client will be entered into Clarity as a private client.

Efforts are made to keep this list current, however there may be Core Service Agencies and/or homeless service providers that begin to participate in the data system in the future.

Licensing

Only agency staff who provide safety net or homeless services shall be granted access to Clarity. When an agency is requesting a Clarity license for a new staff, the agency director or manager will review with the staff the confidentiality and security rules regarding Clarity and will send the completed, signed Clarity oath of confidentiality form to HSA to request a new account.

ACCESS TO THE CLARITY SYSTEM AFTER EMPLOYEMENT ENDS IS PROHIBITED. If an authorized user separates from employment with a Core Service Agency or homeless service provider, notification must be made as soon as possible to the HSA Service Desk in advance of the employee leaving. The request will provide a license termination date.

If any license goes unused for more than 90 days, that license may be deactivated. The agency holding the license will be notified prior to deactivation of the license and the agency will have 5 business days

to respond with a request if the license is to be continued.

System Configuration Change Requests

All agencies Change Requests (CR) will be evaluated by HSA. For the cost of all Change Requests (CRs) unique to one or a group of agencies and for non-Core or non-HMIS standard programs, payment shall be made by the requesting agency(ies).

User Support

If a Core Service Agency or homeless service provider experiences any technical difficulty with the system, a service request must be sent to the Human Services Agency, Business Systems Group at hsa_servicedesk@smcgov.org or (650) 802-7573.

Contractor/Service Provider Agreement

The Core Service Agencies and homeless service providers agree to train their staff and to establish internal processes and procedures to ensure all staff and volunteers safeguard clients' confidentiality and privacy and enter accurate, complete data. It is understood that accessing Clarity's secure, private and confidential network is for the sole purpose of serving clients.
