### **RESOLUTION OF THE BOARD OF TRUSTEES OF THE SAN MATEO UNION HIGH SCHOOL DISTRICT AUTHORIZING THE ISSUANCE OF 2022-23 TAX AND REVENUE ANTICIPATION NOTES AND REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO TO ISSUE SAID NOTES**

**WHEREAS**, pursuant to Sections 53850 *et seq.* of the Government Code of the State of California (the “Act”) contained in Article 7.6 thereof, entitled “Temporary Borrowing” on or after the first day of any fiscal year (being July 1), a school district may borrow money by issuing notes for any purpose for which the school district is authorized to use and expend moneys, including but not limited to, current expenses, capital expenditures, investment and reinvestment, and the discharge of any obligation or indebtedness of the school district; and

**WHEREAS**, Section 53853 of the Act provides that such notes must be issued in the name of the school district by the board of supervisors of the county, the county superintendent of schools of which has jurisdiction over such school district, as soon as possible following the receipt of a resolution of the governing board of such school district requesting the borrowing; and

**WHEREAS**, the County Superintendent of Schools (the “County Superintendent”) of the County of San Mateo (the “County”) has jurisdiction over the San Mateo Union High School District (the “District”), and this Board of Trustees (the “Board”), being the governing board of the District, hereby requests the borrowing of not-to-exceed Twenty Five Million Dollars (\$25,000,000) at an interest rate not to exceed the maximum rate allowed by law, through the issuance by the Board of Supervisors of the County (the “County Board”) of 2022-23 Tax and Revenue Anticipation Notes (the “Notes”) in the name of the District; and

**WHEREAS**, such Notes shall be made payable no later than thirteen months after the date of delivery thereof; and

**WHEREAS**, pursuant to Section 53856 of the Act, the District may pledge to the payment of the Notes any taxes, income, revenue (including but not limited to, revenue from State and federal governments), cash receipts or other moneys, including moneys deposited in inactive or term deposits (but excepting moneys encumbered for a special purpose); and this Resolution specifies that certain of such revenues which will be received by the District for the general fund thereof shall be pledged for the payment of the Notes; and

**WHEREAS**, the Notes shall be a general obligation of the District, and, to the extent not paid from the Unrestricted Revenues (defined herein) pledged to the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Act, and shall not in any way be payable from County moneys; and

**WHEREAS**, the Notes shall be in denominations of \$5,000 principal amount, or integral multiples thereof, as permitted by Section 53854 of the Act; and the Notes shall further be issued on a date to be designated pursuant to an Authorized Officer (as defined herein), and shall be in the form and executed in the manner prescribed in this Resolution and the County Resolution (defined herein), all as permitted and required by Section 53853 of the Act; and

**WHEREAS**, the Board has found and determined that said \$25,000,000 maximum principal amount of Notes to be issued in the name of the District by the County Board in fiscal year 2022-23, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon, as required by Section 53858 of the Act; and

**WHEREAS**, any Notes issued on a federally tax-exempt basis will not be issued in an amount greater than the maximum anticipated cumulative cash flow deficit to be financed by the anticipated tax or other revenue sources for the period for which such taxes or other revenues are anticipated and during which such Notes are outstanding, all as provided in the Internal Revenue Code of 1986, as amended (the "Code");

**NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE SAN MATEO UNION HIGH SCHOOL DISTRICT HEREBY RESOLVES AS FOLLOWS:**

**Section 1. Authorization of Issuance of Notes; Terms Thereof; Paying Agent.** The Board hereby requests the County Board to issue, in the name of the District, an amount not-to-exceed \$25,000,000 principal amount of Notes under the Act, designated "San Mateo Union High School District (San Mateo County, California) 2022-23 Tax and Revenue Anticipation Notes." The Notes are authorized to be issued in one or more series of federally taxable or tax-exempt Notes, with appropriate series designation, numbered from 1 consecutively upward in order of issuance, and in the denominations of \$5,000 principal amount or integral multiples thereof (or such other integral multiple as may be provided in the Official Statement defined herein). The Notes shall be dated the date of delivery thereof; shall mature (with or without option of prior redemption, as set forth in the Official Statement) on a day (or days, if more than one series of Notes is issued) in which banks in New York or California are open for business and no later than thirteen months after the date of delivery thereof; and shall bear interest, payable on or before maturity and computed on a 30-day month/360-day year basis, at the per annum rate or rates set forth in the Official Statement, but not in excess of the maximum rate allowed by law.

The principal amount of the Notes issued pursuant hereto and to the resolution of the County Board authorizing the issuance of the Notes (the "County Resolution"), when added to the interest payable thereon, shall not exceed eighty-five percent (85%) of the uncollected taxes, income, revenue, cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon.

Both the principal of and interest on the Notes shall be payable, only upon surrender thereof, in lawful money of the United States of America at the principal corporate office of The Bank of New York Mellon Trust Company, N.A., acting as paying agent, authentication agent and registrar for the Notes (the "Paying Agent"). For purposes of the Notes, the Paying Agent shall be deemed to be a "fiscal agent" within the meaning of Government Code Section 53601. This Board hereby approves the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable.

**Section 2. Form of Notes.** The Notes shall be issued in registered form, without coupons, and shall be substantially in the form and substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures. The Notes shall be initially registered in the name of "Cede & Co." as nominee of The Depository

Trust Company, New York, New York (“DTC”), and shall be evidenced by one or more note certificates, in the full principal amount of the Notes. DTC is hereby appointed depository for the Notes. Registered ownership may not thereafter be transferred except as set forth in the County Resolution. There shall be attached to each Note, the legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, respecting the validity of said Notes.

**Section 3. Deposit of Note Proceeds; No Arbitrage.** The moneys so borrowed shall be paid to the County Treasurer-Tax Collector (the “Treasurer”). The District hereby covenants that it will make no use of the proceeds of the Notes issued on a federally tax-exempt basis that would cause such Notes to be “arbitrage bonds” under Section 148 of the Code; and, to that end, so long as any of such Notes are outstanding, the District, and all of its officers having custody or control of such proceeds, shall comply with all requirements of said section, including restrictions on the use and investment of proceeds of such Notes and the rebate of a portion of investment earnings on certain amounts, including proceeds of such Notes, if required, to the Federal government, and of the Income Tax Regulations of the United States Treasury promulgated thereunder or under any predecessor provisions, to the extent that such regulations are, at the time, applicable and in effect, so that the Notes will not be “arbitrage bonds.” Notwithstanding the foregoing, the District acknowledges that the County will agree pursuant to the County Resolution to accept the moneys for deposit and investment in the County’s pooled investment fund, but that the County shall expressly decline to take any responsibility for the tax status of the Notes.

**Section 4. Payment of Notes.**

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys including moneys deposited in inactive or term deposits (but excepting certain moneys encumbered for a special purpose), as provided in Section 53856 of the Act, and which are generally available for the payment of current expenses and other obligations of the District (collectively, the “Unrestricted Revenues”).

To the extent the Notes mature during the fiscal year succeeding fiscal year 2022-23, the Notes shall be payable only from Unrestricted Revenues which are received in or accrued to fiscal year 2022-23, and such accrued revenues are hereby determined to be accrued to the District’s 2022-23 fiscal year, and are further determined to be lawfully available to pay the principal of and interest on the Notes.

The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Unrestricted Revenues pledged to the repayment thereof as described herein, the Notes, and interest thereon, shall be paid from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges such Unrestricted Revenues as may be identified in the Official Statement or the Notice Inviting Proposals for Purchase of Notes (the “Notice Inviting Proposals”) (such pledged amounts being hereinafter called the “Pledged Revenues”). The Pledged Revenues shall be deposited by the District into the Repayment Fund (defined herein) on the date or dates specified in the Official Statement.

The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by the District from such Pledged Revenues, as provided by law.

In the event that there are insufficient Unrestricted Revenues received by the District to permit the deposit into the Repayment Fund, of the full amount of Pledged Revenues to be deposited from such Unrestricted Revenues, then the amount of any deficiency shall be satisfied and made up from any other moneys of the District lawfully available for repayment of the Notes and the interest thereon.

(C) Covenant Regarding Additional Short-Term Borrowing. The District hereby covenants and warrants that, while provision for the payment of principal of and interest on the Notes has not been made, the District will not request the Treasurer to make temporary transfers of funds in the custody of the Treasurer to meet any obligations of the District pursuant to the authority of Article XVI, Section 6 of the Constitution of the State of California. The following covenant shall not prevent the District from making inter-fund transfers of its own moneys for any legal purpose.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held in a special fund designated as the "San Mateo Union High School District, 2022-23 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and applied as directed in this Resolution. The Treasurer shall direct the moneys in the Repayment Fund to be invested as provided in Section 4(E) of this Resolution and the County Resolution. Any moneys accounted for in the Repayment Fund shall be for the benefit of the owners of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at maturity with interest to maturity, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created.

(E) Disbursement and Investment of Moneys in Repayment Fund. From the date this Resolution takes effect, the District shall deposit or cause to be deposited all Pledged Revenues, when received, and accounted for in the Repayment Fund. After such date as the amount of Pledged Revenues accounted for in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District upon the request of the District. On the maturity date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys accounted for in the Repayment Fund shall be invested by the County in any one or more investments generally permitted for investment by school districts under the laws of the State of California, consistent with the investment policy of the County.

**Section 5. Execution of Notes.** The District hereby requests the Chair of the Board of Supervisors and the Treasurer to sign the Notes manually or by facsimile signature; the Clerk of the County Board (the "Clerk") to countersign the Notes manually or by facsimile signature; and said officers to cause the blank spaces thereof to be filled in as may be appropriate. Subject to the provisions of the County Resolution, the District also authorizes the Paying Agent to manually authenticate the Notes. No Note shall be valid or obligatory for any purpose or shall be entitled to any security or benefit hereunder unless and until the certificate of authentication printed on the Note is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive

evidence that the Note so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution and the County Resolution.

**Section 6. Preliminary Official Statement and Official Statement.** The Preliminary Official Statement relating to the Notes (the “Preliminary Official Statement”), substantially in the form on file with the Secretary to the Board is hereby approved and the Superintendent, the Associate Superintendent/Chief Business Officer or a designee thereof (collectively, the “Authorized Officers”), each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Municipal Advisor (defined herein) to be used in connection with the offering and sale of the Notes. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the original purchaser of the Notes a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve (so approved, the “Official Statement”). The original purchaser of the Notes is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in purchasing the Notes and is directed to deliver copies of any final Official Statement to purchasers of the Notes. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

**Section 7. Approval of Notice Inviting Proposals for Purchase of the Notes.** The Board hereby approves the competitive sale of the Notes and determines that a competitive sale contributes to the District’s goal of achieving the lowest overall cost of funds. The competitive sale of the Notes shall be undertaken pursuant to the Notice Inviting Proposals, and the Notice of Intention To Sell, set forth in Exhibits B and C hereto, respectively. The Authorized Officers, each alone, are hereby authorized to cause such Notice of Intention to Sell to be published in The Bond Buyer prior to the date set to receive bids for the purchase of the Notes, as required by law.

The terms and conditions of the offering and the sale of the Notes shall be as specified in the Notice Inviting Proposals. The Notes shall be awarded by acceptance of the bid with the lowest true interest cost with respect to the Notes, so long as the principal amount of the Notes does not exceed \$25,000,000 and the true interest cost does not exceed 5.00%. The awarding of the Notes to the successful bidder and notice thereto shall be made by the County, on behalf of the District, pursuant to the Memorandum Awarding Notes, substantially in the form attached as Exhibit D hereto.

Keygent LLC, the municipal advisor to the District (the “Municipal Advisor”), is hereby authorized and directed to cause to be furnished to prospective bidders a reasonable number of copies of the Notice Inviting Proposals and a reasonable number of copies of the Preliminary Official Statement.

The Municipal Advisor and Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California (“Bond Counsel”), are hereby authorized and directed to open the bids at the time and place specified in the Notice Inviting Proposals and to present the same to the Authorized Officers and the authorized officials of the County pursuant to the County Resolution. The Municipal Advisor and Bond Counsel are hereby authorized and directed to receive and record the receipt of all bids made pursuant to the Notice Inviting Proposals; to cause said bids to be examined for compliance with the Notice Inviting Proposals; and to cause computations to be made as to which bidder has bid the lowest true interest cost with respect to the Notes, as provided in the Notice Inviting Proposals, along with a

report as to the foregoing and any other matters deemed pertinent to the award of the Notes and the proceedings for the issuance thereof.

**Section 8. Delivery of Notes.** The proper officers of the County Board are hereby requested to deliver the Notes to the original purchaser thereof. All actions heretofore taken by the officers and agents of the Board, including the Authorized Officers or their designees, with respect to the Notes are hereby approved, confirmed and ratified, and the officers of the Board, including the Authorized Officers, are hereby authorized and directed to do any and all things and take any and all actions which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this Resolution and the County Resolution.

**Section 9. Proceeds of Notes Conditionally Pledged; Investment of Note Proceeds.** Notwithstanding anything to the contrary contained herein, the proceeds of the Notes shall, prior to their expenditure by the District, be pledged to the payment of the Notes in the event and to the extent sufficient Pledged Revenues of the District and other legally available revenues are not deposited into the Repayment Fund. Proceeds of the Notes shall be invested by the County in any one or more investments generally permitted for investment by school districts under the laws of the State of California, consistent with the investment policy of the County.

**Section 10. Continuing Disclosure.** The Board hereby authorizes and directs the Authorized Officers, each alone, to comply and carry out, all of the provisions of that certain Continuing Disclosure Certificate relating to the Notes, dated the date of issuance and delivery of the Notes, as originally executed and as it may be amended from time to time in accordance with the terms thereof (the "Continuing Disclosure Certificate"). Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered an event of default under this Resolution; however, any Noteholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. The form of Continuing Disclosure Certificate attached as an appendix to the Preliminary Official Statement is hereby approved, and the Authorized Officers, each alone, are hereby authorized and directed to execute and deliver to the original purchaser of the Notes such Continuing Disclosure Certificate, with such changes therein as any such official may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof.

**Section 11. Transmittal of Resolution.** The Superintendent or a designee of the District is hereby directed to send a certified copy of this Resolution to the County Board and the Treasurer and the County Superintendent.

**Section 12. Indemnification.** In connection with the issuance of the Notes on behalf of the District, the District hereby agrees to indemnify and hold harmless, to the extent permitted by law, the County and its officers and employees ("Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject because of the sale, issuance and delivery of the Notes in accordance herewith and with the District Resolution. The District further agrees to reimburse any such Indemnified Parties for any legal or other expenses incurred in connection with investigating or defending any such claims or actions.

**Section 13. Further Actions Authorized.**

(A) Stradling Yocca Carlson & Rauth, a Professional Corporation, is hereby designated as Bond Counsel and Disclosure Counsel to the District, and Keygent LLC is hereby appointed as Municipal Advisor to the District, each in connection with the Notes.

(B) Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Notes and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved. It is hereby covenanted that the Board and its appropriate officials will cause the County, to take all proceedings necessary to be taken by them, and will take any additional proceedings necessary to be taken by them for carrying out the provisions of this Resolution.

(C) The provisions of this resolution as they relate to the terms of the Notes may be amended by the Notice Inviting Proposals or the Official Statement.

The Notes are being issued by the County Board, on behalf of the District, to provide funds to meet fiscal year 2022-23 general fund expenditures, including operating expenses, capital expenditures, and the discharge of other obligations or indebtedness of the District.

#### **VIII. Security:**

As provided in Section 53856 of the Act, the principal amount of the Notes, together with the interest thereon, is payable from taxes, income, revenue (including but not limited to, revenue from state and federal governments), cash receipts and other moneys of the District (including moneys deposited in inactive or term deposits, but excepting moneys encumbered for a special purpose), and which are generally available for the payment of current expenses and other obligations of the District (collectively, "Unrestricted Revenues"). Pursuant to Section 53856 of the Notes Act and the District Resolution, the District shall pledge the to the repayment of the Notes (collectively, the "Pledged Revenues"): (i) the first Unrestricted Revenues received by the District in the month ending \_\_\_\_\_, 2023 in an amount equal to \_\_\_\_% of the principal of the Notes, and (ii) the first Unrestricted Revenues received by the District in the month ending \_\_\_\_\_, 2023, in an amount equal to \_\_\_\_% of the principal of and 100% of the interest due on the Notes. The principal of and interest on the Notes will constitute a first lien and charge against the Pledged Revenues. The Notes, in accordance with the Act, are general obligations of the District, and to the extent not paid from the Pledged Revenues, shall be paid, with interest thereon, from any other moneys of the District legally available therefor.

## **IX. Form of Bid:**

All bids must be submitted electronically via PARITY, pursuant to the procedures described below, and all such bids shall be deemed to constitute a Bid for Purchase of the Notes and shall be deemed to incorporate by reference all of the terms and conditions of this Notice Inviting Proposals for Purchase of Notes ("Notice Inviting Proposals"). The submission of a bid electronically via PARITY shall constitute and be deemed the bidder's signature on the Bid for Purchase of the Notes.

## **X. Procedures Regarding Electronic Bidding:**

Bids must be submitted electronically via PARITY in accordance with this Notice Inviting Proposals, until \_\_\_\_ a.m., Pacific Daylight Time, on \_\_\_\_\_, 2022, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice Inviting Proposals, the terms of this Notice Inviting Proposals shall control. For further information about PARITY, potential bidders may contact the District's Municipal Advisor, Chris Hiatt of Keygent, LLC at (310) 322-4222 or [chris.hiatt@keygentcorp.com](mailto:chris.hiatt@keygentcorp.com), or PARITY at i-Deal at (212) 849-5021. In the event that a bid for the Notes is submitted via PARITY, the bidder further agrees that:

1. Once the bids are communicated electronically via PARITY to the District as described herein, each bid will constitute a Bid for Purchase of the Notes and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice Inviting Proposals. If a bid submitted electronically via PARITY is accepted by the District, the terms of the Bid for Purchase of the Notes and the Notice Inviting Proposals and the information that is electronically transmitted through PARITY (including information about the purchase price of the Notes, the coupon interest rate or rates to be borne by the various maturities of the Notes, the initial public offering price of each maturity and any other information included in such transmission) shall form a contract and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the District, and the District shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the District or information provided by the bidder.

3. The District may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via PARITY's internet site ([www.tm3.com](http://www.tm3.com)) no later than 1:00 P.M. (Pacific Daylight Time) on the last business day prior to the date of sale. In such case, a substitute bidding arrangement will be described in an amended Notice Inviting Proposals.

4. For purposes of submitting all Bids for the purchase of the Notes, the time as maintained on PARITY shall constitute the official time. No bid received after the deadline shall be considered. In any case, each bid must be in accordance with the terms and conditions set forth in this official Notice Inviting Proposals.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with this Notice Inviting Proposals. Neither the District nor i-Deal shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the District nor i-Deal shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY.

The District is using PARITY as a communication mechanism, and not as the District's agent, to conduct the electronic bidding for the Notes. By using PARITY, each bidder agrees to hold the District harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Notes.

#### **XI. Estimate of True Interest Cost:**

Bidders are requested (but not required) to supply an estimate of the total true interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District.

#### **XII. Deposit:**

The successful bidder will be required to provide a good faith deposit (the "Deposit") in the form of a wire transfer made payable to

San Mateo Union High School District  
in the amount of  
\$\_\_\_\_\_

prior to the official award. The wire transfer must be transmitted in immediately available funds and sent to the account of the District at the San Mateo County Treasurer-Tax Collector, as follows: Union Bank of California, ABA# \_\_\_\_\_, crediting account name "San Mateo County," account number \_\_\_\_\_, Ref: "San Mateo Union High School District 2022-23 Tax and Revenue Anticipation Notes." Questions regarding the wiring instructions may be directed to Tiffany Htwe ([thtwe@smcgov.org](mailto:thtwe@smcgov.org)). The Municipal Advisor will request the apparent winning bidder to immediately wire the Deposit and provide the Federal wire reference number of such Deposit to the Municipal Advisor within 90 minutes of such request by the Municipal Advisor. The Notes will not be officially awarded to a bidder who has not submitted a Deposit in the form of a wire transfer, together with its Federal wire reference number, as provided above.

No interest on the Deposit will accrue to any bidder. The Deposit (without accruing interest) of the winning bidder will be applied to the purchase price of the Notes. In the event the winning bidder fails to honor its accepted bid, the Deposit plus any interest accrued on the Deposit will be retained by the District. Any investment income earned on the Deposit will be paid to the successful bidder in the event the District is unable to deliver the Notes. Deposits accompanying bids other than the bid which is accepted will be returned promptly upon the determination of the best bidder.

#### **XIII. Qualification for Sale; Blue Sky:**

The purchaser will assume responsibility for taking any action necessary to qualify the Notes for offer and sale in jurisdictions other than California, and for complying with the laws of all jurisdictions on resale of the Notes, and shall indemnify, defend and hold harmless the District and their respective officers and officials from any loss or damage resulting from any failure to comply with any such law. Compliance with Blue Sky Laws shall be the sole responsibility of the purchaser, and the purchaser shall pay all fees and disbursements related to the qualification of the Notes for sale under the securities or Blue Sky laws of various jurisdictions. The District will furnish such information and take such action not inconsistent with law as the purchaser may request and the District shall deem necessary or appropriate to qualify the Notes for offer and sale under the Blue Sky or other securities laws and

regulations of such states and other jurisdictions of the United States of America as may be designated by the purchaser, provided, however, that the District shall not execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. The purchaser will not offer to sell, or solicit any offer to buy, the Notes in any jurisdiction where it is unlawful for such purchaser to make such offer, solicitation or sale, and the purchaser shall comply with the Blue Sky and other securities laws and regulations of the states and jurisdictions.

#### **XIV. CUSIP Numbers and Other Fees:**

CUSIP numbers will be applied for and will be printed on the Notes and the cost of printing thereof and service bureau assignment will be the purchaser's responsibility. Any delay, error or omission with respect thereto will not constitute cause for the purchaser to refuse to accept delivery of and pay for the Notes. The successful bidder shall also be required to pay all fees required by The Depository Trust Company, Bond Market Association, Municipal Securities Rulemaking Board, and any other similar entity imposing a fee in connection with the issuance of the Notes (see also, "—California Debt and Investment Advisory Commission" below).

#### **XV. Legal Opinion:**

The Notes are sold with the understanding that the purchaser will be furnished with the approving opinion of Bond Counsel, Stradling Yocca Carlson & Rauth, a Professional Corporation. A copy of the opinion will be attached to the Notes. Said attorneys have been retained by the District as Bond Counsel and in such capacity are to render their opinion only upon the legality of the Notes under State of California law and on the exemption of the interest income on such Notes from federal and State of California income taxes. Fees of Bond Counsel will be paid by the District from the costs of issuance.

#### **XVI. Tax-Exempt Status:**

In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and compliance with certain covenants and requirements described herein, interest (and original issue discount) on the Notes is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals. In the further opinion of Bond Counsel, interest (and original issue discount) on the Notes is exempt from State of California personal income tax.

Taxpayers considering an investment in the Notes that are classified as corporations for federal income tax purposes should consult their tax advisors regarding the application of the corporate alternative minimum tax to any investment in the Notes.

Should changes in the law cause Bond Counsel's opinion to change prior to delivery of the Notes to the purchaser, the purchaser will be relieved of its responsibility to pick up and pay for the Notes, and in that event its Deposit will be returned.

#### **XVII. Establishment of Issue Price**

(a) The winning bidder shall assist the District in establishing the issue price of the Notes and shall execute and deliver to the District at Closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes,

together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel, including, but not limited to, modifications in the event that the Competitive Sale Requirements (defined below) are not satisfied. All actions to be taken by the District under this Notice Inviting Proposals to establish the issue price of the Notes may be taken on behalf of the District by the Municipal Advisor and any notice or report to be provided to the District may be provided to the Municipal Advisor.

(b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “Competitive Sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “Competitive Sale Requirements”) because:

1. the District shall disseminate this Notice Inviting Proposals to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
2. all bidders shall have an equal opportunity to bid;
3. the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
4. the District anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest TIC), as set forth in this Notice Inviting Proposals.

Any bid submitted pursuant to this Notice Inviting Proposals shall be considered a firm offer for the purchase of the Notes, as specified in the bid.

(c) In the event that the Competitive Sale Requirements are not satisfied, the District shall so advise the winning bidder. The District may determine to treat (i) the first price at which 10% of a maturity of the Notes (the “10% Test”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the Notes as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the District if any maturity of the Notes satisfies the 10% Test as of the date and time of the award of the Notes. The District shall promptly advise the winning bidder, at or before the time of award of the Notes, which maturities (and if different interest rates apply within a maturity, which separate CUSIP number within that maturity) of the Notes shall be subject to the 10% Test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the District determines to apply the hold-the-offering-price rule to any maturity of the Notes. Bidders should prepare their bids on the assumption that some or all of the maturities of the Notes will be subject to the hold-the-offering-price rule in order to establish the issue price of the Notes.

(d) By submitting a bid, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the

Notes, that the underwriters will neither offer nor sell unsold Notes of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

1. the close of the fifth (5<sup>th</sup>) business day after the sale date; or
2. the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the District when the underwriters have sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

(e) If the Competitive Sale Requirements are not satisfied, then until the 10% Test has been satisfied as to each maturity of the Notes, the winning bidder agrees to promptly report to the District the prices at which the unsold Notes of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing (as defined herein) of the Notes has occurred, until the 10% Test has been satisfied as to the Notes of that maturity or until all Notes of that maturity have been sold.

(f) The District acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

(g) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder that either the 10% Test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% Test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for

so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(h) Sales of any Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice Inviting Proposals. Further, for purposes of this Notice Inviting Proposals:

- (1) “public” means any person other than an underwriter or a related party,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),
- (3) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the Notes are awarded by the District to the winning bidder.

#### **XVIII. Award:**

If the Notes are awarded on the date of sale, the Notes will be awarded to the responsible bidder submitting the best responsive bid, considering the coupon interest rate or rates and the purchase price specified in the bid. The best bid will be the bid that conforms with the provisions of this Notice Inviting Proposals and represents the lowest TIC to the District for the Notes, taking into consideration the interest rate specified, and premium thereon, if any. The TIC is the discount rate that, when compounded semiannually and used to discount all debt service payments on the Notes back to the date of delivery of such Notes, results in an amount equal to the purchase price bid for said Notes. In the event that two or more bidders offer bids for the Notes at the same lowest TIC, the District will determine by lottery which bidder will be awarded the Notes.

### **XIX. Prompt Award:**

The County and the District will take action awarding the Notes or rejecting all bids not later than twenty six (26) hours after the expiration of the time herein prescribed for the receipt of bid proposals, unless such time of award is waived by the successful bidder.

### **XX. Delivery:**

Delivery of the Notes will be made to the purchaser through DTC upon payment of the purchase price in federal funds payable to or for the account of the District at the San Mateo County Treasurer - Tax Collector, per the wire instructions provided by the District at or prior to the Closing of the issuance of the Notes. The Closing will take place at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation, 44 Montgomery Street, Suite 4200, San Francisco, California 94104, or at the purchaser's request and expense, at any other place mutually agreeable to both the District and the purchaser, on \_\_\_\_\_, 2022 (the "Closing").

### **XXI. California Debt and Investment Advisory Commission:**

The successful bidder will be required, pursuant to State of California law, to pay any fees to the California Debt and Investment Advisory Commission ("CDIAC"). CDIAC will invoice the successful bidder after the closing of the Notes.

### **XXII. No Litigation and Non-Arbitrage:**

The District will deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Notes. The District will also deliver an arbitration certificate covering its reasonable expectations concerning the Notes and the use of proceeds thereof.

### **XXIII. Official Statement:**

The District will make available a Preliminary Official Statement relating to the Notes (the "Preliminary Official Statement"), a copy of which, along with any supplements thereto and related documents, will be furnished upon request made to Keygent, LLC, 1730 E. Holly Avenue, Suite 762, El Segundo, California 90245, Attn: Chris Hiatt, [chris.hiatt@keygentcorp.com](mailto:chris.hiatt@keygentcorp.com), the District's Municipal Advisor, or telephoned to said Municipal Advisor at (310) 322-4222. Such Preliminary Official Statement, together with any supplements thereto, shall be in a form "deemed final" by the District for the purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final version thereof (the "Official Statement").

Each bidder must read the entire Preliminary Official Statement prior to bidding on the Notes, to obtain information essential to the making of an informed decision to bid. This Notice Inviting Proposals contains certain information for general reference only, and is not a complete summary of the issue. The Internet posting of the Preliminary Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, the securities described in the Preliminary Official Statement, in any jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

Copies of the Official Statement will be made available to the purchaser without charge, up to an amount of 10 copies, within seven business days of the date of sale and additional copies will be made available upon request at the purchaser's expense.

The District will deliver, at the closing, a certificate executed by an authorized officer of the District, acting in their official capacity, to the effect that the Official Statement does not contain any untrue statement of a material fact, or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading.

The District undertakes that for a certain period of up to twenty-five (25) days following the end of the “underwriting period” as defined in Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934 (the “Rule”), it will (i) apprise the winning bidder if any event shall occur, or information comes to the attention of the District that, in the reasonable judgment of the District, is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (ii) if requested by the winning bidder, prepare a supplement to the final Official Statement with respect to such event or information. The District will presume, unless notified in writing by the winning bidder, that the end of the underwriting period will occur on the date of the delivery of the Notes. By making a bid on the Notes, the winning bidder agrees (i) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any supplements prepared by the District, and to file a copy of the final Official Statement, including any supplements prepared by the District, with the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access (“EMMA”) system (as provided by the Rule) within one business day after receipt thereof from the District or its designee, but in any event, no later than the date of closing and (ii) to take any and all other actions necessary to comply with the applicable rules of the Securities and Exchange Commission and the MSRB governing the offering, sale and delivery of the Notes to the ultimate purchasers.

#### **XXIV. Continuing Disclosure:**

In order to assist bidders in complying with the Rule, the District will undertake in a Continuing Disclosure Certificate to provide notices of the occurrence of events enumerated therein. A description of this undertaking and a form of the Continuing Disclosure Certificate are included in the Preliminary Official Statement.

#### **XXV. Rating:**

Moody’s Investor Service has assigned to the Notes the rating shown on the cover page of the Preliminary Official Statement or, if not so indicated, will be available upon request from the Municipal Advisor. Such rating reflects only the views of such organization and an explanation of the significance of such rating may be obtained from such. There is no assurance that the rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by the rating agency, if, in the judgment of such agency, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Notes.

#### **XXVI. Right to Cancel, Postpone, or Reschedule Sale:**

The District reserves the right to cancel, postpone or reschedule the sale of the Notes upon notice given through the Bloomberg News Service, Thomson Municipal Market Monitor ([www.tm3.com](http://www.tm3.com)) or *The Bond Buyer* not later than 1:00 p.m. (Pacific Daylight Time) on the day prior to the date bids are to be received. If the sale is postponed, bids will be received at the place set forth above, at the date and time as the District shall determine. Notice of the new sale date and time, if any, will be given through

Bloomberg News Service, Thomson Municipal Market Monitor ([www.tm3.com](http://www.tm3.com)) or *The Bond Buyer* no later than twenty-three (23) hours prior to the new time bids are to be received. As an accommodation to bidders, telephone or fax notice of the postponement of the sale date and of the new sale date will be given to any bidder requesting such notice from the Municipal Advisor. Failure of any bidders to receive such notice shall not affect the legality of the sale.

**XXVII. Additional Information:**

Copies of the Notice Inviting Proposals, and the Preliminary Official Statement relating to the Notes will be furnished to any bidder upon request made to Keygent, LLC, Attn: Chris Hiatt, phone: (310) 322-4222, [chris.hiatt@keygentcorp.com](mailto:chris.hiatt@keygentcorp.com), the Municipal Advisor to the District.

1. ***Reasonably Expected Initial Offering Price.***

(a) As of the Sale Date, the reasonably expected initial offering prices of the Notes to the Public by \_\_\_\_\_ are the prices listed in Schedule A (the “Expected Offering Prices”). Attached as Schedule B is a true and correct copy of the bid provided by \_\_\_\_\_ to purchase the Notes.

(b) \_\_\_\_\_ was not given the opportunity to review other bids prior to submitting its bid.<sup>1</sup>

(c) The bid submitted by \_\_\_\_\_ constituted a firm offer to purchase the Notes.

<sup>1</sup> Treas. Reg. §1.148-1(f)(3)(i)(B) requires that all bidders have an equal opportunity to bid to purchase bonds.
