MEASURE K GRANT AGREEMENT BETWEEN THE COUNTY OF SAN MATEO AND DALY CITY COLMA CHAMBER OF COMMERCE

This Agreement is entered into this 11th day of April, 2023 by and between the County of San Mateo, a political subdivision of the state of California, hereinafter called "County," and Daly City Colma Chamber of Commerce, hereinafter called "Grantee."

* * *

WHEREAS, the Grantee has applied to the County seeking a grant for the purpose of funding the matters set forth in its Project described in Exhibit A (the "Grant");

WHEREAS, the County has approved the grant of certain funds to Grantee pursuant to the terms set forth in this Agreement;

NOW, THEREFORE, it is agreed by the parties to this Agreement as follows:

1. Exhibits and Attachments

The following exhibits and attachments are attached to this Agreement and incorporated into this Agreement by this reference:

Exhibit A—Project Description
Exhibit B—Reporting

2. Grant

County hereby grants to Grantee a sum not to exceed Seventy-Five Thousand Dollars and Zero Cents ($75,000.00) in consideration of and on the condition that the sum be expended for the sole purpose of carrying out the objectives of Grantee's Project as identified in Exhibit A, and in no event shall the County's total fiscal obligation under this Agreement exceed this amount. Grantee agrees to assume any obligation to secure and furnish any additional funds that may be necessary to carry out its Project.

Funds granted under this Agreement shall not be disbursed until execution of this Agreement by County and Grantee.

County shall disburse grant funds to Grantee 30 calendar days after receipt of a satisfactory invoice. Invoices should be accompanied by back up documentation (e.g., receipts for professional services rendered, salary and benefits back up, etc.) and submittal of any required summary reports outlined in Exhibits A or B. The County reserves the right to change the disbursement method during the term of this Agreement.

The disbursement schedule is as follows:

- **Payment 1-** Invoice for up to 50% of the grant ($37,500.000), upon execution of this Agreement. This is contingent on the County Board of Supervisors passing a resolution approving this Measure K grant and providing for an exception to the criteria for district-discretionary Measure K funding to allow for up-front funding of half of this grant.
- **Payment 2-** Invoice for remainder of the grant ($37,500.00), upon submission of receipts/invoices showing expenditures on items funded by the grant, including photographs and use of Measure K logo as approved by the County**. NOTE: Contractor must submit receipts/invoices for Invoice 1 (up front funding) to County's satisfaction before County will make any reimbursements under Invoice 2.**

INVOICES: Requests for grant disbursement should be (1) on the organization's official letterhead, (2) include date of invoice, amount requested, and Agreement number, and (3) submitted to the attention of:

3. Term & Termination

Subject to compliance with all terms and conditions, the term of this Agreement shall begin April 11, 2023, and continue through April 10, 2025. This Agreement will not automatically renew, nor shall it create any reliance on the possibility of future grants.

County may terminate this Agreement based upon the unavailability of Federal, State, or County funds by providing written notice to Grantee within a reasonable time after County learns of said unavailability of funding. Grantee acknowledges that this Agreement may be subject to approval of the Board of Supervisors, and assumes all risk of possible non-appropriation and non-approval of funds.

County may suspend and/or terminate this Agreement if Grantee fails to comply with the terms of this Agreement and may, in its sole discretion, withhold or cancel pending and future disbursements of grant funds and/or require Grantee to return some or all funds disbursed under this Agreement.

4. Relationship of Parties

Notwithstanding any publicity or other references to the County required to be made in connection with the Project as set forth in Exhibit A, Grantee understands and agrees that the Project performed under this Agreement is not performed by Grantee as an independent contractor of the County or as an employee of County and that neither Grantee nor its employees acquire any of the rights, privileges, powers, or advantages of County contractors or County employees. Grantee acknowledges and agrees that it is not, and will not hold itself out as, an agent, partner, or co-venturer of the County, and that this Agreement is not intended to and does not create an agency, partnership, or joint venture between the Parties.

However, Grantee's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Grantee to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.
