

ORDINANCE NO. _____

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA

* * * * *

**AN ORDINANCE REPEALING CHAPTERS 4.95, 4.98, AND 4.99, AND ADOPTING A
NEW CHAPTER 4.98 OF TITLE 4 OF THE SAN MATEO COUNTY ORDINANCE
CODE TO CONSOLIDATE AND CLARIFY EXISTING DEFINITIONS AND ENACT
ADDITIONAL REQUIREMENTS FOR TOBACCO RETAILER PERMITS**

The Board of Supervisors of the County of San Mateo, State of California,
ORDAINS as follows:

SECTION 1. Findings.

The Board of Supervisors finds and determines that:

- (a) A local licensing system for tobacco retailers is appropriate to ensure that retailers comply with tobacco control laws and business standards of the Board of Supervisors, to protect the health, safety, and welfare of San Mateo County residents.
- (b) Despite the state's efforts to limit youth access to tobacco, youth are still able to access tobacco products, as evidenced by the following:
 - 1. In California, over 67% of current and former adult smokers started smoking by the age of 18;¹
 - 2. In a survey taken in 2019-20, 28.6% of California high school students reported that they had used a tobacco product and 9.7% of students reported that they had used tobacco in the last 30 days;² and
 - 3. According to the 2019-20 California Student Tobacco Survey, for San Mateo County, the prevalence of the use of vaping devices among high school students was 8.7%.³
- (c) California retailers continue to sell tobacco to underage consumers, evidenced by the following:
 - 1. According to the 2019-20 California Student Tobacco Survey, among current underaged vapers, 51.2% reported paying for their vapes. Of those who paid for their vapes, 27.1% reported buying them from a retail store;⁴
 - 2. In the Bay Area, 21.6% of licensed tobacco retailers sold tobacco products to underage decoys in 2019;⁵ and

3. In 2019, the San Mateo County Sheriff's Office coordinated undercover enforcement operations and found that 25 out of 289 visits to retailers by underage decoys resulted in tobacco sales to youth decoys.
- (d) The tobacco industry's price discounting strategies, such as coupons and multiple-package discounts, are popular among consumers, with more than half of adults using some price minimization strategy. In California, individuals who use price minimization strategies save an average \$1.04 per pack (or 18.6% off the total price per pack).⁶
 - (e) The density and proximity of tobacco retailers influence smoking behaviors, including the number of cigarettes smoked per day.⁷
 - (f) Adults who smoke have a harder time quitting when residential proximity to tobacco retailers is smaller⁸ and density is higher.⁹
 - (g) Policies to reduce tobacco retailer density have been shown to be effective¹⁰ and may reduce or eliminate inequities in the location and distribution of tobacco retailers.
 - (h) Strict enforcement of policies prohibiting retail sales of cigarettes to youth, sales of cigarettes via vending machines, and other means through which youth gain access to tobacco in the commercial settings can limit their opportunities to obtain these products.¹¹
 - (i) Strong policy enforcement and monitoring of retailer compliance with tobacco control policies (e.g., requiring identification checks) is necessary to achieve reductions in youth tobacco sales.¹²
 - (j) The Board of Supervisors has a substantial interest in protecting youth and underserved populations from the harms of tobacco use.
 - (k) The Board of Supervisors finds that a stronger local licensing system for tobacco retailers is appropriate to ensure that retailers comply with tobacco control laws and business standards of the County of San Mateo in order to protect the health, safety, and welfare of our residents.
 - (l) As lessons are learned with implementation of licensing systems throughout the State, it is appropriate to update existing County regulations to ensure that the County implements best practices in tobacco prevention.

SECTION 2. Chapters 4.95, 4.98 and 4.99 of the San Mateo County Ordinance Code are hereby repealed and replaced in their entirety by a new Chapter 4.98 to be numbered and entitled and to read as follows:
