County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon the unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

County may terminate this Agreement for cause. In order to terminate for cause, County must first give Contractor notice of the alleged breach. Contractor shall have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as "contract materials") prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such contract materials if permitted by law.

7. Relationship of Parties

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

8. **Hold Harmless**

a. **General Hold Harmless**

Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following:

(A) injuries to or death of any person, including Contractor or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging;

(C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or

(D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

b. **Intellectual Property Indemnification**

Contractor hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement.

Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third

party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

9. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County. Any such assignment or subcontract without County's prior written consent shall give County the right to automatically and immediately terminate this Agreement without penalty or advance notice.

has been approved by County's Risk Management, and Contractor shall use diligence to obtain such insurance and to obtain such approval. Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

b. Workers' Compensation and Employer's Liability Insurance

Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. c. Liability Insurance

Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amounts specified below:

- (a) Comprehensive General Liability.....\$1,000,000
- (b) Motor Vehicle Liability Insurance.....\$1,000,000
- (c) Professional Liability.....\$1,000,000

County and its officers, agents, employees, and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that (a) the insurance afforded thereby to County and its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy and (b) if the County or its officers, agents, employees, and servants have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately

declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

11. Compliance With Laws

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, ordinances, regulations, and executive orders, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Federal Regulations promulgated thereunder, as amended (if applicable), the Business Associate requirements set forth in Attachment H (if attached), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any Federal or County financial assistance, as well as any required economic or other sanctions imposed by the United States government or under state law in effect during the term of the Agreement. Such services shall also be performed in accordance with all applicable ordinances and regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations. In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law, regulation, or executive order, the requirements of the applicable law, regulation, or executive order will take precedence over the requirements set forth in this Agreement.

Further, Contractor certifies that it and all of its subcontractors will adhere to all applicable provisions of Chapter 4.107 of the San Mateo County Ordinance Code, which regulates the use of disposable food service ware. The County may withhold payment for any and all services for which the required documentation is not provided, or if the documentation provided does not meet

professional standards as determined by the BHRS Quality Improvement Manager. 16. Inadequate Performance

If County or Contractor finds that performance is inadequate, at the County's discretion, a meeting may be called to discuss the causes for the performance problem, to review documentation, billing and/or other reports, and to take appropriate corrective action, as needed, to resolve any identified discrepancies. This Agreement may be renegotiated, allowed to continue to end of term, or terminated pursuant to Paragraph 5 of this Agreement. Any unspent monies due to performance failure may reduce the following year's agreement, if any.

17. Election of Third Party Billing Process

Contractor shall select an option for participating in serial billing of third-party payors for services provided through this Agreement through the completion of Attachment C – Election of Third Party Billing Process. The completed Attachment C shall be returned to the County with the signed Agreement. Based upon the option selected by the Contractor the appropriate following language shall be in effect for this Agreement.

Within ten (10) days of the end of each month, Contractor shall provide to County copies of the Explanation of Benefits or other remittance advice for every third-party payment and/or denial of such third-party payments for services provided by Contractor during such month. - ii. Contractor shall provide a copy of each completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this Agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

b. Option Two

- i. Contractor shall provide information to County so that County may bill applicable other third-parties before billing Medi-Cal for services provided by Contractor through this Agreement. The amount of any such third-party payment shall be deducted from the total actual costs for all services rendered by Contractor as reflected on the Cost Report as defined in Paragraph R of this Exhibit B. County accepts no financial responsibility for services provided to members where there is a responsible third-party payor, and to the extent that County inadvertently makes payments to Contractor for such services rendered, County shall be entitled to recoup such reimbursement through the Cost Report reconciliation.
- ii. Contractor shall provide a copy of the completed Payor Financial Form (Attachment D) and subsequent annual updates for all clients who receive services through this agreement. For clients who begin to receive services during the term of this Agreement, completed Payor Financial Forms shall be provided to the County with client registration forms. For clients who were receiving services prior to the start date of this Agreement and who continue to receive services

through this Agreement, completed Payor Financial Forms are due within ten (10) days of the end of the first month of the Agreement.

The Contractor shall not hold members liable for debts in the event that the County becomes insolvent, for costs of covered services for which the State does not pay the County, for costs of covered services for which the State or the County does not pay the Contractor, for costs of covered services provided under this or other contracts, referral or other arrangement rather than from the County, or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a member with an emergency psychiatric condition.

19. Claims Certification and Program Integrity

- a. Contractor shall comply with all state and federal statutory and regulatory requirements for certification of claims, including Title 42, Code of Federal Regulations (CFR) Part 438, Sections 438.604, 438.606, and, as effective August 13, 2003, Section 438.608, as published in the June 14, 2002 Federal Register (Vol. 67, No. 115, Page 41112), which are hereby incorporated by reference.

 - vii. Services are offered and provided without discrimination based on race, religion, color, national or ethnic origin, sex, age, or physical or mental disability.

- d. Except as provided in Paragraph V.A. of Exhibit A relative to medical records, Contractor agrees to keep for a minimum period of three years from the date of service a printed representation of all records which are necessary to disclose fully the extent of services furnished to the client. Contractor agrees to furnish these records and any information regarding payments claimed for providing the services, on request, within the State of California, to the California Department of Health Services; the Medi-Cal Fraud Unit; California Department of Mental Health; California Department of Justice; Office of the State Controller; U.S. Department of Health and Human Services, Managed Risk Medical Insurance Board or their duly authorized representatives, and/or the County.

County shall monitor the activities of Contractor to ensure that:

Pursuant to OMB Circular A-133, State may impose sanctions against the Contractor for not submitting single or program-specific audit reports, or failure to comply with all other audit requirements. 22. Audit Requirements Narcotic Treatment Program

In addition to the audit requirements, the State may conduct financial audits of NTP programs. For NTP services, the audits will address items C.21 above, except that the comparison of the provider's usual and customary charge in C.21.d will be to the DMC USDR rate in lieu of DMC cost per unit. In addition, these audits will include, but not be

limited to:

- a. For those NTP providers required to submit a cost report pursuant to W&IC Section 14124.24, a review of cost allocation methodology between NTP and other service modalities, and between DMC and other funding sources;

Contractor shall not use funds administered by the State to repay one federal funding source with funds provided by another federal funding source, or to repay federal funds with state funds, or to repay state funds with federal funds.

Contractor agrees to promptly develop and implement any corrective action plans in a manner acceptable to the State in order to comply with recommendations contained in any audit report. Such corrective action plans shall include time-specific objectives to allow for measurement of progress and are subject to verification by the State within six (6) months from the date of the plan.

24. DMC Record Keeping

Contractor shall maintain sufficient books, records, documents, and other evidence necessary for the State to audit Intergovernmental

These documents include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.
- e. Should Contractor discontinue its contractual agreement with the County, or cease to conduct business in its entirety, Contractor shall provide fiscal and program records for the Agreement period to the County. Records shall be provided in compliance with the State Administrative Manual (SAM), located at <http://sam.dgs.ca.gov/TOC/1600.aspx>.

The Contractor shall retain all records required by Welfare and Institutions Code section 14124.1, 42 CFR 433.32, and

California Code of Regulations, Title 22, Section 51341.1 et seq. for reimbursement of services and financial audit purposes.

- f. In the expenditure of funds hereunder, and as required by 45 CFR Part 96, Contractor shall comply with the requirements of SAM and the laws and procedures applicable to the obligation and expenditure of federal and state funds.
- g. Contractor shall retain records of utilization review activities required for a minimum of ten (10) years.

In addition, Contractor shall, upon request, make available to the County and/or the State their fiscal and other records to assure that Contractor has adequate recordkeeping capability and to assure that reimbursement for covered DMC services is made in accordance with Title 22, CCR, Section 51516.1.
