RESOLUTION AUTHORIZING IMPLEMENTATION OF THE CITY OF SAN BRUNO CITY COUNCIL'S REQUEST THAT FUTURE GENERAL MUNICIPAL ELECTIONS BE MOVED FROM ODD TO EVEN-NUMBERED YEARS

_____

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, in September 2015 the Governor signed Senate Bill No. 415, which in most instances requires local jurisdictions, including school districts, cities, and other districts, to move their elections for governing board members, councilmembers and board of directors from odd-numbered years to even-numbered years if their elections currently occur on odd-numbered years; and

WHEREAS, on May 23, 2017 the City Council of the City of San Bruno (the "City") adopted an ordinance requesting that election dates for future general municipal elections be moved from odd to even-numbered years; and

WHEREAS, the City submitted its ordinance to the Board of Supervisors on June 22, 2017; and

WHEREAS, pursuant to Section 10403.5(a)(1), the Chief Elections Officer submitted to the Board of Supervisors a report on the proposed action, and according to said report, the San Mateo County Registration & Elections Division is able to handle

the impact that the City's requested change will have on the ballot style, voting equipment, and computer capability; and

WHEREAS, the Board of Supervisors is required by Section 10403.5(a)(1) to approve the proposed change unless it finds that the ballot style, voting equipment, or computer capability is such that additional elections or materials cannot be handled.

NOW THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that the Board of Supervisors does not find that the ballot style, voting equipment, or computer capability of the Registration & Elections Division is such that additional elections or materials cannot be handled in relation to the City's request, and accordingly the implementation of the City's ordinance is approved, with the first election occurring pursuant to that ordinance at the November 3, 2020, statewide general election.
