BHRS may inspect and audit, or cause to be inspected and audited, once annually, the books and records of HPSM directly relating to this Agreement, including the existence and number of Members. HPSM and BHRS shall fully cooperate with and assist and provide information to representatives of each other, independent accountants hired by either party, and representatives of any regulatory or accreditation agency, to conduct any such inspection or audit. To the extent that HPSM and/or BHRS have control of the following, such audits shall be at the auditing party's sole expense and shall only be made during normal business hours, following thirty (30) days written notice, without undue interference to the audited party's business activity, and in accordance with reasonable audit practices. Where a regulatory or accreditation agency imposes demands that do not meet the above standards for conducting an audit, HPSM and BHRS will cooperate with the requirements of the auditing agency to the extent possible. An audit of BHRS's records may be conducted at BHRS's office where such records are located and shall be limited to transactions over the ten (10) year period preceding such audit unless the document retention period is extended according to applicable law. If a completed audit reveals a discrepancy in the results and the previous calculations of the audited party, then the auditing party shall deliver written notice setting forth in reasonable detail the basis of such discrepancy. The parties shall use reasonable efforts to resolve the discrepancy within thirty (30) days following delivery of the notice, and such resolution shall be final, binding, and conclusive upon the parties. HPSM and BHRS shall indemnify and hold harmless each other from and against all third party claims, demands, losses, damages and reasonable expenses, arising from or in connection with the performance of the terms of this Agreement, except to the extent that such claims, demands, losses, damages and expenses result from the negligence of the other.
- 6.2 Concurrent Negligence. In the event of concurrent negligence of HPSM, its officers and/or employees, and BHRS, its officers and/or employees, then the liability for any and all claims for injuries or damage to persons and/or property which arise out of terms and conditions of this Agreement shall be apportioned according to the California theory of comparative negligence.

- 7.1.4.1 termination of this Agreement;
 - 7.1.4.2 disqualification of BHRS from bidding on or being awarded a contract with HPSM for a period of up to 3 years;
 - 7.1.4.3 liquidated damages of \$2,500 per violation;
 - 7.1.4.4 imposition of other appropriate contractual and civil remedies and sanctions, as determined by the Executive Director.

To effectuate the provisions of this section, the Executive Director or his/her designee shall have the authority to examine BHRS's employment records with respect to compliance with this paragraph and/or to set off all or any portion of the amount described in this paragraph against amounts due to BHRS under the Service Agreement or any other Service Agreement between BHRS and HPSM.

BHRS shall report to HPSM the filing by any person in any court of any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity Commission, the Fair Employment and Housing Commission or any other entity charged with the investigation of allegations

within 30 days of such filing, provided that within such 30 days such entity has not notified BHRS that such charges are dismissed or otherwise unfounded. Such notification shall include the name of the complainant, a copy of such complaint, and a description of the circumstance. BHRS shall provide HPSM with a copy of their response to the Complaint when filed.

7.1.5 *Compliance with Equal Benefits Ordinance.* With respect to the provision of employee benefits, BHRS shall comply with the San Mateo County Ordinance which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.

8.1 Confidential Information. The term "Confidential Information" means information of a confidential or proprietary nature relating to the subject matter described in this Agreement which is taken from or disclosed by one party (the "Disclosing Party") to the other (the "Receiving Party"). HPSM acknowledges that BHRS owns, or possesses license rights (including off-the-shelf vendor agreements) from certain third parties to the entire software system used by BHRS in processing Claims and preparing reports including computer programs, system and program documentation, and other documentation relating thereto (collectively, including certain license rights, the "BHRS Software System"), and that BHRS Software System is the exclusive and sole property of BHRS. HPSM disclaims any rights to BHRS Software System as described above (including access to any applicable source codes), any procedures or forms developed by BHRS, as well as development or modification of BHRS Software System as a result of any customization performed by any party.
- 11.2 Insurance. Each party shall obtain (to the extent not already possessed) and maintain, with respect to the activities in which such party engages pursuant to this Agreement, professional liability (errors and omissions) insurance in amounts reasonable and customary for the nature and scope of business engaged in by such party and comprehensive liability insurance. In addition, each party shall maintain, with respect to the activities in this Agreement, general liability insurance of not less than \$1,000,000 per occurrence for bodily injury and property damage combined. This general liability insurance shall include coverage for liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under the insured agreement. Upon request, either party shall promptly deliver to the other party evidence of such insurance. Each party agrees to notify the other party immediately upon such party's receipt of any notice canceling, suspending or reducing the coverage limits of its professional liability insurance or comprehensive liability insurance.
- 11.3 Successors and Assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by either party hereto (whether by operation of law or otherwise) without the prior written consent of the other party hereto. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. Notwithstanding anything to the contrary contained in this Agreement (including this Section 11.3), no consent shall be required and this Agreement will apply

to, be binding in all respects upon, and inure to the benefit of any successors of HPSM to this Agreement resulting from a Change of Control. A "Change of Control" shall occur if as a result of one or a series of related transactions: (i) all or substantially all the assets of BHRS are disposed of to any entity not wholly owned and controlled by HPSM, outside the ordinary course of business; (ii) BHRS effects a merger with one or more other entities in which HPSM is not the surviving entity; or (iii) HPSM engages in a transaction that results in any entity holding securities possessing a majority of the voting power that does not hold such voting power as of the time of this Agreement. HPSM shall provide BHRS with thirty (30) days' advance written notice in the event of any transaction(s) resulting in a Change of Control, as well as an Officer's Certificate from the successor entity, agreeing to be bound by the terms and conditions of this Agreement.

- 11.4 Waiver. Any term or condition of this Agreement may be waived at any time by the party that is entitled to the benefit thereof, but no such waiver shall be effective unless set forth in a written instrument duly executed by or on behalf of the party waiving such term or condition. No waiver by any party of any term or condition of this Agreement, in any one or more instances, shall be deemed to be or construed as a waiver of the same or other term or condition of this Agreement on any future occasion.
- 11.5 Severability. In the event that any provision of this Agreement shall be determined to be invalid, unlawful, void or unenforceable to any extent, the remainder of this Agreement, and the application of such provision other than those as to which it is determined to be invalid, unlawful, void or unenforceable, shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law.
- 11.6 Further Assurances. Each party hereto shall execute and cause to be delivered to each other party hereto such instruments and other documents, and shall take such other actions, as such other party may reasonably request (at or after the date hereof) for the purpose of carrying out or evidencing any of the transactions contemplated by this Agreement.
- 11.7 Choice of Law. This Agreement shall be construed, interpreted, and governed according to the laws of the State of California without regard to its conflict of laws and rules.
- 11.8 Force Majeure. The performance obligations of BHRS and/or HPSM respectively hereunder shall be suspended to the extent that all or part of this Agreement cannot be performed due to causes which are outside the control of BHRS and/or HPSM, and could not be avoided by the exercise of due care, including but not limited to acts of God, acts of a public enemy, acts of a sovereign nation or any state or political subdivision or any department or regulatory agency thereof or entity created thereby, acts of any person engaged in a subversive or terrorist activity or sabotage, fires, floods, earthquakes, explosions, strikes, slow-downs, lockouts or labor stoppage, freight embargoes, or by any enforceable law, regulation or order. The foregoing shall not be considered to be a waiver of any continuing obligations under this Agreement, and as soon as conditions cease, the party affected thereby shall fulfill its obligations as set forth under this Agreement. In order to benefit from the provisions of this Section 11.8, the party claiming force majeure must notify the other reasonably promptly in writing of the force majeure condition. If any event of force majeure, in the reasonable judgment of the parties, is of a severity or duration such that it materially reduces the value of this Agreement, then this Agreement may be terminated without liability or further obligation

of either party (except for any obligation expressly intended to survive the termination of this Agreement and except for all amounts that have become or will become due and payable hereunder).

- 11.9 Entire Agreement; No Third Party Beneficiaries. This Agreement, including the Exhibits: (i) constitutes the entire agreement among the parties with respect to the subject matter hereof and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof; and (ii) is intended solely for the benefit of each party hereto and their respective successors or permitted assigns, and it is not the intention of the parties to confer third party beneficiary rights, and this Agreement does not confer any such rights, upon any other third party.
- 11.10 Use of Name. Neither party shall use the other party's name, trade or service mark, logo, or the name of any affiliated company in any advertising or promotional material, presently existing or hereafter established, except in the manner and to the extent permitted by prior written consent of the other party.
- 11.11 Notice. Any notice required or permitted by this Agreement, unless otherwise specifically provided for in this Agreement, shall be in writing and shall be deemed given: (i) one (1) day following delivery to a nationally reputable overnight courier; (ii) one (1) day following receipt by facsimile during the receiving party's business hours with written confirmation thereof; or (iii) three (3) days after the date it is deposited in the United States mail, postage prepaid, registered or certified mail, or hand delivered addressed as follows:
