BACKGROUND:

The State has allocated money from the Juvenile Probation and Camps funding (JPCF). These Federal dollars are used to fund services and programs from prevention/early intervention through custody and in juvenile halls, camps and ranches.

In January of 2011 a new Local Action Plan (LAP) was developed. The LAP planning process resulted in the identification of a core set of strategies to address needs of youth and their families including; an emphasis on early intervention; addressing the needs of both youth and their families; use practices that are recognized evidence-based models; understand and address system barriers; address the needs of underserved groups or groups over-represented in the Juvenile Justice system; and set clear outcomes for funded programs/strategies and plan for their assessment. A Request for Proposals (RFP) was issued to establish contracts to provide these services.

In April of 2011 Boys and Girls Clubs of the Peninsula is one (1) of the five (5) programs selected through the RFP process to provide services to youth in San Mateo County

between July1, 2011 and June 30, 2014 with funding through the Juvenile Probation and Camps Funding (JPCF).

DISCUSSION:

Through this agreement, the Boys and Girls Club of the Peninsula will provide after school programs that include enrichment and academic support, leadership development, behavioral skills and life skills development and job-readiness through mentoring to youth in Redwood City, Menlo Park and East Palo Alto.

The contractors have assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits.

The term of the agreement is July 1, 2011 through June 30, 2014. The Agreement and Resolution have been reviewed and approved by County Counsel and Risk Management has reviewed and approved the Contractor's insurance.

This Agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by helping youth reduce destructive and criminal behavior. With mentoring youth can better participate in their education and contribute to their communities.

Performance Measure(s):

Measure	FY 2010-11 Actual	FY 2011-12 Target
Youth served will agree or strongly agree that at least two staff people pay attention to what's going on in their lives.	n/a	80%

FISCAL IMPACT:

The Probation Department has secured \$160,000 for the Boys and Girls Clubs of the Peninsula from the California State JPCF Fund to support this Agreement for three years. There is no Net County Cost.
